CAMPUS NOTES

Dr. Walter T. James has been selected to appear in the fourteenth edition of "Who's Who in the Midwest," published by Marquis Who's Who, Inc. in Chicago.

Summer term enrollments are expected to be up by nearly 40 per cent this year, according to the Registrar's Office. An enrollment of 1,200 students is expected this summer compared to 856 last summer. Students are expected to generate more than 6,000 credit hours, compared to the 4,255 generated last summer. Open registration will be held on Monday, June 30, from 3 p.m. to 6 p.m. in Room 238.

The Criminal Justice program has qualified for renewal of the grant which sponsored the crisis intervention seminars for working policemen. Dr. Walter James said the \$14,826 grant will enable the college to continue the seminars which attracted capacity enrollment from state law enforcement agencies.

Dr. Tom Hearn's fictional essay, "The Lonesome Revenge of Wolley Segap" has been published in the Summer, 1975 issue of Buffalo Spree. Hearn says his piece is either a totally new genre or a book review of the Buffalo, New York, Telephone Directory.

Dolores Ramirez will be part of a panel discussion at the Summer Articulation Workshop for the Michigan Association of Collegiate Registrars and Admissions Officers, to be held at Lake Superior State College this Thursday and Friday. Ms. Ramirez and other college representatives will speak on "Latinos and College Admissions." The panel will introduce La Raza and the various groups it represents, and discuss the philosophies of educational institutions and their responsibilities to the community they serve.

Mrs. Mary Ruth Harsha has resigned her position of Registrar effective September 1 in order to enroll, as a junior, at the University of Michigan Law School. Mrs. Harsha, who has streamlined the registration procedure at SVSC, will move her family to Ann Arbor to complete her studies. She received her master's degree in American Studies from the University of Michigan.
