THE BOARD OF CONTROL MET LAST NIGHT AND DID THE FOLLOWING:

-Approved the release of \$80,540 from the sale of the radio station, WSVL, which was donated to the college by Mr. and Mrs. Ned Arbury. The money, plus \$14,000 from a matching Federal grant for equipment, will be used to develop the college's Fine Arts program. The money will be spent as follows:

Art---\$3,500 (professional silk screen printing unit, gas-fired ceramic kiln, expansion of the photo darkroom).

Instrumental Music---\$18,140 (instruments, podium, magaphone, storage lockers, music, folders, stands, straight chairs).

Choral Music---\$3,900 (SVC jackets, storage lockers, music folders).

Theatre---\$49,000 (stage lighting, lighting board, patch board, counter weight system, stage draperies, acoustical control, light projection booth, adjustment of stage wings, stage apron).

Theatre Operation for 1975-76---\$10,000 (hiring a technical director to oversee the installation and operation of equipment).

Theatre Production Budget---\$10,000 (two dramatic productions and two musical productions).

-Allocated the full \$30,800 appropriated this fiscal year by the State Legislature for the college's Institute for Polish Studies. However, if the 1½ per cent reduction on all college budgets is imposed, this budget will likewise be cut. Dr. Ryder instructed Dean McCray to request Richard Wenek to provide a more detailed budgetary plan for Institute programs and activities; and will name a Presidential Committee next spring to determine whether the Institute is meeting its objectives and whether additional State support should be requested.

-Adopted a resolution asking the State Legislature to change the college's name to Saginaw Valley State College.

-Named the following persons to the Project 70's Review Committee: Adolph Ayala, Robert Braddock, Guy Lee (Chairman), Bernyce Smith, Frank Bernier, Wallace Chase, and Joy Hargrove.

-Approved expenditure of \$10,000 from Forward '71 monies for a feasibility study on the construction and financing of a Technology building.

-Heard a report from Mrs. Ann Dickey stating that the students responsible for the damage to Albert Napier's coat have stepped forward, admitted their guilt, and agreed to replace the coat.

-Approved a resolution naming the Picnic Grove by Wickes Hall in honor of Dr. William B. Owsley, first retiring professor of the college.
