Professor Kickham has been teaching all levels of accounting for over 30 years. His focus is primarily on managerial accounting, intermediate II and auditing classes.

Professor Kickham serves on the MACPA Regional Advisory Council and the MACPA Educators' Task Force. He enjoys the collaborative effort of the Educators Task Force which sponsors the annual Michigan Accounting Educators' Conference. He is a Board member of the Michigan Association of Higher Education that represents the higher education colleges and universities for the Michigan Education Association. He also serves on the board of the Saginaw Valley Chapter of the Institute of Management Accountants.

He enjoys helping students with career advisement and preparing graduating seniors for the workforce. He has always been interested in the improvement of teaching techniques which resulted in the publication of the *Instructor's Manual* for Weygandt, Kieso and Kell, 2nd Edition (with M. Zafar Uqbal, California Polytechnic State University) published by John Wiley and Sons. He has also shared his teaching techniques for the Prentice-Hall Accounting Seminar for Educators (PHASE).

Professor Kickham served as a board member for the Saginaw Choral Society for fourteen years and currently serves on the Audit Committee for St. Mary's Medical Center. He also provides professional accounting services for a local home builder. Professor Kickham currently serves as a board member of the SVSU Faculty Association and has served as Vice-President and Treasurer on many occasions. He has conducted a variety of seminars for the Association and enjoys serving on other University committees.
