

## **2009 Summer Camp Scholarship Program with Saginaw Valley State University Athletic Department**

Maier & Associates has always been an active participant in many area charitable causes. But we felt we could do more.

We incorporated Maier & Associates Charitable Foundation as a nonprofit organization in 2001. Since then, we've given nearly \$200,000 each year to organizations and individuals throughout the Tri-County area.

The Charitable Foundation was designed to help the children other agencies and programs were missing and give each child the same opportunities others have.

Just for Kids is a philosophy more than a program. While we have regular ongoing activities, our Foundation's role is as much facilitator and team-builder as financier.

Through Just for Kids, we find areas of need in the community that are not being met by government agencies and other charitable organizations and programs. And we find a way to get them met.
