

The Interior

July 13, 1976

CAMPUS NOTES

The entire College--faculty, staff, administration, secretaries, clerks, custodians, wives, husbands, boyfriends, girlfriends, children, and grandchildren--are invited to the second annual SVSC Alumni Association picnic at 6 p.m. on Friday, July 23, at the south end of Parking Lot B. If it's raining that day, the picnic will be postponed until July 30. The cost will be \$2.50 for adults, \$1.50 for children under nine years of age. You need not bring anything. Just yourselves. The food will be furnished. Call Dale Harbin (Financial Aid) if you are planning to attend.

Among our travelers this year are John R. Broadfoot, director of continuing education, and Dr. Harold W. Peterson, dean of the School of Education, who, with their wives, are in Europe. They are part of the two-week concert tour of Holland, Germany, and Austria by the Midland Symphony Orchestra. While Mr. and Mrs. Broadfoot will be part of the audience, Dr. Peterson and his wife, Charlene, will be performing. Dr. Peterson is a trumpet player. Charlene, as most know, is an exceptionally fine concert soprano.

Remodeling of the library has been completed except for the buzzer on the north door. This is expected to be in place shortly. The north door will continue to be an emergency exit, but closed for entrance. Entrance to the library is by the south door. Remodeling of the two restrooms on the second floor into a plant lab and an animal lab also is about completed.

Bids on blacktopping the new parking lot, east of Wickes, will be taken today (July 13), and work should start on the job later this month. This lot, expected to relieve the pressure on Lot C, which serves Wickes Hall, will be lighted and controlled by gates. The gymnasium lot will continue to be a free lot.

Faculty recruiting for the fall term is about completed. Searches still are being conducted for three positions in the School of Education, one in nursing, one in mathematics, and one in psychology. Posts filled are in art, biology, accounting, management, and marketing.

The search for a new Information Services Director, to replace Stuart Gross, is expected to be completed in August. Dr. A. Jefferson Sharp, vice president for Development and College Relations, said he plans to begin personal interviews later this month. Gross has agreed to produce The Interior until the new director arrives.
