## TELEPHONE "CUTOVER" COMING FRIDAY

Michigan Bell Telephone Company executives have announced plans to "cutover" from the College's present PBX system to an all-new Dimension 2000 system this Friday, May 26. At that time, the main College number will change from 793-9800 to 790-4000. The 695-5325 number to and from Midland will not be altered.

Under the new system it will be possible to expand the total number of campus telephones from approximately 500 at present to 2,000 in the future. Each campus phone will have a unique 7-digit number, said Bob Becker, Director of Business Services. Persons from the outside will be able to dial any campus phone directly, provided they have the full number. In such cases, it will no longer be necessary to go through the College operator.

On campus, the final four numbers will allow employees to contact other offices in the College.

Training sessions put on by Michigan Bell representatives are scheduled for Wednesday and Thursday, May 24-25, in the Pioneer Hall reference library on the second floor. If you have not received a letter from the Business Services Office informing you of the preferred time for you to participate, please phone Ext. 209 immediately so you can be assigned to a group.

The new system will offer considerably greater telephone flexibility than has been possible in the past. When you are away from your desk, it will be possible

to have calls transferred automatically to a phone at your temporary location. Conference calls will now be considerably easier to arrange and persons outside the College will be able to dial the phone on your desk directly if they have your number.

A new interim phone directory is being distributed this week by the Personnel and Business Services Offices. Postal cards are also available from Business Services to inform those off campus of your new number.

## NINE WIN \$1640 SVSC SCHOLARSHIPS

Nine SVSC students have won residential life scholarships worth \$1,640 each for the 1978-79 school year. The awards are for dormitory residents who have displayed strong leadership abilities, extensive extracurricular participation and high academic attainment.

Incoming freshman students selected for the scholarships are: Sonya Besko, 204 N.E. Court Street, Ovid; Aletha Boyce, 27127 Notre Dame, Inkster; and Dennis Witherspoon, Lawitzke Road, R#1, Port Hope.

Renewals of residential life scholarships were awarded for a second year to: Terry Ann Anthony, 19458 Beech-Daly Road, Detroit; Brian Hardy, 1432 Fischer, Detroit; and Lynn Margeurite Haggerty, 760 N. Maple Grove, Carsonville.

Third year renewals went to: Cindy Ponichtera, 3550 Schust Road, and Judy Sabatino, 3605 W. Southfield, both of Saginaw, and Lori Survant, 8901 Siefert Road, Whittemore.

## TRISKELIONS MAKE LARGEST DONATION TO DATE

The Triskelions, an organization of area women devoted to raising scholarship money for SVSC students, presented President Jack M. Ryder last Wednesday with a check for \$15,000, the largest annual contribution in the group's 11-year history.

For Saginaw Valley State College Employees.  
Published by Dept. of Information Services.  
Call X207 or 8 with news items.

More than 400 students have now received merit scholarships from the Triskelions, who surpassed \$126,000 in total contributions to the College with this year's donation.

Most of the money has been generated by the organization's two business enterprises, the on-campus gift shop and the consignment shop, located in Midland. This year, the consignment shop accounted for \$12,000 of the total, with the gift shop raising \$3,000.

#### INFORMATION SPECIALIST HIRED

Wayne M. Hearn, 325 River Drive, Bangor Township, Bay City, has been hired as information specialist in the SVSC Office of Information Services.

Hearn, 28, will assist in the preparation of news releases, brochures and photographic materials and will work with members of the local press in their coverage of the College.

After earning a Bachelor of Science degree in journalism in 1973 at Southern Illinois University, Carbondale, he served as editor of The Fulton Democrat, Lewiston, Ill. for a year and later worked on the state desk of The News-Gazette, Champaign, Ill.

In December 1977, he married Linda Jones, staff reporter at the Bay City Times, in Warren. Hearn is a native of Monee, Ill., and a 1967 graduate of Crete-Monee High School, Crete, Ill.

#### GOLFERS TO GO TO TEXAS

The SVSC golf team will be in Huntsville, Texas, June 6-9 to compete in the NAIA national tournament at Sam Houston State College, with hopes of finishing in the top ten.

Representing the College will be Steve Yockey, Swan Valley; Steve Brady, Eisenhower; John Miles, Davison; and Matt Reitter, Bridgeport. The fifth spot will go to either Hiro Suzuki, Tokyo,

Japan; Jim Dusek, Petoskey; or Dan Dijack, Saginaw St. Stevens; based on a 72-hole playoff at Bay Valley. Coach Bob Becker says this is the strongest team he has directed at the College.

This will be SVSC's fourth appearance at the national tournament. The team won the right to go this year by beating Ferris State in the district playoff May 8 & 9.

Coach Becker has also announced the signing of five new players for next season: Jim Quellman, Oscoda High School; Bob Doyle, Goodrich High School; Mark Jaeger, Essexville Garber High School; Jim Goshman, Vassar High School; and Pat Waldie, Owosso High School.

#### FIVE WOMEN BASKETBALL PLAYERS SIGN

SVSC Women's basketball coach Archy Robinson has announced the signing of five top high school prospects who will receive athletic assistance grants beginning fall semester 1978.

The new players are Diane Hird, Bay City, point guard; Sandy Clor, Redford, center; Mary Lenhard, Gagetown, swing guard and forward; Carolyn Crump, Ferndale, guard; and Yvonne Joplin, Milan, forward.

#### THIRTY COPIES NEEDED FOR BOARD

Persons preparing reports or other "hand-outs" to be distributed at monthly College Board of Control meetings are requested by Mrs. Opal Colvin, Administrative Asst. to the President, to furnish her with 30 copies in advance of the Board meeting. Under the Freedom of Information Act, SVSC is required to supply newspaper reporters, other media representatives and interested members of the public with copies of any materials presented to the Board, whether as part of an oral report or simply for informational purposes. Persons with questions are requested to contact Mrs. Colvin at Ext. 202

## PEOPLE IN THE NEWS

-- Dr. John C. del Regato, Assistant Professor of Education, presented two papers at national meetings in April. The first, "Acoustical Mathematics Instruction" was presented at the Council of Diagnostic and Prescriptive Mathematics meeting in Scottsdale, Arizona. The second, "Auditory Approaches to Teaching Mathematics," was presented at the National Council of Teachers of Mathematics meeting in San Diego.

-- Dr. John V. Jezierski, Associate Professor of History, has been awarded a \$1,500 Newberry Library Grant to prepare a handbook for area teachers to deal more effectively with state and local history. The material will be based largely on the work of the Goodridge brothers, a Black photography team who operated out of Saginaw in the late 1800's, and will emphasize existing sources of local history, such as old buildings, museums, artifacts, antiques, plus oral accounts. The grant from the Chicago-based Newberry Library is funded by the National Endowment for the Humanities.

-- Dr. S. K. "Tom" Yun, Associate Professor of Physics, accompanied members of the SVSC Physics Club to the Fermi National Accelerator Laboratory and the Argonne National Laboratory near Chicago on May 5 & 6. The visits were arranged by the Physics Department in cooperation with the two laboratories. The Fermi Lab tour included a look at the facilities and research activities in the pre-accelerator, linear accelerator, and the world's biggest proton synchrotron "atom smasher", whose circumference is over four miles. The Physics Club also visited the site of the first nuclear chain reaction and toured the University of Chicago campus, including the Fermi Institute for Nuclear Studies and Physics Department. At the Argonne Lab, they observed various research activities on the experimental nuclear reactor, zero-gradient synchrotron, superconducting magnets, solar

energy research and computer facilities.

## PERSONNEL

SENIOR SECRETARY - Residential Programs.  
Full-time permanent. \$3.53 per hour.

This position will be open exclusively to SVSC employees for one week. Persons interested should contact the Personnel Office. SVSC is an equal opportunity employer.
