

The Interior

July 27, 1976

CAMPUS NOTES

The 1976-77 catalog has gone to press. It is not expected to be ready for distribution until about September 1. However, every effort is being made to get it here earlier.

Merlyn Mondol and Hero Singh were married Sunday. They will take a honeymoon trip to Baniff, Canada. Merlyn will be on sabbatical from her teaching duties in psychology for the next academic year.

A series of farewell parties have been given to two departing professors, who are moving this week. Dr. Phil Kumler goes to Freedonia State College, and Dr. Pete DeJong to Coe College.

The college has announced awards to some incoming freshmen. Three young women have been named recipients of the first Residential Life Scholarships ever offered by the college. These are based on high leadership potential and academic promise, and each will be given free room and board for two trimesters. Twelve other students have been named winners of full-tuition scholarships because of their high academic achievements in their high schools. These awards are renewable each trimester if scholarship is maintained.

The fall schedule of classes for the college will be printed in next Monday's editions of The Saginaw News, Midland Daily News, and Bay City Times. Look for it.

Those mobile classrooms and offices that you've heard about are still coming, and the promise is they'll be here by the time the fall semester opens. Once ready for occupancy, there'll be a series of moves involving nursing and the Office of Development. Both of these offices now are in dormitories.

Gloria Inman is looking for a girl to share a two-bedroom apartment in Bay City. For details call her at Ext. 261. Sue Hine also is looking for a girl to share living expenses. Call her on Ext. 248.

PERSONNEL

The School of Business and Management anticipates the availability of faculty positions in Accounting, Finance, Industrial Relations, Management, Marketing, and Economics. Most appointments will be at the assistant level

although some may be at higher ranks. One or more positions could possibly be available starting January, 1977, but most appointments will be for the fall term, 1977. Evidence of ability to teach at both the undergraduate and graduate level, to perform research and other scholarly activities, and to interact positively with the business and professional community is essential. In addition, the PhD or DBA plus substantial experience is required at levels above the rank of assistant professor and preferred at the assistant level. Consideration will be given to doctoral candidates in the final stages of completion of their degree. Send resumes and other credentials to Dean George M. Harmon, Saginaw Valley State College.

Switchboard Operator. \$3.08 an hour. Part-time, permanent position.

Secretary III - CETA position. \$2.80 an hour. Full time, permanent.

Saginaw Valley State College is an equal opportunity, affirmative action employer. These positions will be open exclusively to Saginaw Valley State College employes for one week. Persons interested should contact the Personnel Office.
