SATURDAY NIGHT DINNER HAS INTERNATIONAL FLAIR

How about an evening of international flavor and fun, without an extravagant price tag? Plan to attend the annual SVSC international buffet dinner, coming this Saturday, November 17 at 7:00 p.m. in lower level Doan Center.

This annual event is your chance to prepare and share special dishes coming from your ethnic background, your travels or maybe just something you enjoy making and eating. Each SVSC employee and spouse (or friend) is encouraged to come and to wear ethnic dress if possible.

Last year some 170 members of the SVSC community enjoyed the dinner, which has become an annual event on campus. Sponsor is the SVSC women’s club, whose members spouses and friends will pay $2 each for table service, punch, tea, coffee and domestic wine. Admission for others will be $3 each.

Interested? If so, call Judy Eastland at 799-7778 after 5:00 p.m. daily and not later than this Thursday, November 15. Please bring a main dish, salad or dessert which will serve 12 to 14 people. John Curry has kindly volunteered use of his ovens and refrigerators to keep dishes warm and cold until meal time. If you received a goldenrod form from the women’s club for the dinner but have not yet returned it, please do so to the box on the faculty receptionist desk on the third floor of Wickes Hall, or telephone Mrs. Eastland.

REMINDER: FOREIGN LANGUAGE DAY IS WEDNESDAY

This Wednesday, November 14 is foreign language day on campus, meaning there will be some 500 high school students here who generally will be unfamiliar with our facilities. Please do what you can to help direct visitors to their proper locations.

Registration will be in the lobby of Cardinal gymnasium, where most events are slated for 10:00 a.m. to 2:00 p.m. Foreign language movies for students of French, German, Polish and Spanish will be shown in the college theatre, while lunch can be purchased by those who have previously requested it in the lower level of Doan Center.

The foreign language fair with booths oriented toward different cultures will take place in the gymnasium, as will the skit-song-dance and poster contest.

Coordinator of foreign language day is Dr. Lynn Herkstroeter, chairwoman for the department of modern foreign languages.

FINAL UNITED WAY REPORT ISSUED

129 SVSC employees are to be congratulated for exceeding their goal of $6500 in this year’s Saginaw County United Way campaign. In fact, some 110% of the goal was reached, as the SVSC family donated $7135.

Winner of the contest for two free dinners at an area restaurant is Robert Becker, director of business services. This $30 prize was donated by a private individual to encourage increased campus participation.
President Jack Ryder was extremely pleased by the college's response to this year's appeal. "Your response has set a fine example for our college in that it reflects our concern for one of the many communities we serve. Other leaders in the community and the United Way of Saginaw County join me and Dr. Guy Lee in praising you for your fine efforts," Ryder said.

SCHOLASTIC ART AWARDS COMPETITION SET

If you're concerned that high school-age children in your home may get bored during the coming holiday season, why not encourage them to ready their brush and sharpen their pencils for the 1980 scholastic art awards competition? The contest, sponsored by SVSC, Peoples National Bank and Trust Company of Bay City and Hampton Square Mall, will be taking place January 17-27 at Hampton Square Mall, Essexville.

All art students in grades 7 through 12 may participate if they reside in Arenac, Bay, Huron, Midland, Saginaw, Sanilac or Tuscola counties.

Awards will be given for work in fifteen classifications in the fields of painting, drawing, print making, design, sculpture, crafts and photography. Honors awarded on the regional level will include gold achievement keys and certificates. Blue ribbon finalists will be sent on to the 53rd annual national high school art exhibition in New York.

Chairing the regional advisory committee is Matthew Zivich, associate professor of art. Persons interested in entry blanks should contact the Hampton Square Mall office at 1415 Center Road, Essexville, MI 48732 for entry blanks after December 1. All entries must be delivered to the mall's community room during Friday-Sunday, January 4-6. For more information contact Zivich at ext. 4390.

FIGHTING CARDINALS WIN FIRST-EVER GRID TITLE

By tying Wayne State University 7-7 on Saturday, SVSC's fighting Cardinal's football team won its first-ever Great Lakes Intercollegiate Athletic Conference championship. The tie left SVSC a game ahead of WSU with a 4-0-1 record in the conference compared to the Tarts' 3-1-1. SVSC's season record was 8-1-1, best in the college's history, while Wayne ended up 3-5-1.

A record crowd estimated at nearly 2800 fans saw fullback senior Jim Martinez score on a 33-yard run after breaking a tackle at the line of scrimmage. Following kickoff, Craig Gerbe of WSU returned the ball 91 yards before fullback Bruce Nichols scored from the 2.

SVSC's Larry Bee was named co-defensive player of the week for NAIA District 23, when he blocked a WSU field goal attempt with 1:39 left when WSU had the ball at SVSC's seven yard line. Fortunately Wayne State Place kicker, Bob Guindi, missed five field goal attempts earlier in the game.

WSU controlled the game offensively in both the rushing and passing departments, and injured SVSC quarterback Steve Zott threw 4 interceptions and completed just 9 of 24 passes for 83 yards.

The question now is whether SVSC will rank high enough in this week's NAIA Division 1 football top 20 to earn a post season playoff bid. Last week in the November 7 rating, SVSC ranked fifth compared with ninth a week earlier. That made us the highest ranked college from area three (there are four areas in the NAIA), although the Cardinals were closely followed by Fairmont State of West Virginia, which tied 17th ranked West Liberty State of West Virginia 6-6 on Saturday. The only other area 3 school in the top 20 last week was Wisconsin-River Falls, which defeated a weak opponent 42-0 on Saturday.

If SVSC is ranked among the top 12 in the November 14 poll and continues as the top-ranked team from geographical area 3, a playoff bid for Saturday, December 1 will likely be forthcoming.

BOWLERS KEEP ROLLING TO VICTORY

SVSC's bowling team won 11 of 14 games Saturday at Ferris State College, when they took four and lost three to Ferris and took all seven against Lawrence Institute of Technology.

Following Saturday's matches, SVSC remains at top in the Michigan Invitational Bowling Tournament rankings with a 33-9 season record. MSU follows with 28-14 with U of M at 27-15; Ferris State with 26-16; EMU at 22-20; CMU at 19-23; Lawrence Institute at 7-35 and Lake Michigan College with a 6-36 record.

Coach Ted Nitz is confident enough of his team that he's "sure there's nobody who can really beat us" now that the tournament at Ferris has been completed. "Last year we lost there 2-12 and never really overcame that later in the season," he says.

The team travels next to the National Scholarship Championship at St. Louis, Missouri on November 24-25. The area MIBT tourney hosted by SVSC is set for 10:00 a.m. on Sunday, December 2, at Bay Lanes, N. Euclid Ave., Bay City.
