## YANKEE CLIPPER STILL DELAYED

FROM OUR OWN CORRESPONDENT

OTTAWA, JUNE 26

The Pan-American flying-boat Yankee Clipper is still at Shediac, in New Brunswick, waiting for favourable weather before inaugurating the air-mail service to England over the North Atlantic route.

As was reported in *The Times* yesterday, the Yankee Clipper was delayed at Shediac, because of thick fog at Botwood, in Newfoundland, the next place of call. From Newfoundland, the Clipper is to fly to Foynes, in Ireland, and from there to Southampton. The Clipper flew from Port Washington (Long Island) to Shediac on Sunday with 1,734lb. of mail, and should have left an hour later.

## HOUSE OF ASSEMBLY CELEBRATIONS

BARBADOS, June 26.—Barbados has given a special Address of loyalty to the King to-day to mark the tercentenary of the establishment of representative government in the island.

Special sessions of the Council and the House of Assembly approved this Address and also passed a resolution of greeting to the Speaker and the members of the House of Commons.

The House decided that special stained glass windows depicting the King and Queen, King Edward VII, and King George V, should be added to its collection. The portraits of British Sovereigns should be added to its collection. The centenary was kept as a public holiday, and a special set of stamps was issued.—*Reuter.*
