UNITED WAY PLEDGES UP; GRAHAM WINS FREE DINNERS

Final report figures for the recently completed Saginaw County United Way campaign show that members of the campus community contributed $4,596 this year. As a result, the College goal of $3,828 was exceeded by more than $700. A year ago, just $1,914 resulted from the College-wide effort. President Jack M. Ryder was chairman of this year's United Way Fund Drive.

Each person who pledged $20 or more received one ticket for the first $20 plus one for each additional $10 for a special drawing, which awarded $30 for two meals at an area restaurant of the winner's choice. Selected as winner was Eldon L. Graham, acting director of the Division of Engineering and Technology.

RED & PINK MEMO PAPER AVAILABLE

Already appearing across campus are attractive new "memo" letterheads to be used for all future SVSC internal correspondence. Produced by the campus Copy Center, the distinctive "memo" letterheads are printed in red ink on pink paper to avoid any possible confusion with official campus letterheads.

"Our plan is to use the pink "memo" letterheads, which do not have the address or phone number for the institution, for all future internal communications," said Bob Becker, director of Business Services. "The more expensive thermograved letterheads with raised red and blue type are to be restricted to off-campus communication."

The pink on-campus "memo" letterheads are now available through Central Stores and should be added to your current Central Stores catalog under the heading of "Stationery" as stock #365. Cost is $2.00 per ream, considerably less than the red, white and blue official College letterhead.

PAUL HARVEY COMING TO SVSC

Radio commentator Paul Harvey, called by some "The Voice of the Silent Majority", will be speaking at Saginaw Valley State College on Friday, March 2. His address, at 8 p.m. in Cardinal Gymnasium, is being presented by WXOX radio.

The one word used most often to describe Paul Harvey and his broadcasts is "courageous". He has been referred to as the "burr under the saddle of the American conscience". His broadcasts and newspaper column have been reprinted in the Congressional Record more than those of any other commentator.

Paul Harvey News is the world's largest one-man news network, comprised of 120 TV stations, 300 newspapers, and 812 radio stations plus 400 additional stations on American Forces Radio all around the world.

The recipient of nine honorary degrees, Harvey has earned 11 Freedom's Foundation awards and has been elected to the Hall of Fame in his home state of Oklahoma. Other honors include: Commentator of the Year, Salesman of the Year, American of the Year, and the Gallup Poll list of America's Most Admired Men.

Some 1 million people each year hear Paul Harvey in person, and he combines a spellbinder speech with gestures by the score, rapid-fire delivery with effective pauses, and a rhetoric which calls his fellow Americans to action.
Tickets are $7.00 each and are available by calling 893-4588 or at Saginaw Valley Big Boy Restaurants, Momburg Camera in Bay City, Stagecoach Restaurant in Midland, and from area Amway distributors. They will also be sold at the SVSC Campus Activities Office on campus at ext. 4260.

VALENTINE ROSES AVAILABLE FOR YOUR CAMPUS FAVORITE

Again this year, Campus Activities will have roses available for Valentine's Day. Now is the time to place your order for that special someone on campus for $1.75.

You can have a single long-stemmed rose with vase delivered anywhere on campus next Wednesday, February 14 for Valentine's Day. Or, for $2.25, you can send a rose, Danish, and coffee.

All orders must be placed and paid for not later than next Monday, February 12 at 4:30 p.m. Contact the Campus Activities office at ext. 4260 today. Deliveries will be made next Wednesday between 8 and 10 a.m.

MOTOR POOL NOW A DIVISION OF PUBLIC SAFETY

All requests for SVSC Motor Pool vehicles should now be made through the Department of Public Safety, which has responsibility for the College Motor Pool service.

To insure availability of a vehicle, request forms should be sent to the SVSC Motor Pool Division, Doan Center, at least one week in advance. A copy of the request will be returned to the driver when the vehicle is picked up. Advance requests for vehicles cannot extend beyond three months.

Scheduled vehicles can be picked up after 4:30 p.m. or on weekends at the Department of Public Safety if prior notice has been given to the Motor Pool Division in writing or by telephone at ext. 4140. Requests over the telephone or in person must be made between the hours of 8 a.m. and 4:30 p.m. during the regular working week, according to Director of Public Safety Zane L. Rybkowski.

FUND-RAISING NOT FOR EVERYONE

Because there is a need to coordinate the solicitation of gifts or grants to SVSC, or fund-raising of any kind, the College Board of Control in June 1977 adopted a resolution to establish clear-cut guidelines.

The resolution, which was unanimously adopted, states that no solicitation of gifts shall be made by anyone for the benefit of the College or any College agency without the prior approval of the President or his specifically delegated representative. In addition, the taking of collections or solicitations of pledges at public meetings in College facilities is prohibited unless authorized by the President.

The resolution also states that the campus mail service, telephone system, and other College services, including mailing lists and College stationery, are not to be used for the solicitation of gifts without the prior approval of the President or his specifically delegated representative. Finally, no gift may be accepted on behalf of the College without prior approval of the President or his specifically delegated representative. Because some members of the campus community have not been following these guidelines recently, they are being reprinted here. Anyone with questions should contact Dr. A. Jefferson Sharp, vice president for Development and College Relations, at ext. 4050.

MASON NAMED DISTRICT CO-PLAYER

Roger Mason, a senior SVSC cager, has been named the NAIA's District 23 Co-Player of the Week. The Bellaire native fired 24 points in last Thursday's 66-56 loss to Michigan Tech and scored 24 again Saturday as the Cardinals beat Lake Superior State, 65-55. A 6-7 center, Mason also grabbed 31 rebounds in the two games. Tim McKee of Hillsdale was also named, for his performance in Hillsdale's 52-51 upset of Grand Valley State Saturday. On Monday evening, the men's team fell to Hillsdale by 10 points at Hillsdale.

GRAHAM ELECTED NATURE CENTER VEEP

Eldon Graham of the Division of Engineering & Technology has been elected Vice President of
the Chippewa Nature Center, Midland, for 1979. The Nature Center is a private, non-profit foundation providing year-round environmental education programs for participating area schools and also for adults. Primary goal of the program is to foster an awareness, appreciation, and understanding of our environment and our dependence on it.

The Nature Center also holds a summer natural history day camp and an archeological and ecological field school each year. The field school is offered for college-level students on a credit or non-credit basis.

Graham was a charter founding member of the Chippewa Nature Center and has served on its Board of Directors for the past eight years. Annually, over 20,000 persons attend some function at the Center and use its classrooms, interpretive building, nature observatory building, natural history museum, log cabin homestead, or hike or cross-country ski on its trails through the 1,200 acre nature preserve. The area has been placed on the National Register of Historic Places by the National Parks Service and is known officially as the "Ox Bow Archeological District".
