

Mr Jay Coburn

EDS

14 March 1983

Dear Jay,

Lloyd Briggs has now read the manuscript and made a number of comments, of which the important ones are as follows:

(i) [REDACTED] (Abolhasan) was deputy director of PDS under Briggs (not administrative assistant to Paul).

(ii) During the evacuation Briggs negotiated all night with a Pan Am agent and finally paid \$187,000 for a block of seats.

(iii) Correct spelling: Bunny Fleischaker.

I presume he is right, and I will make changes accordingly unless you disagree.

Best wishes, as always,

Ken Follett.
