V. ADMINISTRATIVE REPORTS

The President introduced Dr. Daniel Nussbaum, Assistant Professor of Mathematics, and Tim McLin, SVC student, who were visitors at the meeting. Mr. Adolph Ayala, Instructor of Spanish, was also present.

A. Registration

President Marble said that the total number of students registered for study at SVC as of September 11th is 2,263, an increase of almost 10% over the past year. When the final registration figure is available, it is hoped that the enrollment will be a head count of 2,300. He called attention to an article in the September 10th edition of the Detroit Free Press reporting that registration is down in general— as much as 20% in some institutions. On the other hand, at SVC, we have never felt that the enrollment here will follow the national trend, and do anticipate further growth next year even though the registration is on the down swing in the nation in general. The downward trend reflects a diminished birth rate, and without any question the reduction in draft calls has reduced the use of college attendance as an escape. At the same time, it has been noticed that there seems to be a growing tendency to professional or vocational study; but some of the community colleges that have emphasized vocational education have suffered a decline in registration, all of which makes it difficult to make an accurate appraisal. At SVC, the registration of 461 students in the Fine Arts Program shows a remarkable increase. The Nursing Program, which was designed to accommodate
30 students, has admitted 34, with a waiting list of 108 applicants. There are 24 students registered in the M.A.T. Program, which is good considering that the decision on a Master's Program was made late in the summer. The Ethnic Studies Program showed 74 registrations, with 36 students registered in the Polish Language Program. The Technology Programs have 69 registrations, with 44 enrolled in Mechanical Technology.

B. Library

President Marble said that the circulation pattern has been re-designed in the library. This is an effort to keep a closer check on the book collection, and it appears to be an attractive and effective change.

C. Student Center

Copies of a Project Program Statement for a Campus Center were distributed for study by the Board. The President expressed appreciation to the Campus Center Planning Committee for the amount of time they spent on this project.

D. Judicial Code

The Dean for Student Services reported that there will be a workshop on the campus this weekend to review parking and traffic rules and regulations as it relates to students.

E. Mexican-American Awards Dinner

The first Awards Dinner to recognize persons making special contributions to the Spanish-speaking community in the Tri-Counties will be held in Doan Center.

VI. COMMITTEE REPORTS

A. Academic Committee

No report.
B. Building Committee

The Chairman of the Building Committee reported a gift of $25,000 which was given to purchase an observatory. Adequate equipment within the $25,000 is available, including a 16" reflecting telescope and other instruments within a 24' diameter prefabricated fiberglass dome to be built on a site yet to be chosen on the SVC Campus. The new observatory will enable the College to expand its program as a step toward an astronomy department, the President said. Lighting will be a major factor in choosing the location.

EM-333 Mr. Vaupre moved approval of a $25,000 appropriation for the purchase of a 16" reflecting telescope and other instruments and equipment, the funds to be provided out of specifically contributed funds for that purpose. Mr. Kendall supported.

Ayes: Curtiss, Gilmore, Groening, Kendall, Vaupre, Zahnow
Absent: Arbury, Runkel

Motion carried.

Mr. Curtiss said that officials of SVC have had several informal discussions with the Pit and Balcony Saginaw Community Theater Group relative to cooperative programs and use of facilities, including the possibility of locating a new theater on the SVC Campus.

The Building Committee proposes that a committee of SVC representatives be appointed to enter into more exploratory discussions with a Pit and Balcony Committee, and recommended the following members: Curtiss, Chairman, Capitan, Gilmore, Hanes, and Kieft.
Dr. Gilmore moved the appointment of a committee to work in cooperation with Pit and Balcony, the Committee to consist of the following members:
Charles Curtiss, Chairman; Dr. Wm. Capitan, Dr. R. Gilmore, R. Hanes, and R. Kieft.
Mr. Curtiss supported.

Ayes: Curtiss, Gilmore, Groening, Kendall, Vaupre, Zahnow
Absent: Arbury, Runkel

Motion carried.

C. Finance Committee

No report.

SECOND NATIONAL BANK OF SAGINAW
MASTER CHARGE MERCHANT AGREEMENT

This Agreement, made this day of August, 1972, by and between Saginaw Valley College ("Merchant"), whose address is University Center, Michigan 48710, and Second National Bank of Saginaw (SNB), a national banking association of Saginaw, Michigan.

WITNESSETH:

WHEREAS, Merchant desires to participate in the Master Charge and Interbank Card System and to honor Master Charge and Interbank Cards in connection with sales of merchandise and services; and

WHEREAS, SNB desires that Merchant honor Master Charge and Interbank Cards in accordance with and subject to the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the premises and of the mutual agreements herein contained, the undersigned parties agree as follows:

1. Issuing Chargecards. Merchant will honor any valid Master Charge or Interbank Chargecard ("Card") in sales or rentals of merchandise or services ("transactions"), record the transaction on a sales slip provided by Second National Bank and charge the regular cash price, without discriminating against any Card customer ("Cardholder") in any way.

2. Charge Transactions. Merchant will complete all sales slips in accordance with instructions furnished by SNB. All sales slips will represent transactions of a Cardholder in the amounts stated therein for merchandise and services only. No transaction shall be effected when a part of the total cash price is paid other than by use of a Card, unless such part is paid by Cardholder at the time of sale in cash, by check or by trade-in. No no case shall Merchant defer the time of payment of any part of the total cash price. Sales slips shall be presented to SNB within three (3) banking days of the transaction.

3. Precautionary Measures. Merchant will not honor any Card unless he determines that: the Card number does not appear on any current warning list supplied to Merchant; the signature and surname on the Card is the same as the signature and embossed surname on the Card; (b) The identity of any purported Cardholder in a No Card, Telephone or Mail-Order transaction is that of the Cardholder identified on the sales slip, that all Pre-authorized transactions have been duly authorized by the signature of the Cardholder on an unexpired authorization form supplied by SNB, and that the goods and services have been ordered by Cardholder; (c) the price, taxes, description of merchandise and services, and all other information written on each sales and credit slip by Merchant is correct, legal, true, and accurate, and that Cardholder has received his copy thereof; (d) Unless authorization has been obtained from the Cardholder, the transaction reflected on each slip does not exceed the Floor Release Limit imposed by SNB, (e) Unless and until the sales or credit slip is returned to Merchant by SNB, Merchant has not received and will not accept any reimbursement or payment on account of the transaction from any person other than SNB, except at the time of sale in cash, by check or by trade-in shown on the sales slip, and Merchant has not and will not, either directly or indirectly, take or grant any right or security interest in any sales slip, Cardholder obligation to SNB or merchandise which is the subject of a Card transaction, (f) Merchant has no notice of facts or circumstances that might impair the validity of the slip or its collectibility, (g) Merchant has performed or will fully and promptly perform all obligations coming to Cardholder resulting from the transaction represented by each sales slip or any other transaction; (h) SNB may, at any reasonable time, inspect Merchant's books and records pertaining to Card transactions; and (i) All transactions, including special transactions described in paragraph 4, have been completed in accordance with written instructions from SNB.

5. Warranties and Representations. Merchant agrees, warrants and represents, and shall be deemed to have agreed, warranted and represented at the time of each delivery of slips to SNB, that: (a) Each sales and credit slip delivered to SNB (except sales slips arising out of special transactions provided in paragraph 4) has been properly imprinted at the time of sale with an unexpired Card which appears to have been validly issued, which does not appear on the current warning list, which has not been legislatively signed or renewed, and which is not altered, and (unless he obtains authorization) the Card has not expired. Merchant will call the authorization center designated by SNB (the "Center") in all suspicious cases and will use his best efforts to retrieve any Card which he is advised by SNB or the Center to retrieve, or which he has reasonable grounds to believe is revoked, altered or counterfeit. If the total amount of any transaction exceeds the Floor Release Limit imposed by SNB, Merchant will obtain authorization from the Center and write the authorization number given him and the date thereof on the sales slip. Merchant is responsible for all refunds by completing the transaction, and in event Merchant uses more than one security check to avoid the requirement of obtaining authorization.

4. Special Transactions. Merchant will make No Card, Telephone, Mail-Order, Pre-authorized, and Delayed Delivery transactions only in accordance with written instructions provided by SNB.

5. Customer Adjustments and Refunds. All disputes between Merchant and a Cardholder or any other person shall be adjusted and settled between Merchant and the Cardholder or other person. Except for purchases of non-returnable goods (which Merchant shall indicate on the sales slips), Merchant will establish a fair policy for adjustments, including the exchange or return of merchandise, and will give proper credit for all refunds by completing a credit slip in accordance with written instructions from SNB. No cash refund shall be given in connection with any Card transactions. Credit slips shall be presented to SNB within three (3) banking days of their receipt, and upon receipt of the amount thereof against amounts otherwise owing, or to become owing, from SNB to Merchant, Merchant shall, at all times, make immediate payment of such amount from Merchant. If a dispute arises out of, or between, Merchant and any other person in relation to the quality, condition, characteristics or delivery of any goods or services, or any representation made in connection with the transaction, Merchant agrees to refund SNB against all claims and to indemnify and hold harmless SNB from all costs, losses and expenses relating to such dispute.

7. Merchant Repayment Agreement. If SNB determines that any warranty made by Merchant has been breached, then any representation made by Merchant was untrue when made of or in connection with a Card transaction, Merchant will refund to SNB the amount which SNB had advanced to Merchant in connection with such a Card transaction, or any sales slips when SNB determines to be affected thereby. SNB may charge Merchant's account for such amounts, and the parties shall promptly establish a schedule for repayment of such amounts.

8. Imprinter Rental. Merchant will pay to SNB an annual rental of $... for each imprinter which is not included in the price of delivery of such imprinter to each credit card merchant or any other person. Any imprinter acquired by Merchant shall be immediately returned to SNB upon termination of this Agreement.

9. Deposit and Payment of Sales and Credit Slips. SNB will pay to Merchant the next banking day following delivery the total amount of each sales slip delivered less the amount of each credit slip delivered. Each payment shall be made to the Credit Card Merchant identified on each slip. SNB shall not be responsible for the loss or destruction of any sales slip delivered to Merchant by SNB during the preceding month less the same percentage of the amount of each credit slip delivered by Merchant to SNB during the preceding month, and shall charge Merchant an amount for such amounts.

10. Customer Checks. Merchant agrees to cash any check drawn upon SNB by any Cardholder if the reverse side of this Card provides that SNB agrees to make payment of checks upon certain conditions. In checking such checks, Merchant will comply with the conditions set forth on this Card.

11. Miscellaneous. Merchant will adequately exhibit advertising materials if provided by SNB and will comply with all regulations and instructions promulgated by SNB.
12. Termination. This Agreement may be terminated by either party effective 72 hours after receipt of written notice. Merchant will not affect Card transactions after sending notice of termination to SNB, or after a termination notice sent by SNB becomes effective. Termination will not discharge or otherwise affect obligations or warranties relating to transactions occurring before termination becomes effective.

13. Additional Terms and Conditions.

None.

Interim Instructions to Merchant

1. General Instructions. For all transactions Merchant should complete sales slips by imprinted or clearly writing the name and account number of the Cardholder, Merchant’s name and place of business, the date, a description of the merchandise or services, the cash price for each item, applicable state and federal taxes, the total cash price of the transaction, any trade-in or payment by cash or check made at the time of sale, the total unpaid balance of applicable Floor Release Limit.

2. Normal Charge Transactions. In normal charge transactions, Merchant will imprint each sales slip with the Cardholder’s Card and will obtain the signature of the Cardholder thereon.

3. No-Card, Mail-Order, Telephone and Pre-authorized Transactions. In addition to complying with General Instructions and all other requirements, if Merchant enters into any of the following transactions he should comply with the terms of this instruction. In the event that Merchant desires to enter into a transaction with a purported Cardholder without pretentation of a Card (a “No-Card” transaction), Merchant must obtain proper identification, including name, address, social security number. Merchant must then place call to the Center to obtain Cardholder account number and proper authorization. Merchant must then print legibly the customer’s name and account number on the sales slip. The card holder, of course, must sign the sales slip. In all telephone, Mail-Order, and No Card transactions, Merchant shall first call fac and obtain authorization from the Center and write the authorization number, the date thereof, and name of the bank that issued the Card on the sales slip. Merchant warrants the identity of the Cardholder in all Telephone, Mail-Order and No Card transactions. For Telephone (TD), Mail-Order (MO), and Pre-authorization (PD) transactions, Merchant shall sign his own name on the sales slip in the place for the Cardholder’s signature and type or print thereafter the appropriate symbol. On any Pre-authorized transaction, Merchant will obtain a written request signed by the Cardholder on forms supplied by SNB, notify SNB if said written request is obtained for a series of transactions or more than seven (7) days prior to a contemplated single transaction, and complete the transaction in the prescribed manner.

4. Delayed Delivery Transactions. In a Delayed Delivery transaction, a deposit or deposits may be tendered by completion of another sales slip upon delivery of merchandise or performance of services. Authorization from the Center is required if the total amount of all sales slips for any such transaction exceeds or will exceed the applicable Floor Release Limit. Merchant shall note on each sales slip the word “deposit” or “balance”, as appropriate.

5. Credit Slips. Merchant should complete credit slips by:

(a) Legibly imprinting, typing, or printing the embossed legends from the Card and the Merchant’s name on the credit slip.

(b) Dating the credit slip with the date on which the credit was given and indicating therein a brief description of the goods returned, services canceled or adjustment given, and the amount of the credit in sufficient detail to identify the transaction.

(c) Having the Cardholder sign the credit slip;

(d) Signing the credit slip;

(e) Calling the Center for the Cardholder’s account number if goods are returned by mail.

One copy of the credit slip will be immediately delivered to the Cardholder, one copy will be retained by Merchant and one copy will be delivered to SNB.
