Dear Ken

Lovely to see you at lunch just now.

I'm e mailing you my notes, just in case that is useful for you. As you'll see, there are various things we covered over lunch, and others that we discussed at lunch time eg: Flick's real self coming out in her love making with Paul; more 'fire' from Paul vis a vis his position as an ex military officer in control of things; more on the physicality of Michel, and such like.

I meant to say to you how much I was moved by the bit where M. Lemas is tortured in that gentle/cruel way. Ghastly, but very effective...

I'm sending you my marked mss by post, so it should be with you shortly.

Can you let me have a definitive title as soon as you can? And if we are to head for a December/January publication date, I really need to get cracking on jacket copy.

All best
Imogen <<Jackdawsnotes1.doc>>
