NOVEMBER 8, 1977

PAY DAY MOVED UP TO THURSDAY THIS WEEK

Because all area banks will be closed this Friday, November 11, in observance of Armistice Day, pay day for this week will be moved up to Thursday, October 10, so employees can cash their checks.

Please make certain all employees of your department -- including student employees -- are told of this change.

DOCTORATES INCREASE AGAIN THIS YEAR

Although their degrees are in fields like Biology, Chemistry, Education, Math and Sociology rather than medicine, there are now a total of 75 "doctors" on staff here this fall.

In addition to administrators who hold Doctor of Philosophy or Doctor of Education degrees, 3/4 of SVSC's full-time faculty members have earned their doctorate degrees. This constitutes one of the highest percentages at any Michigan college.

The unusually large ratio of doctors has resulted because of SVSC's small size. With just 3529 students, the institution does not use graduate assistants as instructors. Persons with earned doctorates in each academic area are on board not only to meet accreditation requirements but also to give students an adequate depth of knowledge in the subject.

Unlike most larger colleges, all faculty members at SVSC -- including departmental chairmen and academic officers -- are required to teach and advise students.

"The excellence of our faculty is the strongest asset at SVSC," says Dr. Robert S.P. Yien, Acting Vice President for Academic Affairs. "Our instructors try to give individualized attention wherever possible and have a genuine interest in their students. That helps to make up for our lack of adequate classroom and laboratory space."

The current SVSC administration and faculty members have received schooling themselves at some 250 institutions of higher learning across the world. They have teaching or administrative experience in all but two of the 50 states. Fourteen nationalities are represented in the group and men outnumber women by a 3:1 ratio.

Because some specialized fields like engineering and technology or nursing do not offer doctoral level preparation, the master's degree is generally considered the highest level of education possible. Taking this into account, 82.5% of the current SVSC faculty hold terminal degrees in their academic fields.

Biographical articles and photos of new faculty members have been sent to area media for publication. This fall's crop of new faculty includes: Shiv K. Arora, Associate Professor of Marketing; Herbert N. Ashley, Assistant Professor of Marketing; Albert E. Busch, Associate Professor of Management; Wayne E. Mackie, Assistant Professor of Finance; James L. Mitchell, Professor of Accounting; Kyungsu Rhee, Assistant Professor of Management; Mrs. Janalou Blecki, Assistant Professor of Nursing; Mrs. Pamela S. Chally, Instructor in Nursing; Mrs. Lois M. Deleruyelle, Assistant Professor of Nursing; Mrs. Margaret M. Flatt, Assistant Professor of Nursing; John C. del Regato, Assistant Professor of Education; David M. Kirsner, Instructor of Spanish; Jose Ricardo Pastor, Associate Professor of Foreign Language; and Norman Woronoff, Assistant Professor of Social Work.

BUSY WEEK ON CAMPUS

Special events mentioned previously in the Interior which are coming to campus this week are listed here once again as a reminder:

- Foreign Language Day takes place in the College Gymnasium, Theatre and at Doan Center this Friday, November 11, beginning at 10:00 A.M. Between 400-500 area high school students from approximately 25 schools will be on campus to learn how foreign languages are useful tools and will compete in a skit/song/dance contest and a poster contest using the theme "Advantages of Knowing a Second Language." Special booths will show job opportunities with area employers, Vista and Peace Corps for bilingual students. The Modern Foreign Language Department is sponsoring the language smorgasbord.
- Professional ballet comes to campus on Friday, November 11, at 8:00 P.M. in the College Theatre, with a single performance by the elite National Ballet of Illinois. The well-traveled company consists of 25 dancers between ages 17 and 23 who will perform Pas de Quatre, Fantasy Flowers, Tarentella and Facade. Tickets are still available from the SVSC Activities Office for \$3.00 general admission or \$1.50 for SVSC students, faculty, staff and administration. Call Ext. 525 to hold tickets.
- Complete with their new red, white and blue uniforms, the SVSC Marching Band will perform their second annual indoor marching band concert this Sunday, November 13, at 3 P.M. in the College Gym. The concert will consist wholly of original arrangements and features for various sections of the band by Root, with everything from "Star Wars" to hits from American musicals, popular music, dance music, marches, school songs, rollicking Dixieland and other special features. And the price will be right -- admission is free, says Tom Root, Director of Bands.

-- An International Buffet Dinner sponsored by the SVSC Women's Club is coming next Saturday, November 19, at 7:00 P.M. in Doan Center. Cost is just \$1.25 per person payable at the door, to cover the cost of food service, plus a dish to pass for at least 8-10 people. Coffee, tea and a domestic wine plus excellent camaraderie will be provided. Reservations are due today by completing a simple form at the faculty receptionist's desk on the third floor of Wickes Hall.

ANNUAL FOOTBALL BUST IS THURSDAY, NOVEMBER 17

The 1977 SVSC football team invites you to attend the annual football bust on Thursday, November 17, at the Bavarian Inn in Frankenmuth. The evening begins with a hospitality hour at 7:00 P.M., with the banquet served at 7:30. Featured will be family-style chicken, roast beef, and ham. All faculty, staff and administrative members are invited to participate. Tickets are \$9.00 each, and reservations can be made by phoning Debbie Tambs at Ext. 521.

CROSS COUNTRY TEAM GOING TO NATIONALS

With a near-perfect score of 19 points at last Saturday's NAIA District 23 cross country championship held here on campus, the SVSC cross country team will be participating in the national meet at the University of Wisconsin, Madison. Team captain Pete Hallop paced the squad with a record-setting time of just 24 minutes and 56 seconds for the five-mile course. Pat Fitzgerald finished third, while Mike Heath was fourth, Brad Shaw was fifth, and Mike DuCharme was sixth for SVSC. Ken Jerzierski finished tenth while Greg Henry placed 12th in the event, where a total of eight colleges participated. Thus 7 SVSC runners received all-state awards, while Hallop was named District 23 Runner of the Year and Coach Dr. Doug Hansen was honored as District 23 Coach of the Year for the sixth time.

Placing behind SVSC were Aquinas College with 70 pts., Ferris State College with

78, Spring Arbor with 122, Hillsdale with 128, Grand Valley with 157, Northwood Institute with 180 and Lake Superior State College with 230.

HAMILTON PRESIDENT-ELECT OF CO-OP EDUCATION GROUP

Eugene Hamilton, Director of the Center for Placement and Continuing Education at SVSC, is president-elect of the Midwest Cooperative Education Association. The organization, which presently has 300 members from education and business, represents seven states including Michigan, Indiana, Ohio, Illinois, Wisconsin, Minnesota and Iowa.

Hamilton will become president of the group next November, succeeding 1977-78 president Harold Evans, Manager of Professional Employment for B. F. Goodrich Company, Cleveland, Ohio.

MCEA is a service-type association which conducts studies and surveys to assist both colleges and business. The group holds data exchange seminars and is presently establishing an information exchange and training institute series on a regional basis within the state of Michigan. The rapidly growing association is just three years old and expects to increase to 500 members by next fall's annual conference in Chicago. Membership between businesses and educational groups is almost equally balanced. Several employers represent tri-county business interests, and numerous Detroit or Flint-based industries or businesses also participate.

Hamilton served as a consultant for the U. S. Office of Education in Washington to evaluate federal cooperative education proposals last spring. On the recommendation of the Office of Education, he has also served as a consultant to colleges in Michigan, New Jersey, Pennsylvania, Wisconsin, Minnesota, Missouri, Virginia and Kentucky. He has also worked to establish training programs between employers and colleges and has been involved with several tri-county employers through cooperative training programs.

Employers interested in joining MCEA can obtain information about the association through Hamilton by phoning Ext. 205. Annual membership fee is \$5.00

LISTENER'S PERMIT CLASSES AVAILABLE THROUGH PLACEMENT AND CONTINUING ED CENTER

If you know of students interested in signing up for Listener's Permit courses during winter semester 1978, please remind them that permits are to be obtained between 8 A.M. and 4:30 P.M. from the Center for Placement and Continuing Education, 340 Wickes Hall. After 4:30 P.M., they will be available from the Office of Evening Services, 316B Wickes Hall. The Listener's Permit fee is \$15 for each course desired, payable to SVSC.

PLAY-BY-PLAY TYPIST NEEDED

If you enjoy watching SVSC's superb men's basketball team, can type, and want to earn \$8 per game, call SID Kevin Brazell at Ext. 521 now. Needed is a play-by-play typist for home basketball games, and Brazell has further information on this part-time temporary position.

PERSONNEL

INSTRUCTOR OR ASSISTANT PROFESSOR OF NURSING - (Pediatrics or Community Health Nursing). Winter Semester, 1978.

ASSISTANT/ASSOCIATE PROFESSOR OF SOCIOLOGY - (Anticipated Fall, 1978).
