Marshall M. Fredericks Sculpture Museum

The exhibition, *The Lightness of Being, New Sculpture, Howard Ben Tré* will be on display through Saturday, June 29 at the Marshall M. Fredericks Sculpture Museum.

Howard Ben Tré is internationally recognized for his unique sculptures and large-scale works of art for public and private spaces. Ben Tré is a pioneer in the use of cast glass as a sculptural medium and his work is included in more than 85 museum and public collections worldwide.

“Howard Ben Tré’s work is especially intriguing and noteworthy in that he excels at creating small to monumental size cast glass sculptures for both public and private spaces. We are thrilled to have the opportunity to host an exhibition of the works on paper and sculpture of a great American contemporary sculptor at the Marshall M. Fredericks Sculpture Museum,” said Museum Director Marilyn L. Wheaton.

This exhibition was organized by the Habatat Galleries, Contemporary Art Glass, of Royal Oak, Michigan.
