

MERVIN L. STAUFFER

June 18, 1982

Mr. Ken Follett

Dear Ken:

This is the second letter I have mailed to you today.

I discovered that I had misinterpreted your letter. We will make copies of the manuscript which you sent to Ross and deliver them to the first sixteen people listed in your letter.

Sorry I screwed up in my first interpretation of your letter.

Sincerely,

A handwritten signature in dark ink, appearing to be 'M. Stauffer'.
