Mr. Ken Follett

Dear Ken:

I received the third draft copy today. Since this is my first day back on the job, it will be a few days before I can complete reading it.

The spellings you asked me to check are as follows: Jim Nyfeler, Harry McKillop, and Martinair.

We had a marvelous vacation. Without a doubt, the high point was being able to spend some time with you and Mary. We certainly did enjoy your hospitality.

Sincerely,

Mervin L. Stauffer
