What the students say

“For me Lille and la Catho have no equal anywhere in France. Lille is a lively metropolis with a vibrant student life and a relaxed atmosphere. Both staff and students at la catho are very welcoming. Not only are you surrounded by friendly people and supportive professors, but the attractive architecture makes for a unique learning environment” :
Daniel, Canada

“So many wonderful things in so little time. I love this program so much” : Geoffrey, Australia.

“This town was awesome and the people (the organising team, the teachers, and the other students) I met here are unforgettable. I will have the memories (and pictures) to cherish forever. All of this has made an impact on my life! Thanks for all the experiences”. : Yukiko, Japan

“I can’t believe that an entire month has passed. It has been a wonderful time. I have learnt so many new things about French culture and I will never forget this amazing place, this amazing summer program. Thank you for everything” :
Jens, Austria
