General Guidelines – CMS Bibliography Page:

- The bibliography appears at the end of the paper. Include all works cited and consulted other than personal communications. (See CMS 17.204, 17.208-9 for personal communication.)
- Use 12-pt. Times New Roman font.

Format for Bibliography:

- Center “Bibliography,” and double space below. Single space entries with double spaces between entries.
- Alphabetize by authors’ last name; if author has two publications, list by date order, and replace the author’s name with a dash (see CMS 16.103).
- Type the first line of each entry flush left and indent additional lines in an entry five spaces.
