

## Join. Lead. Become.

Angela Weaver wasn't a "joiner" in high school. Now she's a *confident leader* at SVSU, involved in all sorts of campus groups, projects and organizations.

She credits the change to professors and mentors who encouraged her to *do things that make a difference*.

Angela Weaver. Senior business major and future anything-she-wants-to-be.

*Something More.  
Something Better.*
