

3. Given that it takes more than strong academic abilities to be an effective tutor, describe the central qualities you believe you would bring to this position.

4. Please list two references who are familiar with your academic ability and your general character. One of these references should be an SVSU faculty/staff member who is familiar with your expertise in the area you wish to tutor; include the title and phone number if the reference is not affiliated with SVSU.

5. Compile and submit as a portfolio:

- A current resume
- Evidence of GPA of 3.25
- Two reference letters: one general, and one from a faculty member who can attest to your competency in your selected area of tutoring
- A sample of your “best work” (this can be a paper or project)
- A one-page reflection on what your “best work” sample says about you as a student, making references to the piece.
