Below is account as told by [REDACTED] of
activities on December 5, 1978.

[REDACTED] received telephone call from American
Section of Police Dept. residence permit Bureau.
at 10:30 A.M. They asked her to come
to office concerning [REDACTED] for information
about James Nyfeler.

[REDACTED] went to office at 11:30 A.M. AND reported to
the Head of American Section. The police
officer asked for Mr. Nyfeler's passport and
residence permit. [REDACTED] informed him that
Mr. Nyfeler was no longer in Iran. He asked,
when he departed Iran. She told him he
left on June 19, 1978. He then asked
about Paul Buchta. She explained that Mr.
Buchta had also left Iran AND did not work
here anymore. He looked very sad and
said "I suppose the other two are gone
also." [REDACTED] asked which two. He
said Mr. Chipparone and Mr. Gaylord.

[REDACTED] said there were four files on his desk
that he was referring to with their residence
permit information in them, picture, etc.)

She said they were both here and she has
just picked up Mr. Gaylord's residence permit
this morning. He told her not to give
it to Mr. Gaylord. He instructed her to set
officially on his behalf and get Mr. Gaylord's
passport & residence permit along with

Mr. Chippokes and do it in a way not
to cause alarm on their part. Then
Bring back the documents immediately.

Nitza told him she could not bring today.
So he instructed her to bring in the
morning and she was officially responsible
for this. He insured there were
witnesses to these instructions. She
left the office at that time.
