Campus Notes

SVSC opens its 14th year with an all-college meeting beginning at 9 A.M. Friday in the Theatre. Dr. Jack M. Ryder, president, will speak at the general session. All members of the college community, including students and supporting staffs, are invited. Skeleton crews will be maintained in offices. After the general session, there will be meetings of the various schools and divisions about the campus.

Classes will begin September 1, and there probably will be more than the usual confusion as students, and some new faculty, attempt to find offices and classrooms. Mobile units are in place at Cardinal Gym and the '66 and '68 buildings. New administrative offices have been added to the Wickes Hall annex. A new parking lot, east of Wickes, will be ready for use, and should ease the strain on the Wickes Hall lot. Enrollment will be up over last year.

New faculty hired for 1976-77 include:

Dr. Arthur B. Andrews, assistant professor of chemistry.
Dr. Dwayne T. Canon, assistant professor of political science.
Dr. Anna R. Dadlez, assistant professor of modern foreign languages and director of the Polish Institute.
Dr. William J. Doll, associate professor of management.
Dr. James E. Ford, assistant professor of sociology.
Dr. Russell T. Gingras, associate professor of accounting.
Mark L. Greenberg, instructor in English.
Dr. Douglas E. Hansen, associate professor physical education and coach of cross-country.
Karen J. Harper, associate professor of social work.
Dr. Stanley F. Mazur-Hart, assistant professor in psychology.
Robert J. Pandolfi, instructor in biology.
Larry J. Rankin, assistant professor of accounting.
Thomas R. Root, instructor in music.
Dr. Joseph L. Snider, associate professor of education and director of student teaching.
Dr. James B. Spalding, Jr., professor of marketing.
Dr. Richard J. Trdan, assistant professor in biology.
Dr. Gene C.H. Yang, associate professor in biology.
Matthew Zivich, assistant professor in art.

Appointment of John P. Rummel as director of information services has been announced by Dr. Ryder. Rummel formerly was director of advertising and public relations for Farmers and Manufacturers Beet Sugar Association. He begins his SVSC duties September 1.

Football

Football Coach Muddy Waters is putting his stalwarts through a two-a-day practice session getting in shape for the Cardinals' first game of the fall season September 4 against William Penn College, Iowa. The game will be played there. First home game this year is September 25 against Northeastern Illinois. Don't forget to get your season tickets and come out to the games.

Poulton-le-Fylde Visit

A party of eight persons from Poulton-le-Fylde College, England, will be on campus September 12, continuing the exchange between the two colleges. A group of 16 SVSC students, two faculty, and two staff members from the Saginaw County Juvenile Home program, visited Poulton College last spring. The September visitors include four students, two faculty members and their wives. Dr. W. Leslie Whittaker, in charge of arrangements, is seeking homes for the visitors. Those interested are asked to contact Dr. Whittaker.

Honors

Dr. Lynn Herkstroeter, assistant professor of French and German, has been nominated for the 1976 Outstanding Young Women of America Program.

About-the-Campus

We want again to draw your attention to some of the improvements on campus completed this summer. The inner courtyard of Great Lakes Halls dormitories is beautiful. A new sidewalk has been built from Doan Center to Parking Lot B, the soccer field lot. Parking lot at the theater has been expanded and black-topped. There will be a crosswalk between Parking Lot B and the mobile classroom units at the '66 and '68 Buildings. Transplanting of evergreens to beautify the campus will begin soon.
