NEW CATALOG, VIEWBOOK COMING NEXT WEEK

The all-new catalog and viewbook for SVSC is due on campus late next week, according to Publications Designer Paul Davis.

For the first time, the catalog and viewbook have been combined into one 92-page publication. The page size has been enlarged from 6"x9" in the catalog to 8½x11" to improve readability and allow two columns of type and photographs per page.

The new edition boasts a full-color photo of the College fountain on its cover, with 20 additional full-color photos of campus scenes and activities in the viewbook section. Modernistic kodalith pictures were also added as a design element by Davis.

An attractive type face known as "souvenir" was used for the body type this year and an additional 35 photographs were added to the catalog. The full text was read and proofed twice by Media Coordinator Roxonne Lelo. Examination copies should be available at the Office of Information Services on Friday, July 22.

MATH ANXIETY WORKSHOPS SLATED

If you can't handle figures, the solution might add up to mind over math. People who have a fear of math can find out during Math Anxiety Workshops on July 17-19. The sessions will be led by Drs. Joseph Warren and Stanley Kogelman, co-directors of Mind Over Math, Inc., New York.

A public demonstration is planned for 2-4 P.M. on Sunday, July 17, in SVSC's Doan Center. A two-part public workshop will follow from 5-8 P.M. on Sunday and again from 6-9 P.M. on Monday, July 18. Cost for the demonstration is $10.00, while the workshop fee is $15.00.

Another workshop designed specifically for math teachers and parents of children with math problems will be held at Doan Center on Tuesday, July 19, from 6:30-9:30 P.M. for a $15.00 charge.

Workshop organizers state that the sessions will free mathematics of the oppressive schoolroom test atmosphere and peer pressures that go with it. Participants will be shown how to begin to unlock the basic math skills they didn't realize they had, while becoming increasingly receptive to acquiring new facility with math.

Reservations are available through the Chrysalis Center at Ext. 385.

NON-DISCRIMINATION POLICY ADOPTED FOR THE HANDICAPPED

A college-wide policy statement concerning non-discrimination on the basis of an individual's physical or mental handicap was recently signed by President Ryder, according to Dr. Gay M. Lee, Jr., Administrative Assistant to the President for Affirmative Action.

The statement indicates that it is the policy of SVSC not to discriminate against the handicapped in its educational programs, activities, employment, admissions or financial aid. Besides having this policy, SVSC is required by Section 503 and 504 of the Rehabilitation Act of 1973 and the implementing regulations thereof not to do discriminate on the basis of an individual's physical or mental handicap.

Inquiries regarding the application of the amendments to the Rehabilitation Act of 1973 and the implementing regulations may be made to the Director of the Office of Civil Rights, Department of HEW.
Washington, D. C., or to Dr. Guy M. Lee, Jr., Administrative Assistant to the Pres. in charge of Affirmative Action at SVSC, Ext. 336. Dr. Lee has been designated as the College official responsible for all affirmative action programs including the Rehabilitation Act.

BREDHOLT NAMED TO COMMUNICATIONS COMMITTEE

Mark S. Bredholt has recently been appointed to the Communications Committee for the Michigan Synod of the Lutheran Church in America, according to Howard A. Christensen, Synod President. The committee is relatively new and serves a vital part in promoting synod activities, said Christensen.

Bredholt also serves as Coordinator of the Strength For Mission program at Our Savior Lutheran Church, Saginaw. SFM is a world-wide campaign of the Lutheran Church in America to raise funds for world missions.

DEPARTMENTAL PRINTING BUDGETS TO BE CONSOLIDATED FOR IMPROVED UNIFORMITY AND COST EFFECTIVENESS

Because of severe budgetary constraints for the 1977-78 fiscal year, President Jack M. Ryder has announced that all off-campus printing for the year will be coordinated through the Office of Information Services. The College hopes to realize a considerable cost savings through the consolidation, as the Information Services staff will be responsible for making certain that printing and typesetting vendors provide good service to the College at the lowest possible cost.

An additional objective with the change will be to achieve greater consistency in the printed work emanating from SVSC, to enhance our visual profile and upgrade our public image.

Forms are available through the Office of Information Services or the Office of the President on which each off-campus printing job planned during the coming school year should be listed. The completed forms should be submitted to the President's
