SPORTS

The Cardinals have built a solid reputation for athletic excellence and exciting competition. In 1983-84, the men’s program won the All-Sports competition in the National Association of Intercollegiate Athletics (NAIA) for the second time in three years. They were runners-up in 1982-83. The women have placed in the top ten for that award three times.

It promises to be another exciting fall for SVSC sports. After a season of cliff-hanger victories, a 6-0 conference championship, and a quarterfinal national finish, coach George Ihler’s football squad expects another fine fall. The cross country team should again be a national contender. National tournament number four is a goal for the conference champion women’s tennis squad, and the women’s volleyball team continues to build a solid program.

Catch Cardinal fever. For a complete sports schedule, call the SVSC Athletic Center at 790-4114 or the Sports Information Office at 790-4053. For your convenience, dates of home events are listed below.
