## HOMEcoming WEEK BRINGS FLURRY OF ACTIVITIES

Homecoming week activities come to a climax on Saturday afternoon with the SVSC-Youngstown State University football game, crowning of the homecoming queen at halftime, and the annual dinner/dance for students and alumni that evening.

Earlier featured events include a dinner theatre performance on Wednesday evening at 6 P.M. in Doan Center cafeteria, when the Alpha-Omega players will present the comedy "The Diary of Adam and Eve." Originally a short story by Mark Twain, the work was adapted as part of the Broadway musical "The Apple Tree". Faculty and staff members are invited to attend, with a cost of \$2.75 per person including the buffet meal. The jolly musical by the composers of "Fiddler on the Roof" combines humor and nostalgia with music to provide a new perspective on the lives of the first man and first woman. The Alpha-Omega players hail from Texas and have performed the play nearly 2,000 times while traveling over 1½ million miles.

Prizes of \$100, \$50, and \$25 will be awarded to the best three acts. Talent showcase tickets are \$1.00 for students and \$1.50 for others. A pep rally and bon fire will follow at 10:30 P.M. to introduce this year's homecoming queen candidates, the marching band, the cheerleaders, SVSC's new pom pon squad and the football team. Refreshments will be included.

## UNITED WAY NEEDS YOUR HELP!

Last year at this time the faculty contract had not been settled and as a result, many SVSCers did not contribute to the United Way campaign. With rising costs and inflation, the United Way of Saginaw County now needs your help. By giving to United Way, you eliminate 70 individual campaigns and lend a helping hand to thousands who truly need it. Last year 107,933 people were actually helped in Saginaw County alone.

The purpose of United Way is the raise and distribute money to its 70 local, state and national services according to proven need. The services financed by the campaign must submit monthly and annual budgets, which are carefully studied and checked by volunteer United Way committees. It is by far the most economical and efficient way discovered to date to perform this vital task.

Last year, SVSC's contributions dropped by over \$1,000 from the year before. Let's all do our part in 1977-78 to make up this deficit!

A pledge card is attached by which you can either pay your total pledge now or elect payroll deductions during the 1977-78 school year. A printing error on the cards under the payroll deduction section should read "Payroll deductions, according to our company plan, while employed during 1978" instead of "1977" as shown. Please complete your card and return it to the Information Services Office as soon as possible, so that we can get your validated receipt back to you. This year's theme is "You Make It Happen...in 100,000 ways!" Please do your part to make the slogan come true. Booklets explaining exactly how United Way operates are available from Information Services, by calling Ext. 207.
