**Kevin Cooper  
Ford Motor Credit Company**

### **Analytics at Ford Motor Credit**

Thursday, November 12, 2009  
@  
2:45 – 3:45 PM

Science East – Room 124

I will discuss analytical techniques used at FMCC. From statement of the problem through to implementation of the solution. I will also try to describe what makes a project successful and the skill sets required to enter the field.
