CAMPUS NOTES

The new catalog, according to latest word from the printer, will arrive Thursday or Friday of this week.

Open registration takes place this afternoon in Wickes Hall. Enrollment was about 3,200 students going into open registration, and expectations are we'll have around 3,500 or 3,600 students enrolled when classes open Wednesday morning.

Physical plant is having two farewell parties, and everyone is invited. Harold Krueger, yard worker, will retire on Friday. Refreshments will be served from 3 p.m. to 4 p.m. Friday in the physical plant office. On September 14 there will be a reception in Doan Center from 3:30 p.m. to 4:30 p.m. for Mike Adighibe, who is leaving SVSC to enter graduate school in Minnesota.

Information will be circulated shortly concerning parking cards and regulations for the new academic year. The new cards, for those who use them, will be available in September. Sorry about the new parking lot. It was supposed to be ready for use, but isn't. However, it won't be long now.

In case you've got a headache and need the services of Mrs. Marietta Miller, the health center has moved from Wickes Hall to suite B-2 in Great Lakes Hall. Ted Nitz, counselor, also has an office in the same suite.

Dr. David E. Barker, assistant professor of French, was invited to attend the Institute for Curricular and Instructional Innovation in Language this summer at Indiana University. He presented a paper: "The Use of a Blend Language (Germlish) as an Introduction to Other Foreign Languages." Institute participants, studying ways of aiding non-traditional students with English and foreign languages, will meet again in Wisconsin in November and plan several workshops next spring.

There are 56 baby ducks in the pond just to the north of the campus entrance from Davis Road.

SVSC's Cardinals open the 1976 football season with a game Saturday night against William Penn College, Iowa, there. The home season opener is September 25 against Northeastern Illinois. Plan to attend, and greet not only the team but the marching band being put together by Tom Root.

All full and part-time employees of the college are entitled to one free all-sports pass. These passes must be picked up in person at the Office of Business Services, Robert T. Becker, Building '66. Additional passes can be purchased at \$7.50 per semester (or \$15 for the entire year) also at Becker's office. The passes admit the holder to any SVSC athletic event on the campus. Individual game tickets are available at the gate or at Becker's office.
