SCHOOL CLOSING POLICY ANNOUNCED

Monday night's heavy snowfall was a tangible confirmation that once more winter is upon us. For the 1976-77 school year, SVSC's storm and snow policy is that the College will remain open unless there is an official announcement to close it. Thus there will be NO announcement on area radio or television stations on snow days when the College will be open.

When severe storms occur and it is decided to close SVSC, announcements to that effect will cover two time periods. If day classes are to be cancelled, all Bay City, Midland and Saginaw radio and television stations will be informed accordingly by 7 A.M. and will be effective until 4 P.M., considered the start of evening classes. If evening classes are to be closed, another announcement will be made by radio and TV. If a severe storm occurs during daytime working hours between 8 A.M. and 5 P.M., department heads are not authorized to send personnel home early. This decision will be made only by College President Ryder or, in his absence, by Dr. Curtis L. McCray.

CHRISTMAS VACATION SCHEDULE SET

With Christmas arriving on a Saturday this year, SVSC will be closed all day on Friday, December 24, and again on Monday and Tuesday, December 27 and 28.

All administrative offices will be open on Wednesday, December 29 and Thursday, December 30. In observance of the New Year, all offices will again be closed on Friday, December 31. Normal College

operations will again be resumed on Monday, January 3, the beginning day of winter semester.

CHRISTMAS LUNCHEON PLANNED FOR DECEMBER 20

Following a fine turnout last year, another Christmas luncheon is being planned for all administrators, faculty, staff, and secretarial, clerical, technical and custodial employees. This year's event takes place on Monday, December 20, at 12:00 noon in the Gray Hall at Sullivan's North Restaurant. The price per person will be \$4.50 including tax and tip, and the buffet-style luncheon will feature four meats, a salad bar plus vegetable, potato and beverage.

Due to the limited amount of space, work study students will not be included in the event this year.

Reservations should be made by December 15 and sent to Alice Cornejo in the Personnel Office or Barb Jaski in the Business Office, with checks made payable to SVSC.

Hope you can join in this year's festivities to celebrate the Holiday Season!

ART DEPARTMENT PRESENTS SPEAKER

Nancy Thayer, former Director of the LeBeau Gallery of Saginaw, will be presenting a lecture on the Marketing of Art this Friday, December 10, from 12-1 P.M. in the Arts Workshop.

Ms. Thayer has her Master of Arts degree in Art from MSU and has taught at CMU and Alma College. She is very active in the business part of art and is a well known area artist who exhibits extensively.

DR. PARK TO PRESENT PAPER TWICE

A paper entitled "Migration Away from Agriculture" by Dr. Hong Youl Park, Assistant Professor of Economics, has been accepted for presentation at the June 20-23, 1977 annual conference of the Western Economics Association in Anaheim, California. More

Call X207 or 8 with news items.

than 1,000 participants are expected at the meeting, the second largest U.S. conference in the field of Economics.

Dr. Park will also give the paper during the April 14-15 meeting of the Southern Regional Science Association, sponsored by the University of North Carolina, where the paper has been accepted by the Center for Urban and Regional Studies. The SRSA conference will be held at Birmingham, Alabama.

BOOKSTORE ANNOUNCES HOURS DURING REGISTRATION

SVSC's Bookstore will be open during registration between fall and winter semesters at the following times: Monday through Thursday, December 20-23, 9:30 A.M.-3:30 P.M. Wednesday, December 29, 10 A.M.-3 P.M. and 5-6 P.M. Thursday, December 30, 10 A.M.-3 P.M. Monday, January 3 (open registration day) 12 noon to 6 P.M. Tuesday, Jan. 4, through Thursday, January 6, 8:15 A.M.-4 P.M. and 5:30-7:30 P.M.

Regular hours will be resumed the week of January 10, with the Bookstore open Monday through Friday from 9:30 A.M.-3:30 P.M. and Monday through Thursday from 5:45-6:45 P.M.

SLIDES NEEDED FOR CAMPUS PRESENTATION

If you have any good, clear slides showing campus activities, buildings, or any function of College operations, your Information Services Office would appreciate borrowing them briefly for possible use in a new slide/tape presentation currently being produced. Plans are to duplicate the best slides and to return all original slides undamaged. The new presentation will be used primarily by our Admissions Office and Speaker's Bureau and will incorporate the new musical theme presently being developed for the College.

DR. ANDREWES PUBLISHES PAPER

Dr. Arthur G. Andrewes, Assistant Professor of Chemistry, has had a paper published in Tetrahedron Letters entitled

"Structure of Xanthomonadin I, A Novel Dibrominated Aryl-Polyene Pigment Produced by the Bacterium Xanthomonas Juglandis." The paper is the second in a series dealing with a totally new class of bromine containing natural products.

PORTRAITS PLANNED FOR WEDNESDAY THROUGH FRIDAY

Free portraits of all faculty and professional staff persons will be taken at the Office of Information Services this Wednesday afternoon, December 8, from 2-5 P.M. and all day Thursday and Friday, December 9 and 10. No appointments are needed to have your picture taken, for use by the Information Services Offices. If you have had a recent portrait made, we would appreciate borrowing a black and white copy briefly so that it may be copied and returned.

Purpose of the portraits is to have updated photos in all faculty members' files, so that we can do a better job of publicizing papers, promotions and activities in which you may be involved.

TWO PAPERS PUBLISHED IN CHEMICAL JOURNALS

Dr. George W. Eastland, Jr., Professor of Chemistry, has recently had two papers accepted for publication. They are "Triphenyl Phosphonium and Arsonium Cations and Various Phosphoranyl and Arsonanyl Radicals Derived from Triphenylphosphine and its Oxide, Sulphide and Selenide and Triphenylarsine and its Oxide by the Action of Ionizing Radiation", to be published in Journal of the Chemical Society, Perkin (II). and "The Triethylenediamine Cation Radical: an E.S.R. Study", (to be published in Chemical Physics Letters).

In addition, he recently presented a paper entitled "E.S.R. Studies of Superoxide Ions Produced by Radiolysis in Alcoholic Media" at the Fall Scientific Meeting sponsored by the Midland Section of the American Chemical Society.

SEIDEL NAMED ACTING D.P. DIRECTOR

Donald D. Seidel, computer operator in data processing, has been named Acting Director of Data Processing, succeeding

Wayne Bohm, who recently accepted a position at Lake Superior State College. . A search and screen committee is presently being appointed and hopes to select a permanent replacement for Bohm shortly.

POLICY STATEMENT ON PARTIES

As the Holiday Season approaches and individual units of the College plan parties or open houses for faculty and/or staff during working hours on College property, please be reminded that such events should not interfere with normal operations and that the students and the public still need to be served.

Furthermore, current state law prohibits the consumption of alcoholic beverages on college property.
