## Information for Second Year Michigan Service Scholars AmeriCorps Members

Michigan Service Scholar AmeriCorps members returning to participate in a second term must complete similar requirements to their first term. All second year members must attend one kickoff/training session in order to submit new paperwork and become familiar with changes that have occurred within the program. In addition to the technical aspect of the training, other important activities and materials will be presented, in which all members are required to participate.

### Important items to bring to training
