B. Athletic Committee

Mr. Zahnow, Chairman, said that the Great Lakes Intercollegiate Athletic Conference has suggested that SVC participate in more sports--as a member of the Conference it is not participating enough. Zahnow said that he has discussed the matter on a number of occasions with members of the Board of Fellows,

and they feel that SVC should proceed as rapidly as possible with an Athletic Program, particularly with football. With this in mind, he offered the following resolution:

RES-171 RESOLVED, That the Board of Control approves entry of Saginaw Valley College into football competition in the Great Lakes Intercollegiate Athletic League at the earliest feasible time.
Mr. Cartwright supported.

1. Summer Theatre Building

Dr. Gilmore said that the architectural firm of Prine, Toshach Associates were authorized to prepare preliminary drawings and advertise for bids for additions and alterations to the summer theatre building. Dr. Gilmore offered the following resolution for adoption:

RES-172 WHEREAS, Bids from eight contractors were publicly opened on December 17, 1973 for additions and alterations to the summer theatre building, and
WHEREAS, The lowest bid was submitted by Wobig Construction Company of Saginaw;
NOW, THEREFORE, Be it resolved that the architects, Prine, Toshach Associates, are hereby authorized to issue a letter of intent to the said low bidder and the President, or any Vice President, is hereby authorized to enter into a contract with the low bidder on recommendation of the architects.
Rev. Runkel supported.

Absent: Arbury, Vaupre

Resolution adopted.

The project will be financed by Forward '71 Funds and a gift of \$100,000 from the Kresge Foundation.

2. Campus Center

RES-173 Dr. Gilmore offered the following resolution for adoption:
WHEREAS, The Building Committee of Saginaw Valley College,
in its continuing effort to provide the non-academic
facilities for the College Community and having studied
the opportunities for a building that would be designed
to enhance the fellowship within that Community, the
Committee then recommends the planning and the subsequent
construction of an addition to Doan Center. Said planning,
construction and furnishing shall have a cost not to exceed
\$425,000.00.
THEREFORE, BE IT RESOLVED, That the Board of Control of
Saginaw Valley College shall authorize an expenditure not
to exceed \$10,000.00 for the preparation of such architec-
tural studies as would demonstrate the several and most
efficient concepts of addition to, and furnishing of such
addition to the existing Doan Center, that would be con-
sistent with the planned expense of \$425,000.00.
FURTHER BE IT RESOLVED, That the firm of Alden Dow
Associates be retained to provide the architectural
studies.
FURTHER, BE IT RESOLVED, That having authorized the afore-
described expense and intent that the Administration of
Saginaw Valley College be directed to implement the Resolu-
tion of the Board of Control prior to December 31, 1973.
Mr. Zahnow supported.

Ayes: Cartwright, Curtiss, Gilmore, Kendall, Runkel, Zahnow
Absent: Arbury, Vaupre

Resolution adopted.

It was suggested that the Nomenclature Committee give some thought for an appropriate name for the Summer Theatre Building.

C. Finance Committee

Mr. Zahnow said that SVC has been informed that several of the other colleges of the State apply special rules concerning residency to students from migrant families. Evidently this is done on the basis of administrative discretion or stated policy. It is recommended that SVC adopt a policy similar to these two institutions.

Migrants who would have been eligible under this policy were first admitted to SVC in the fall of 1972. It has recently appeared that one or more

admission counselors were under the impression that the policy recommended by United Migrants for Oppprtunity, Inc., was in force throughout the State as a matter of regulation. Therefore, several migrant students were allowed to register as residents while one was not. To correct this inequity, and effective date of July 1, 1972 is recommended. This will result in a tuition refund to one student.

RES-174 Mr. Zahnow offered the following resolution for adoption:
RESOLVED, That effective July 1, 1972, the following
section is hereby added to the College policy concerning
residency for tuition purposes:
Michigan residency may be granted if the parent or legal
guardian of a minor student or a student who has reached
majority has been employed as a migrant worker in Michigan
for a minimum of two months each year in each of three of
the past five years or a minimum of three months in each of
two of the past five years prior to the date of the proposed
enrollment. Verification of employment is required. A
migrant worker is defined as one who travels to the State
of Michigan for seasonal employment.
Mr. Kendall supported.

Ayes: Cartwright, Curtiss, Gilmore, Kendall, Runkel, Zahnow
Absent: Arbury, Vaupre

Resolution adopted.
