BOARD OF CONTROL

The Board of Control last night raised tuition effective with the fall trimester. The new rate is \$22 a credit hour, compared to the present rate of \$19 a credit hour. This includes the \$1.50 facility fee for the gymnasium. On-campus tuition for graduate students will be \$31 a credit hour; off-campus fees will be \$43 for both undergraduate and graduate students. Non-Michigan residents will pay \$55 a credit hour for undergraduate work, and \$63 for graduate work on-campus.

Eldon L. Graham, director of Engineering and Technology, was named to replace Dr. Walter T. James on the administration's team for negotiations with the Faculty Association. Larry Fitzpatrick, director of personnel, was named team chairman. Dr. James ends his duties with SVSC on June 30 when he becomes Academic Dean at Salem State College, Mass.

The State Joint Capital Outlay Committee has released \$70,000 for a study to determine the type of heating and cooling system needed for the campus. The study will be done by the firm of Harley, Ellington, Pierce, Yee Associates of Southfield. It will require about six months to complete. Following the student specifications will be drawn, and construction could start next year.

Dr. Ryder said the college is considering the installation of mobile units for next fall. These units are needed for faculty offices, administration, and classrooms. A final decision as to the number of mobile units to be installed is expected by the June meeting.

Enrollment for the Spring term is 1,421 students, up 4.7 per cent over last spring. Credit hours generated total 6,900, up 3.1 per cent over last spring. The outlook for fall enrollment continues optimistic. A total of 3,800 students are expected. Dick Thompson told the board 1,200 students are pre-registered now for the fall trimester, and credit hours total 13,286.

The Board approved the use of \$27,000 of Forward '71 funds for financial aid next year. Also \$24,400 of accumulated earnings in the Hoern Fund was approved for financial aid, but limited to students from the Bay, Midland, Saginaw area.

Dr. Ryder said some definite word on next year's State appropriation is expected this week. The Senate has approved an increase of \$640,000 in the college's budget. This now is before the House.

PROMOTIONS

Dr. Ryder announced the following promotions effective June 1. Dr. A. Jefferson Sharp, director of Development, will become vice president for Development and College Relations; Dr. Guy M. Lee will become administrative assistant to the president for Affirmative Action, and Stuart D. Gross, Director of Community Affairs,

will become Assistant to the President. Dr. Lee will continue as associate dean of the School of Education.

Dr. Anna R. Dadlez, currently an instructor at Ondonago Community College, Syracuse, N. Y., was named Director of the Polish Institute and assistant professor of modern foreign languages. She begins her duties July 1.

CAMPUS NOTES

The remodeling going on in the Chemistry and Biology labs is to make an office for a laboratory technician.

Remodeling of the two toilets on the north side of the second floor of Wickes Hall and the library will begin soon. The work will be completed by the time students return in the fall. The two toilets are being made into biology laboratories, and the library is being remodeled to provide for better book and periodical control.

Harriet Tillock has received her doctor of philosophy degree from Michigan State University.
