SVSC GROWTH PATTERN CONTINUES

Final enrollment figures for fall semester 1978 show that SVSC apparently has continued to hold its position as Michigan's most rapidly growing public four-year college. With this fall's headcount at 3,706 students compared with 3,529 a year ago, SVSC is reporting a 5% increase in number of students.

Since Fall 1973, when enrollment was 2,223, there has been a 66.6% growth, ranking SVSC Number 1 in terms of greatest growth over that time. Each year the headcount has increased, from 2,531 in 1974 to 3,209 in 1975, 3,332 in 1976, and 3,529 last year.

Total credits generated this fall are 33,799, a 3.6% rise from 32,599 a year ago.

The number of first-time-in-college new students this year is 591, exactly 50 more than last year, for a 9.2% growth. The number of readmitted and returning students is up 9.1%, from 2,163 to 2,361.

"Another significant trend we've found is that our new freshman students have signed up for 12.8% more credit hours than their counterparts a year ago," said Director of Admissions Richard P. Thompson. "We're elated by the growth, especially in a year when, due to an improved job situation, many persons are working instead of going to school."

Although the final figures are not yet in from all other colleges, preliminary indications are that many have experienced declines or merely held even this fall.

Particularly encouraging to Thompson is the fact that the freshmen attending for the first time this fall are signing up for more classes on the average. "We think this is because more of them are living in the dorms and coming from more distant parts of the state. We continue to have a large number of part-time students as in the past, but it appears that our full-timers are increasing as well," Thompson continued.

"They are telling us they chose SVSC because of the high regard held for our faculty and the small size of the institution. Other factors include small classes taught directly by professors rather than graduate assistants, and a compact, conveniently located campus. In some cases this is also influencing handicapped students, but another reason they give is the newness of our buildings which has enabled the incorporation of barrier-free designs," he concluded.

SVSC's dorms are also packed this year, with 466 signed contracts received, an all-time record -- versus 396 last year.

GET-TOGETHER SLATED WITH DELTA

A fall get-together for faculty and administrative staff members with their counterparts at Delta College has been scheduled for Thursday, October 19 from 3:30 to 5:30 p.m. at Delta College. The meeting will take place in Emeritus Faculty Rooms A, B, and C.

From 3:30 to 4 p.m., coffee, punch and cookies will be served.

At 4 p.m., faculty meetings will be held in the following groups:

#1 English and Humanities Division
#2 Math Divisions
#3 Science Divisions
#4 Nursing and Allied Health Divisions
#5 Social Science Divisions
#6 Technical Divisions
#7 Business Divisions

Suggested faculty topics are on exploration of ways of exchanging faculty between the colleges for one or more semesters, initiation of
discussions on the mutual use and benefit of sharing lab facilities, and discussions of course articulation or the sequencing of courses.

Administrative staff members will meet in three groups with Group 1 for student services, Group 2 for Business, Fiscal and Personnel Affairs, and Group 3 for general administrative staff members. The administrative groups will seek ways that lead to better cooperative efforts between the two colleges.

ELLIOTT ELECTED BY ABLA

Dr. William G. Elliott, professor and chairman of Business Law and Finance was elected second vice-president of the American Business Law Association during the group's 55th Annual Convention in College Park, Maryland recently.

His election means that Elliott will become vice president of the group next year and its president in 1982-83. He previously has been secretary/treasurer and will have responsibility for the 1980 Convention in San Francisco. He is also business manager of the American Business Law Journal, the leading journal for publication of articles related to the undergraduate study of Law.

SVSC WOMEN'S CLUB ELECTS

New officers of the SVSC Women's Club for the 1978-79 school year are headed by Mrs. Diane Thaler, 2316 Collingwood Drive, Saginaw.

Vice President of the group is Mrs. Linda Levenson, also of Saginaw. Mrs. Barbara Mitchell of Midland is recording secretary, while Mrs. Nancy Mackey of Frankenmuth is corresponding secretary and Mrs. Vonnie Pelzer of Saginaw is treasurer.

SVSC PUBLIC SAFETY HEAD ELECTED

Zane L. Rybkowski, director of Public Safety at SVSC, has been elected vice-president of the Michigan Association of Campus Law Enforcement Administrators at the group's annual meeting this week in Kalamazoo. He will succeed current president Fred Roll, directory of Safety at the University of Michigan -- Flint, next September.

35 state and private colleges and universities in Michigan are members of the law enforcement group. Rybkowski has served on its Board of Directors for two years.

An article by Rybkowski on SVSC's public safety department has recently been accepted for publication in "Campus Law Enforcement Journal", official magazine of the International Association of College and University Security Directors.
BRADDOCK TO APPEAR

Dr. Robert C. Braddock, associate professor of history and chairman of the history department, will appear on the Wednesday, September 27 "Day by Day" television program on Channel 19 to discuss the merits of liberal arts vs. career-oriented education.

Also on the program will be David Frye, academic dean for Northwood Institute and the associate dean for liberal arts at Delta College. The program appears from 3 to 3:30 p.m. and is re-broadcast on tape at 7 p.m.

CLARIFICATION MADE OF EARLIER ARTICLE

We regret that the term "computer facilities" in the Interior's September 12 report of the September 11 Board of Control meeting may have been incorrectly interpreted out of context by some. As used in the article, "facilities" referred only to computer hardware or machinery, not to manpower in the data processing department. We regret any inconvenience this may have caused to our DP personnel.

WHO'S WHO NOMINATIONS DUE

For persons interested in nominating qualified students to Who's Who Among Students in American Colleges and Universities, nominations will be accepted by John C. Burkhardt, Chairman, Who's Who Committee, Department of Campus Life, no later than October 8.

In order for a student to be considered, he or she must meet the following criteria: Scholarship ability, participation and leadership in academic and extracurricular activities, citizenship and service to the College, and potential for future achievement. As well, only juniors, seniors and graduate students matriculated in a four-year undergraduate or graduate curriculum are eligible for nomination. Call extension 4260 if you have further questions.

CARDINALS TIE FERRIS STATE, 17-17

As everybody knows, a tie is like kissing your sister. It feels good, but it sure doesn't mean much. That's how SVSC's Fighting Cardinal football team felt Saturday when they tied the Ferris State Bulldogs. This makes their record an even 1-1-1. The Cardinals take on Youngstown State University (2-0) in a night game in Youngstown Saturday, September 30.

CROSS-COUNTRY TEAM IS BEST IN NAIA

The powerful SVSC cross country team continues to get stronger.

The Cardinals won the NAIA division at the USTFF (U. S. Track & Field Federation) Midwest Championships at Kenosha, Wisconsin Saturday and were third overall among 18 colleges.

Duane Johnson of Midland paced the Red and White with a ninth place finish for the five miles in 25:45. Greg Henry was 15th and Rob Bostater 23rd.

SVSC also did very well in the Spring Bank International Meet on Sunday. They will be hosting the SVSC Invitational meet this Saturday, September 30 beginning at 11 a.m. on the College campus.

SVSC GOLF TEAM RECEIVES HONORS

The Cardinal golfers traded wins with the University of Windsor in two separate tournaments September 18 and 19. On September 18, the University of Windsor Invitational was won by SVSC with low score of 298. UW was second with 303. Steve Brady took medalist honors for the tournament, shooting low score of 70.

On the 19th, in the St. Clair College Invitational, Windsor won with a 302, beating SVSC by one stroke at 303. Steve Yockey was low shot for the Cardinals with a 74.

BREEDHOLT SPEAKS ON SUPPORT GROUPS

Mark Breedholt, staff assistant for academic support services, recently spoke on "Support Groups: The Human Bond" at a retreat of district 5 Lutheran Church Women held at Fairview, Michigan. The group, representing Saginaw Valley and Northern Michigan churches, learned how information about support groups is related to human energy.
TWO TO SPEAK AT NATURE CENTER

Two SVSC faculty members will speak at the Chippewa Nature Center in Midland next month. Slated for 8 p.m. on Thursday, October 5 in the Nature Center Auditorium is Dr. John Jezierski, associate professor of history, who will present a slide presentation and discussion about "A Familiar Frontier," the development of this area of Michigan.

On Sunday, October 8, Marilyn M. Oeming, lecturer in Humanities and English, will present the greenhouse poems of "Theodore Roethke," Pulitzer-prize winning poet from Saginaw. She will also appear in the Nature Center Auditorium.

CREDENTIALS DEADLINE NEARING FOR PRE-MED STUDENTS

SVSC students interested in medical careers have a deadline of November 1 to submit their credentials to the College's pre-medical careers committee. Faculty members are requested to remind students who wish to enter graduate school in fall 1979 of this deadline. The committee, which consists of Drs. Albert Plaush, Walter Rathkamp, Barron Hirsch, and personal counselor Ted Nitz will then assist the students in gaining acceptance to the school of their choice through strong recommendations and advice on the types of information which medical admissions committees need from applicants. Plaush and Hirsch will attend the annual meeting of Michigan Medical Advisors this Friday to learn about prospects for next fall. Over the years, more than half of the SVSC students have been able to gain admission to the graduate schools and areas they desired.
