

Mr Alan Kaufman

NAL

11 November 82

Dear Alan,

Here is a copy of a letter from me to Lou Goelz which gives the latest position.

Here also is a letter from Henry Precht to me, with a copy of my reply. I don't believe Precht can sue me over the 'prick' story. Am I right?

The third (and I hope final) draft is three-quarters done and I will probably see you in New York in December.

Yours,

Ken Follett.
