

THE INTERIOR

Our picnic grounds will be the site of an SVC-Delta picnic, scheduled for Wednesday, May 22, from 5-7 p.m. Staff, secretaries, administration and faculty are invited to attend, along with spouses. Please contact Ida Freid, ext. 208, if you plan to attend. However, no children, please.

Robert Braddock has been re-elected chairman of the History section of the Michigan Academy of Literature, Arts, and Science at its recent annual meeting. He will hold this position for one year.

Braddock has also been awarded a stipend from the National Endowment for the Humanities, to attend a seminar at Brown University this summer. The program will give him the opportunity to work with Dr. Anthony Molho, a recognized scholar in early modern Europe, and continue his own research project, using Brown's library. Braddock plans to continue his research on the nature of office-holding in the 16th Century, especially an examination of the reform of the Royal Household carried out under Thomas Cromwell in 1539-40.

Hsuan Chen has recently published "Energies and Mixing Ratios of Transitions in $^{72}\text{Ge}_x$ " in the February issue of Nuclear Physics. The article is the result of work started by Chen two years ago while doing postdoctoral research in the Physics Department at the University of Michigan. His work was supported in part by a grant from the National Science Foundation.
