6 December 82

Dear Dr Kissinger,

I am sending you a draft of my book The Bull and the Peacock. You may like to glance at it, to check that I have correctly reported what you told me during our interview. The relevant pages are 51-54, 82, 85-87, and 95-96. If you have any comments or corrections I should of course be grateful to hear them.

Thanks again ~~for~~ giving me an interview.

Yours sincerely,

Ken Follett.
