MARCH 8, 1977

SVSC WRESTLER, MEN'S AND WOMEN'S CAGERS MAKE HEADLINES

Sophomore wrestling team captain Ralph Roberts of Swartz Creek became SVSC's first wrestling All-American by placing third out of 58 in the 167 pound weight class at the NAIA National Wrestling Championships at Eastern Washington State University last Saturday. He finished the season with a 27-3 won-loss record.

Seniorless and full of promise for a bright future, the SVSC Men's Basketball team closed out its finest season ever last week with a 23-7 record. After defeating Ferris State 78-76 in the semi-final game of the District Playoffs, the fighting Cardinals bowed out of the NAIA District Tournament at Grand Valley State College when they lost 76-62. Grand Valley, ranked number 7 nationally, brought a 27-2 season record into the game. Despite the loss, Dr. Robert Pratt's young cagers made their presence known, and the all-underclassmen contingency will obviously be a future power again next year in the Great Lakes Conference.

On the strength of an 18-9 regular season record and a second place finish in the College Division State Tournament, SVSC's highly touted women's basketball team advanced to the National Regional AIAW Tournament at Capital University in Columbus, Ohio. Coach Archy Robinson's charges will play host Capital University in the opening round at 5:30 p.m. on Thursday. Other teams in the tournament are from Wisconsin, Indiana, Illinois, Ohio and West Virginia.

Sophomore track captain Peter Hallop of Detroit galloped to ninth place in the two mile run at the NAIA National Indoor Track and Field Championships at Greensboro, North Carolina last week.

OPEN ENROLLMENT PERIOD THIS MONTH FOR BLUE CROSS

An open enrollment period will be held from March 10 - March 31, during which all SVSC staff members will have an opportunity to make deletions or additions to their present Blue Cross health insurance coverage. New Blue Cross cards will be distributed prior to April 15, according to the Personnel Office. The prescription drug rider, which will become effective April 20, 1977, will provide that no more than $2 will be required as payment for any prescription.

All changes to present coverage will become effective on April 20. Application cards for these alterations are available at the Personnel Office in the '68 Building.

LAST CHANCE FOR ANN OWSELY MEMORIAL CONTRIBUTIONS

Members of the SVSC Community interested in contributing to the Ann Owsey Memorial Fund are requested to send their payments to the Fund, in care of the SVSC College Development Office.

According to Dr. B.J. Gorden, coordinator for the fund, William "Bill" Owsey is doing well and sends his "thanks" to his friends at SVSC. He is pleased that the fund has been established and tentatively is thinking about using it to improve the picnic grove on campus named after him.

HOW ABOUT SPENDING AN EVENING WITH BACH, BEETHOVEN, BRAHMS AND OTHERS?

Members of the SVSC community and the general public are invited to spend Thursday evening (March 10) with Bach, Beethoven, Brahms, Lalo, Quilter, Schumann, Schonberg and others at the SVSC theater. Works by each of these composers will be featured in an 8 p.m. faculty recital by tenor Terry L. Flatt, his wife, pianist Rose Marie Flatt, and other members of the department of music. Assisting will be a string trio, consisting of Mary Anderson on flute, Loren Cady on violin and Arnold Taylor on viola. There will be no admission charge and the public is invited to attend.

For Saginaw Valley State College Employees. Published by Dept. of Information Services. Call X207 or 8 with news items.
CMU CHEMISTRY CHAIRMAN HERE FRIDAY

Dr. Quentin R. Petersen, Chairman of the Chemistry Department at Central Michigan University, will present a seminar entitled "Anomalous Steroid Ketal Rearrangements" this Friday, March 11, at 2 p.m. in 235 Wickes Hall. Coffee and donuts will be served, with the public welcome to attend.

CHOIR READY FOR FIRST OUT-OF-STATE TOUR

Fifty members of the SVSC College Chorale and Saginaw Valley singers will be touring Western Michigan and Indiana next Thursday through Saturday.

First performance by the group is on Thursday March 17 at 10 a.m. in the Belding High School auditorium, for persons in the Belding-Greenerville area. According to Choral Director Terry L. Flatt, the group next travels to Marywood Academy in Grand Rapids for a 1:00 p.m. performance. A morning concert on Friday March 18 has been arranged at Lafayette High School, Lafayette, Indiana. Final appearance will be at Purdue University in West Lafayette later that afternoon.

AGGRESSIVE WASHINGTON JOURNALIST HERE MARCH 17

Brit Hume, the young investigative reporter who discovered ITT lobbyist Dita Beard in 1972 and touched off the first of the great scandals which shook the Nixon administration, will give a public address at Doan Center on Thursday March 17 at 8 p.m.

Entitled "The Contemporary Presidency and the American Press", Hume's speech will demonstrate why he is regarded as a journalist of considerable stature, a fine writer, a dogged hunter of facts and a concerned human being. Hume, presently a general correspondent for ABC-TV News, was earlier a consultant for the "ABC Close-up" investigative series, and wrote the book "Inside Story" about his years with columnist Jack Anderson.

Hume has appeared on numerous national television programs and also wrote "Death in the Mines", based on his investigation of the United Mine Workers. His appearance will be sponsored by the Academy of Applied Philosophy.

INTRAMURALS TOURNEY NEXT WEEK

An intramural basketball tourney involving teams from SVSC, Northwood Institute and Delta College will be held at Cardinal Gymnasium on Saturday March 19. The top two intramural teams from each school will be represented at the games tourney, which begins with a ping pong tournament on Tuesday, March 15 at Northwood Institute and a billiards championship on the 16th at Delta.

CAREER SEMINARS WILL BEGIN MARCH 21

A series of career seminars opened to all SVSC students, alumni and the general public will be held on campus between Monday, March 21 and April 1.

Sponsored by the Career Services Center, the seminars will expose the students and the public to a wide variety of career information and employment possibilities. The ultimate objective is to enable participants to learn what alternative career options are open to them.

Employer representatives from a wide range of business, industry, social services, government and education organizations as well as SVSC faculty members will serve as consultants. Persons who want to learn what they can do with their major and what the outlook and location will be for employment should register with the career services center by March 21, via a personal visit or a call to ext. 273. The programs will each be 1½ hours in length.

BERNIER TO DISCUSS OSTEOPATHIC MEDICINE

Dr. Frank Bernier, director of admissions for MSU's College of Osteopathic Medicine and former director of Admissions at SVSC, will be at Delta College on Wednesday March 23 at 1:30 p.m. to discuss Osteopathic medicine with interested students and faculty. Bernier invites SVSC students and faculty to attend. Further information is available by calling 686-0400, ext. 207.
DR. DADLEYZ TO SPEAK AT TRI-COUNTY HISTORY CONFERENCE

Dr. Anna Dadlez, Director of SVSC's Institute of Polish Studies, will speak on "The Importance of Historical Studies in American Education" during the tri-county history conference on Wednesday March 23 at Delta College. Dr. Dadlez's 7:15 address will follow a 6:15 candlelight buffet dinner in conference room A and B.

GROSS TO AUTOGRAPH BOOKS ON MARCH 26

SVSC Assistant to the President Stuart D. Gross will be one of six authors from Toledo, Detroit and Saginaw who will be present at Jacobson's department store in Saginaw for a Saturday, March 26 "Author's Day". Gross will autograph copies of his books "Indians, Jacks and Pines" and "Trouble at the Grass Roots" from 11 a.m. to 4 p.m. Also the author of "The Stolen Christmas Star" he is currently writing a history of higher education in the Saginaw Valley, tentatively named "The Unfulfilled Dream".

COMPUTER SEMINAR MARCH 26 AND APRIL 2

Faculty and Staff members are invited to attend a computer seminar in 238 Wickes Hall on Saturday March 26 and April 2. According to Don Seidel, Acting Director of Data Processing, the purpose of the seminars is to demonstrate the capabilities of the MSU computer and the tools needed to utilize this facility.

Opening seminar at 10 a.m. on March 26 will provide an introduction to the MSU computer system and the remote job entry terminal presently being installed on campus for instructional support and research. Steven Huyser, manager of User Information Services for MSU and Seidel will chair the session, which will be followed by a 1:15 to 2 p.m. workshop. Session 2 is slated for 2 p.m. to 4 p.m. on Saturday, March 26, with session 3 on April 2 from 10 a.m. to 12 p.m., followed by a 1:15 p.m. to 2 p.m. workshop.

The final session will take place from 2 p.m. to 5 p.m. on the second, when Bill Brown, SPSS Consultant, User Information Services, MSU, will describe the Statistical Package for Social Science.

All registration forms must be submitted to the Data Processing Office by March 18. There is no charge for the seminar.

JAZZ CONCERT TO FEATURE CLARK TERRY

Jazz trumpet artist Clark Terry, the "World's Busiest Jazz Clinician", will be featured guest artist for a Tuesday, April 19 jazz concert at the Midland Center for the Arts. Sponsored by the SVSC Department of Music, the 8:15 performance will also include SVSC's Jazz Ensemble and Concert Band, plus an all-star select festival band from tri-county area high schools.

Admission price for the concert will be $4.25 for adults or $2.25 for students. Tickets are available by calling ext. 388 or through the Midland Center for the Arts.

"AIR PERSONALITIES" SOUGHT BY RADIO STATIONS

Students interested in an excellent opportunity to begin a career in contemporary radio are invited to call John Rummel, at ext. 207 for information about present openings with three area radio stations. Although each is presently a part time job, the stations involved have assured us that full time employment opportunities exist for talented "air personality" persons.
