DONALD NOVEY, HARRIET TILLOCK SELECTED FOR LANDEE AWARDS

Co-recipients of the Franc A. Landee Award for Excellence in Teaching this year are Donald F. Novey, associate professor of economics, and Dr. Harriet E. Tillock, assistant professor of sociology. Each will receive the award, consisting of a medallion and monetary tribute, during Commencement exercises on May 5.

52 SVSC faculty members were eligible for nomination this year, and 40 of these received ballots. The winners were selected by Landee Award committee members, including chairman Dr. Crystal Lange, past Landee recipient Dr. Gamal Elashhab, Board of Fellows member James Bandeen, student Scott Stevens, and alumni representative Dennis Foley.

Novey began his career at SVSC in 1969 as an instructor in economics. Earlier he had been an assistant professor, associate professor, and chairman of the economics department at West Virginia State College, Charleston.

He earned degrees from South Dakota State University in 1955 and 1959 and has conducted extensive research in the area of extending the Great Lakes navigation season.

Novey has been active in the SVSC Faculty Association, served six years as treasurer for the Association of Michigan Collegiate Faculties, and is a member of the American, Midwest, and Michigan Economics Associations, in addition to Pi Gamma Mu, national honorary for social science. His wife, Rose, is also on the SVSC faculty and teaches in the mathe-

matics department.

Tillock started at SVSC on a part-time basis as a sociology instructor in 1972. She has been a full-time faculty member since 1974 and department chairwoman since 1976. She studied social science and sociology at Michigan State University, where she received her PhD. degree in 1976.

Her teaching experience includes work as an elementary instructor from 1962-67, and a teaching assistant and instructor at MSU from 1968-71. Tillock currently serves on SVSC's Academic Policies Committee, Residential Life Scholarship Committee, and the Saginaw County Steering Committee for the Year of the Child. She is a member of the American, Rural and North Central Sociological Associations, World Population Society, Society for the Study of Social Problems, and is faculty coordinator for SVSC's Committee for the Handicapped.

She and her husband, Dr. Robert A. Tillock, have one daughter and three grandchildren.

CARDIO-PULMONARY TRAINING SLATED

A three-hour training session by the Michigan Heart Association will show members of the campus community more about cardio-pulmonary resuscitation (CPR) this Wednesday, April 11 from 1 to 4 p.m. in Doan Center. The session will provide information on preventive measures and emergency treatment in cases of heart attacks and breathing problems. Mrs. Irene Miller, R.N., is in charge of local arrangements.

A list of College employees representing various areas across the institution has been compiled, so that adequate help will be available in the future to respond to any cardio-pulmonary emergencies which may occur in their areas. Since this training may save a life, it is important that the full three hours be devoted to training and thus only those who can attend throughout Wednesday afternoon are to be included. Anyone not

For Saginaw Valley State College Employees.

listed who would like to attend the session should contact Dick Thompson at ext 4200 for information.

WIND RAISES SKIRTS ON CAMPUS

Last Friday's devastating winds of up to 60 m.p.h. caused extensive damage on the SVSC campus and elsewhere throughout the area. Skirts under part of the Wickes Annex temporary buildings were blown away and electrical power was out from approximately 10 a.m. to 2 p.m. in several buildings. Considerable productivity was lost as some employees were sent home when temperatures dropped rapidly and their typewriters, copying machines, and other electrical equipment failed to function. Most campus telephones were also out of service during part of the day.

Approximately 30 of the evergreen trees planted in new locations last fall were pulled out of the ground by the strong winds. While damage to the trees is not expected to be serious, a considerable amount of labor will be required to right them again and re-stake them to anchor against future windstorms.

The large electrical Cardinals' football sign at Cardinal Field was also seriously damaged and will likely have to be completely replaced. While no estimate of damage was immediately available, it appears that only the sign will be covered by insurance.

CHEN TO SPEAK AT SCIENCE COLLOQUIUM

"One-Step Rainbow Holography and Color Imaging" will be the topic at this week's Science Colloquium, on Thursday, April 12 from 2 to 3 p.m. Dr. Frank Chen, associate professor of physics, will be the speaker at 158 Pioneer Hall. All members of the campus community are invited to attend without charge and refreshments will be available.

20 INDUCTEES SET FOR LANGUAGE HONORARY

20 new members will be initiated into the SVSC chapter of Alpha Mu Gamma, national honorary for students of foreign languages, on Sunday, April 22. The 2 p.m. initiation at Doan Center is the fourth annual for the SVSC chapter, which exists to promote excellence in language learning and to foster good will between people of different cultures.

SVSC's Theta Omicron chapter was chartered in January 1976. Officers for 1979-80 are Joan Kakouris, president; Lucille Wodwaski, vice president; Peggy Zestos, secretary-treasurer, and Carl Mueller, historian.

Dr. David E. Barker, assistant professor of French is faculty advisor, and students of French, German, Polish, and Spanish are represented in the local chapter.

New inductees include: French -- Annemarie Baumgarten, Carl Mueller, Kay Neer, Teresa Trisch, Mary Vuylsteke, and Peggy Zestos; Polish -- Delphine Atkins, Helen Szepanski, and Lucille Wodwaski; and Spanish -- Ann Bovee, Julie Brady, Genoveve Ells, Maria Gonzalez, Estella Harris, Elizabeth Kretschmer, Shirley Lehman, Kathy Post de Lopez, Theodore Riley, Jane Snider, and Karla Williams.

THREE RECEIVE CHEMISTRY HONORS

Sophomore Tom McQuade and junior Paul Zuraw have each received \$250 chemistry scholarships from Dow Chemical Company for the 1979-80 school year. This year's outstanding senior award in the chemistry department goes to Karl Weber, according to Dr. George Eastland, department chairman.

FYI CALENDAR ITEMS DUE APRIL 25

Deadline for articles to go in the May FYI Calendar of Events for area media is April 25 by 4:30 p.m. It is important that any item which is scheduled for the SVSC campus appear in this calendar, so area media are informed and available. Response lately has been decidedly underwhelming, so get those cards and letters in to Donna Mitchell, Office of Information Services, ext. 4054.

TRACK TEAM RIPS RECORD BOOK

SVSC's Cardinal track team virtually rewrote its own record book in Athens, Ohio Saturday by establishing 16 school standards in the Ohio University Relays.

Along the way, three Cardinal thinclads recorded marks to qualify them for the NAIA National finals May 17-21 in Kansas City.

Freshman Paul Peterson placed sixth in the 10,000 meters in 30:30 to set a school mark

and make the Nationals. Midland freshman Duane Johnson was sixth in the 5,000 meters to accomplish the same fete. Hammer thrower Bill Waters was second in 166-5 for another school mark and qualifying distance. Freshman Ben Laser missed qualifying for the Nationals by one foot in the hammer throw.

Among the school record setters was senior Bob Dyer, who ran a 3:59.1 in the 1,500 meters and was a member of the third place four-mile relay team of Bob Duerksen, Don Passenger, and Scott Gaines with a 17:23.6 clocking.

Freshman Jerry Hamling set a new standard in the 100 meters in :11.2, and senior Dirk Love upped the school mark in the javelin to 170-3.

The team splits this Saturday, with half of the runners going to the Dogwood Relays in Knoxville, Tennessee, and the others going to the Northwood Invitational meet in Midland.

NOW IT'S "DOCTOR" DICKEY

Ann K. Dickey, Director of Institutional Research, has completed requirements for her Ph.D. degree in higher education at the University of Michigan and will participate in Commencement exercises there on April 28.

Her thesis, entitled "Age and Age-Related Factors as Predictors of College Course Load" is based on research she conducted at SVSC on winter semester 1978 enrollments. A bound copy of her dissertation will be available at the SVSC Library in approximately one month.

FISHER NAMED COORDINATOR OF ANNUAL FUNDS

Sally L. Fisher, secretary to the Vice President for Development & College Relations, has been promoted to the newly created post of Coordinator of Annual Funds. This administrative position is funded by the SVSC Foundation and does not involve the use of any College general operating monies.

As Coordinator, she will be responsible for the planning and implementation of all College annual giving programs. She will also be the principal administrator of all Foundation fund-raising activities conducted by direct-

mail solicitations and will report to the Foundation's executive director. Specifically, she will administer the Annual and Athletic Funds in consultation with the Foundation and will coordinate the recruitment, training, and assignment of volunteers, while maintaining close professional relationships with them. She will also coordinate the creation, production, and distribution of all printed matter required in conjunction with fund drives and will be responsible for tabulating and analyzing the funds. Finally, she will determine the content, distribution, scheduling, and analysis of results of all direct-mail Foundation fund-raising solicitations.

FORMER GERMAN INSTRUCTOR PASSES

Rev. A. W. Voges, part-time German instructor at SVSC during its early years, died Tuesday April 3 in Bay City. Funeral services were conducted on Friday, April 6 from Immanuel Lutheran Church, Bay City. He is survived by his wife, Dorothea and four children.

HERE AND ACROSS TOWN --

-- Juvenile justice and the rights of children under the law are being studied at a workshop on campus this Monday and Tuesday, April 9-10 with Ken Wooden, author, consultant, and investigator. The sessions are titled "Justice for Children -- A Time for Advocacy" and are jointly sponsored by the Chrysallis Center and the Junior League of Saginaw. Admission to the workshop is free, with a \$2.50 charge for a Tuesday sack lunch which is optional. Location is lower level, Doan Center.

-- Dr. Thomas W. Hearron, associate professor of English, has been selected to attend the Bread Loaf Writers' Conference, a two-week workshop in August at Middlebury College. Admission to the conference, one of the nation's most prestigious writer's workshops, is competitive and based on the submission of manuscripts. Hearron applied and was accepted in the "Fiction" category.

He has also been named to the Board of Directors of the Saginaw County Rape Crisis Center, whose staff counsels victims of emotional trauma following sexual assaults and cooperates with police agencies in prosecuting such cases. The group also provides community education projects on the full extent of and protection

against sexual assaults, an average of three of which occur daily in Saginaw County alone.

-- A Saginaw Peace Vigil this Friday, April 13 at 10 a.m. will involve several members of the College community, according to lecturer in English Rosalie Troester. The prayer service, at St. Paul's Episcopal Church, 720 Tuscola St., Saginaw, is intended for persons who "want to ban nuclear power, protest the Trident submarine, and all other nuclear weapons, and demonstrate against excessive defense taxes." The group will later march to the Saginaw Federal Building, where a "chant for peace" will be led by Alumni Association President James Gaertner. Ms. Troester will speak in support of war tax resistance and Sr. Grace Janowski, Campus Minister, will provide guitar accompaniment for group singing. Additional information is available from Ms. Troester at ext. 4239.

-- Two papers by Dr. Frank Chen, associate professor of physics, in conjunction with Drs. Francis Yu and Anthony Tai of Wayne State University, have been published recently in the Journal of Optics, Paris, France, and Optics Communication. The Journal of Optics article was entitled "Spatial Filtered Pseudocolor Holographic Imaging", while the other article deals with "Archival Storage of Color Films by Rainbow Holographic Technique."

-- Susan A. Auernhammer, administrative secretary in Wickes Annex, is a member of the state champion Women's Basketball Team in the Michigan Recreational Parks Association Winter 1979 competition. Her team, representing Bay County, defeated opponents from Dearborn, Ann Arbor, and Detroit Northwest at the Eastern Michigan University fieldhouse for the title.

-- Joe Slater is new president of the SVSC Student Association, after defeating Andy Place by just 15 votes. A total of 512 students voted, one-third of whom were commuters. Rich Gill defeated Dana Daniels for vice president, while Roger Lonsway won the treasurer's seat.

-- The Seventh Annual Saginaw Valley Data Processing Management & Administration Vendors Show is set for May 9-10 at Valley Plaza, 2914 W. Midland Road, Midland. There will be nearly 50 display booths, with representatives present to show the latest in data processing,

education, and equipment. Dr. Rose Novey, a member of the Saginaw Valley Chapter DPMA Board, invites the SVSC community to visit the show. Don Seidel, assistant director of Computer Services, is also involved.

-- Open swimming is now available at Delta College on Wednesday and Thursday evenings from 9 to 11 p.m. Cost is \$.50 and participants must have either a student I.D. or driver's license. SVSC's Intramurals Office will provide transportation if necessary from campus.

PERSONNEL --

-- SCHOOL OF BUSINESS & MANAGEMENT; Administrative Secretary, FT-P (replacement). \$4.25/hour.

-- COMPUTER SERVICES; Programmer/Analyst, FT-P (replacement) (search reopened), Salary Negotiable.

-- PUBLIC SAFETY; Police Officer, PT-T (replacement), \$6.01/hour.

-- VICE PRESIDENT FOR DEVELOPMENT & COLLEGE RELATIONS; Secretary, FT-P (replacement), \$4.25/hour.

These positions will be open to members of the campus community for one week only. Any interested individuals should contact the Personnel Office at ext. 4108.

SVSC is an affirmative action, equal opportunity employer whose policies and practices are non-discriminatory.
