OCTOBER 28, 1980

#### PRESIDENT CARTER AT SVSC THURSDAY

President Jimmy Carter will be giving a major address on campus this Thursday, October 30, at 4:00 p.m. in Cardinal gymnasium. The speech, which will be open to the public at large, is expected to draw persons from across the state. All seating will be on a first-come, first-served basis. Doors will open at 3:00, or possible somewhat earlier, according to Carter staff members already on campus to make preparations.

Faculty members will have the option to cancel classes at 2:45 p.m. for the President's talk. Staff members may be released by their supervisors at 2:45 p.m. to attend the address. However, all public contact areas must remain open to serve customers and the many visitors who will be on campus. All offices are to make arrangements for maintaining telephone coverage.

Participating in the festivities will be the SVSC band, who will play "Hail to the Chief" and "Ruffles and Flourishes". Modifications in lighting and sound systems are being made by television crews and representatives of the Carter-Mondale national committee. A contingent of more than 50 reporters will be accompanying the President, and all three major television networks will be on hand along with local media. Some national press corps people have indicated an interest in talking to campus people for interviews, to learn how this visit will affect our small campus. If you are contacted, feel free to notify the Office of Information Services at ext. 4054 for advice or assistance.

#### 500 EXPECTED FOR 5th LANGUAGE FEST

It takes concentration and practice to sing, dance or present a skit. But many area high school students are finding

added challenge in these tasks -- they'll be performing in a foreign language.

It's all part of special activities planned for the 5th annual Foreign Language Day hosted by SVSC on Wednesday, November 12. Theme for the day, sponsored by the department of modern foreign languages, is "To Know Others, Speak Their Language."

Students are already busy creating colorful posters in English, French, German, Latin, Polish or Spanish to express that theme. There will also be booths and displays portraying ethnic cultures representative of various countries where these languages are spoken. Some will feature foreign language items which may be purchased.

About 500 are expected to attend the day-long event. Invitations have been sent to Douglas MacArthur, Eisenhower, Michigan Lutheran Seminary, Saginaw High, St. Mary's, Sts. Peter and Paul and St. Stephen's high schools in Saginaw. Invited from Bay City are All Saints, Central, Handy, John Glenn and Western. St. Charles, Swan Valley, Essexville Garber, Holy Trinity, Pinconning, Bridgeport, Buena Vista, Carrollton, Caro, Chesaning, Frankenmuth, Freeland, Hemlock, Merrill, Owendale Gagetown, Reese and Vassar will also be represented. From Midland, students from Midland High, Dow, and Bullock Creek round out the list that received invitations.

Events include entertainment and competitions in song, dance and skit performances of French, German, Latin, Polish or Spanish material. Posters will be judged in upper and lower grade divisions for creativity and promotion of the Language Day theme.

Students from other high schools will be vying to equal the record set by Carrollton high school last year in sweeping seven of

THE  
INTERIOR

the top 14 awards. Skits by Carrollton students placed first and second, and they also received second in the song category, plus first place in the lower division poster contest and third and fourth places in upper division.

Entertainment will be provided by nine year old Stephen Mikolajewski and his 11 year old sister Alice. Dressed in authentic Polish costumes, they will perform traditional Polish music on accordians. The two are children of Henryka Mikolajewski, secretary of SVSC's Institute of Polish Studies. Other entertainment scheduled is ethnic dancing by college students and films for each language.

"We expect an excellent turnout for this annual event," notes associate professor of French Dr. David Barker, "and since our facilities are limited, we urge participants to get their reservations in as soon as possible." Reservations will be accepted on a first-come, first-served basis through November 3.

For more information, contact Barker at ext. 4303.

#### MAPES AT SVSC FOR REPEAT PERFORMANCE

Extrasensory perception and hypnosis -- are they a hoax, a hysterical reaction to the power of suggestion? Or do they hold promise for unlocking the potential of the human mind?

Hypnotherapist James Mapes feels that E.S.P. and hypnosis can be tools for creating a positive self-image leading to a more rewarding life. He'll be illustrating his beliefs when he brings his show, "PSI -- The Power of the Mind" to SVSC next month for an unprecedented third performance. The show is set for 8:00 p.m. on Wednesday, November 12 in the theatre.

In addition to presenting more than 200 shows each year across the country, Mapes heads the New York Center for Hypnosis. He frequently appears on radio and television and has authored two books on "The Power of the Mind."

"PSI is a systematic approach to personal improvement through goal-setting, a positive mental attitude and self-hypnosis," states Mapes. And he speaks from personal

experience. Several years ago, he kicked a three pack a day cigarette habit and lost 100 pounds through hypnosis. "The human mind has limitless potential," he believes. "I hope through my show to make people aware of the real power of the mind."

Previous performances by Mapes at SVSC have drawn standing-room-only crowds. Tickets for the November 12 show are \$2 for students with a valid ID or \$3 general admission, and can be obtained at the door. For information or advance reservations, contact campus activities office at ext. 4260.

#### RESUME WRITING WORKSHOPS OFFERED

A series of three workshops outlining techniques for preparing of effective resumes is planned by SVSC's placement office, according to director Gary Apsey. Sessions are scheduled at 4:00 p.m. on Tuesday, October 28, 11:30 a.m. on Wednesday the 29th and 5:00 p.m. on Thursday the 30th. The Tuesday and Thursday workshops will be held in room 224 Pioneer Hall, with the Wednesday meeting set for Wickes lecture hall.

Apsey and Dr. Gary Thompson, assistant professor of English, will be joined by employer representatives to offer tips and assistance in utilizing resumes to outline job qualifications. While designed primarily for students, the seminars are open to all interested members of the campus community. For information, contact the placement office at ext. 4070.

#### JACQMAIN RECITAL THURSDAY EVENING

Spirituals and selections from Schubert, Brahms and Vaughan Williams will be featured in the Sally Jacqmain recital at 8:00 p.m., Thursday, October 30. Miss Jacqmain, an alto, will perform at the theatre, with piano accompaniment by Annemarie Baumgarten.

Admission is free and open to the public. For more information, contact the fine arts office at ext. 4159.

#### STARS ON VIEW AT OBSERVATORY

Get a close-up view of the stars through a 16-inch telescope. The SVSC observatory hosts an open house between 8:00 and 10:00 p.m. each clear Friday evening through December 12. Slides and movies are part of the program sponsored by the physics club.

Admission is free and groups are welcome. For reservations or information on viewing conditions, call Dr. Frank Chen at ext. 4137.

#### DAVISON DISPLAY CONTINUES AT GALLERY

Etchings by Nancy Davison will be on display at the art workshop gallery through November 11. Davison specializes in fine-line architectural landscapes, using black inks and washes.

Admission is free and open to the public between 9:00 a.m. and 4:30 p.m. each week-day. For information contact the fine arts office at ext. 4159.

#### CAMPUS NOTES --

--Academic advising coordinator Tim Burke represented SVSC at the National Academic Advisors Association Conference held at Ashville, North Carolina from October 19-27. Theme of the meeting, which drew some 600 participants from throughout the U.S., was "academic advising as a developmental process."

--Assistant professor of physics Dr. Albert Menard presented a paper to the Ohio section of the American Physical Society meeting held in Dayton. Titled "Transient Heat Transfer into Liquid Helium," Menard's presentation was made on Saturday, October 18. The report detailed findings of work he did in collaboration with Dr. Charles Oberly and Lt. Scott Holmes at Wright-Patterson Air Force Base last summer.

--Appreciation of cinema as a distinctive art form of the 20th century was discussed by Dr. Tom Hearn, associate professor of English, when he appeared on Channel 12 TV last weekend. As a guest on their "Impressions" program, he drew from material presented in his fall semester "Cinema Appreciation" course.

#### BALLOT PROPOSAL FORUM CANCELLED

Because of President Carter's appearance on campus this Thursday afternoon, the open forum scheduled then to outline state ballot proposals has been cancelled.

Persons who would like more information about the impact of Proposal D (Tisch II) are encouraged instead to attend a debate scheduled for 7:30 p.m. that evening at the Arthur Hill high school gymnasium, Saginaw. Allan Schmid, president of Michigan Taxpayers Federation United, and Walter C. Averill III, president of Saginaw United Taxpayers, will be presenting the arguments in support of Proposal D. SVSC board chairman Charles Curtiss will discuss the impact of Tisch II on state services. Saginaw city school superintendent Dr. Foster Gibbs has also been invited to state the case against Proposal D.

The public is welcomed to attend the session, which Curtiss said will not be a debate but rather a "forum where they can describe their proposal and I'll describe the impact."

#### PERSONNEL

ASSISTANT/ASSOCIATE PROFESSOR OF MATHEMATICS - Permanent, full-time (new position). Applicant should have Ph.D. in mathematics or computer science. Salary negotiable.

This position will be open to members of the campus community for one week. Interested persons should contact the personnel office at ext. 4108.

SVSC is an equal opportunity, affirmative action employer and is non-discriminatory in its policies and practices.

#### UNITED WAY DEADLINE FRIDAY

Contributions from SVSC employees to this year's Saginaw County United Way campaign have reached 63% of our \$8,000 goal, and the final reporting date for gifts will be this Thursday, October 30. You still have a chance to win the \$35 first place or \$20 second place prize, with winners to be chosen by drawing. The prize money, from anonymous campus persons, may be yours if you give \$20 or more. Each additional \$10 gift will qualify you for another ticket in the drawing.

So far just 66 persons have contributed to United Way, not a very good record when we consider our blessings. This year's theme is "You Are the One" and indeed you are, as your single gift can help support 56 agencies which benefit more than 100,000 county residents each year. Please call either Sue Auernhammer or Dr. Guy M. Lee, Jr. now at ext. 4293 to make your pledge.

# SVSC CALENDAR OF EVENTS -- NOVEMBER 1980

- Oct. 31 - Halloween Horror Filmfest, lower level Doan center, 9:00 p.m.-2:00 a.m.; includes "Best Dressed Monster" contest. Films scheduled are: "Creature from the Black Lagoon," "Them," "Count Dracula," and "Magic Sword." Open to campus community, free admission.
