Delta College, H wing

1961 Delta Road

University Center, Michigan 48710

Education

A.A., Delta College

B.A. Business Management, Saginaw Valley State University

M.B.A., Central Michigan University

Area of Expertise

Christine began her current position as Regional Director of the Michigan Small Business and Technology Development Center at Delta College in 2003 and is responsible for the growth and development of programs and services to the local small business communities in Midland, Bay, Arenac, Tuscola, Huron, Sanilac and Saginaw Counties. Her involvement with the Michigan Small Business and Technology Development Center network spans more than thirteen years. She has served as Regional Director, Satellite Director, and Contractor to the program with many local and state partners. Christine was recognized as Outstanding SBDC Director of the regional center at Saginaw Valley State University in 1996. In 2006, Christine was named the (ASBDC) National Association of Small Business Development Centers' State Star for Michigan.

Professional Activities

Current community activities include serving on the Junior Achievement of Central Michigan Board, and Michigan Certified Development Board, and the Saginaw Valley State University College of Business and Management Advisory Board. She is also involved with other organizations including the Saginaw Valley State University Alumni Board, Saginaw County Vision 20/20 Small Business & Entrepreneurship Committee, Bay-Arenac ISD Career Center Marketing and Management Technical Academy Advisory Committee, Leadership Midland Alumni Association, and is currently coordinating the Mid Michigan Athena PowerLink program in Midland, Bay and Saginaw counties.
