**ADMINISTRATIVE UNITS PLAN FOR MOVE**

Administrative offices displaced by the April 1985 fire that destroyed Wickes Annex will be relocating into the newly constructed Administrative Services Building. The new office facility is located between the '66 Building and Pierce Road.

Office personnel, which had been using the Serene dorm suites in Tranquil complex, will begin moving office equipment and supplies tomorrow. The move is being handled by professionals, and Dale Irish is assigned the task of coordinating the moving process. The campus community should be aware that telephones may be temporarily out of service until the lines can be transferred to the new site.

Departments moving first include the President's Office, Vice President for Academic Affairs, Vice President for Administration and Business Services, Alumni Relations, Information Services and Sponsored Programs. As construction is completed in the Administrative Services Building, relocating will be BIDI, the SVSC Foundation, and Institutional Research and Planning. Admissions and Financial Aid offices have moved into the Pioneer Annex.

In the coming days, personnel will be settling down to normal activities and operations once again. . .that is, of course, until 1987 when the next move will be into a remodeled Wickes Hall!

**INFORMATION UPDATE**

In the August 12 issue of the Board Report, the amount of financial aid that will be cut was over-stated. The actual amount to be eliminated from the increase in aid for students will total some $20,000.

**FACULTY/STAFF ORIENTATION REMINDER**

All SVSC faculty and staff, particularly those who are new, are encouraged to attend the orientation program beginning at 9:30 a.m. on Wednesday, August 28, and continuing on Thursday, August 29, at 8:15 a.m. Both sessions will be held in lower level Doan Center. The schedule will include a briefing on the I.F. #2 buildings on Wednesday at 1:30, followed by tours. At 4:00 that day there will be an open meeting with Pres. Ryder to discuss ideas that may be incorporated into I.F. #2 dedication ceremonies next year.
SVSC STUDENTS PASS ACCOUNTANCY EXAM

Seven students from the School of Business and Management at SVSC may not be in class by themselves -- on the other hand, it wouldn't take much time to do roll call, either.

The students received the distinction of joining other top performers from Michigan colleges after successfully completing the November 1984 Uniform Certified Public Accountant (CPA) Examination.

Results of the exam, which is administered throughout the United States, is provided by the National Association of State Boards of Accountancy (NASBA).

Dr. James L. Mitchell, dean of the school of business and management, said that 70 percent of the first-time sitters from SVSC passed the difficult nine-hour accounting practice section of the CPA exam.

According to Mitchell, only first-time sitters from the University of Michigan and Calvin College did as well or better, with 70 and 80 percent, respectively. Both U-M and SVSC had ten individuals tested, while Calvin had five.

In addition to the practice section, which can take up to nine hours to complete, the exam consists of sections on auditing, law, and theory. Each of these are three and one-half hours in length.

The report from NASBA showed these same three schools also were state leaders for first-time sitters passing all parts of the exam. The overall pass rates were: U-M, 70 percent; Calvin College, 60 percent; and SVSC, 40 percent.

Nationally, the average percentage for passing the exam is in the 10 percent range. The average in Michigan for passing all sections of the November 1984 exam was 21.3 percent.

Kathryn M. Engelhardt, a December 1983 SVSC graduate, received the Elijah Watts Sells award for outstanding performance on the November 1984 CPA exam. Engelhardt, a Saginaw resident who currently is employed by the Schilling Werner and Brilinski accounting firm in Bay City, is one of six Michigan students to earn the recognition award.

SCIENCE IN HISTORY COURSE OFFERED BY SVSC

Persons interested in exploring the development of scientific thought in its historical and social context will want to sign up for "History 301 - Science in History." The course is being offered by SVSC this fall.

Students will study the shifting relationship between science and technology, and the influence of values systems upon science in sociopolitical context from early civilizations to the present. A detailed knowledge of science is not necessary for the course, since it is introductory in its approach to both science and history. However, the individual student who wishes to pursue a particular topic in depth will be encouraged to do so in written assignments tailored specifically for that purpose.

Mary Nagle Wessling, instructor for Science in History, has taught a number of classes at SVSC in various areas of the historical disciplines. Her undergraduate work at Cornell University was in chemistry, and her graduate work at the University of Pennsylvania included research in immunology and structure of materials. She currently is completing requirements for a Ph.D. in history at the University of Michigan.

History 301 will meet every Tuesday beginning September 3 from 7:00 to 10:00 p.m. The class will be held in the board room at the Michigan Molecular Institute, located in Midland next to the Midland Center for the Arts. Cost for the three credit hour course is $166.50. Pre-registrations will be accepted on Wednesday, August 21, from 6:00 to 8:00 p.m. at the Midland High School Cafeteria. Registration will be at the first class meeting on September 3 at 7:00 p.m.

For additional information call Gerald Survant at the Office of Continuing Education at ext. 4066.

VINCENT APPEARANCE BENEFITS POLISH SCHOLARSHIP FUND

Members of the SVSC Students Polish Club hope to raise money for a scholarship fund by selling tickets to a Bobby Vinton concert.
Vinton will appear at the Saginaw Civic Center’s Heritage Theatre on Friday, September 20. The show begins at 7:30 p.m.

Anyone purchasing a concert pass from the SVSC Polish Students Club will become eligible for a drawing to be held September 19. Winner of the drawing will receive a free dinner for two at Krzyziak’s House restaurant in Bay City. Tickets must be purchased through the Polish Students Club by Tuesday, September 10.

The money raised from the concert ticket sales will be used for the Thelvius (Bope) Winieckie Polish Studies Scholarship.

For ticket information call 894-5531 in Bay City, 693-6063 in Fairgrove, 865-9803 in St. Charles and 754-0013 in Saginaw.

**SVSC LIBRARY HOSTS ANNUAL BOOK SALE**

People who routinely check out books from SVSC’s library are invited to the annual book sale this fall. Hundreds of books will go on sale, including fiction and non-fiction -- hard bound books as well as paperbacks.

The two-day sale will be September 18 from 8:00 a.m. to 10:30 p.m., and again September 19 from 8:00 a.m. to 4:00 p.m. Prices start at a reasonable 10 cents.

Included in the sale will be five complete sets of encyclopedias: World Book (1980 edition); Encyclopedia International (1977 edition); Compton’s (1972 edition); Merit Student Encyclopedia (1968 edition); and Chambers (1967 edition).

The sale is open to the general public. Come early for best selections. For additional information, contact Mary Jane Gingrich at extension 4240.

**SVSC CONCERT CHOIR ACCEPTING NEW MEMBERS**

Dr. Eric Nisula, associate professor of music, said the SVSC concert choir presently is accepting new members who will participate in upcoming fall activities. Nisula said the choir is open to people who may not be SVSC students and are of various levels of experience. The first rehearsal is set for September 3 at 11:00 a.m. Persons interested in joining are encouraged to get more information by calling Dr. Nisula at extension 4307.

**SVSC ENROLLMENT FIGURES REFLECT STEADY GROWTH PATTERN**

Official enrollment figures again indicate a record number of students attending summer sessions at SVSC. The new totals continue a pattern of steady enrollment increases at SVSC.

Summer sessions this year drew 2,785 students, compared to 2,467 in Summer 1984, for a 12.9 percent increase. Students signed up for a total of 14,040 credit hours of coursework, up 8.0 percent compared to 12,998 last year.

A 15.5 percent increase in the number of 'non-traditional' students (age 25 and over) reflects current shifts in enrollment patterns. Non-traditional students accounted for 62 percent of SVSC’s total summer student population this year.

**ENTREPRENEURS CLUB OPENS THIRD SEASON**

Area business persons can look forward to another season of informative and entertaining meetings sponsored by the Saginaw Valley Entrepreneurs Club.

Now in its third season, the club will be featuring Gene Riley, president of Gene Riley Advertising, Inc., at the first meeting set for Wednesday, September 11. In his presentation titled "The Bottom Line: Dealing Effectively with People," Riley will relate anecdotes that focus on the people who surround his business operation. In addition, he will offer tips on establishing good working relationships with a variety of business associates, personnel and customers.

The Saginaw Valley Entrepreneurs Club was established by BIDI in 1983 in response to an expressed need for networking among area entrepreneurs. Meetings are held eight months of the year and are open to any recently established and long time entrepreneurs, as well as prospective business owners and friends of entrepreneurs.

The September 11 meeting will be held in the lower level of Doan Center. The program begins at 6:00 p.m. and concludes at 9:00. Cost is $7.50 per person, and reservations must be made no later than Friday, September 6. For further information, call ext. 4048.
BRIEFLY SPEAKING

--The '85-'86 film series will feature "Wargames" on Tuesday, September 3. Each movie is shown at 10:00 a.m. in Wickes Lecture Hall and again at 2:00 p.m. in lower level Doan Center. Admission is free and open to the campus community. Call ext. 4260 for a full season schedule.

--A lecture, entitled "Reptile World," will be presented on Wednesday, September 4. The presentation will be held in the theatre from 8:00 to 10:00 p.m. Admission is $2 for the general public, free for students. Call ext. 4170 for more details.

--The fall season in the Arts Workshop Gallery kicks off with an exhibition of Dr. Barron Hirsch's color relief prints. Admission is free. Call ext. 4159 for more information and gallery hours.

ACROSS CAMPUS

--Condolences to Claudette Wisniewski, a buyer in Business Services, on the loss of her father, Felix Nowosatka, who passed away August 7 after a lengthy illness. Persons who wish may contribute a memorial to their own church building fund.

PERSONNEL

The campus will be closed on Labor Day, Monday, September 2, 1985.

HIGH FIVE

Claudette Charney has been named Women's Basketball Head Coach. A native of Saginaw, Charney served as head coach at Alma College last season, where the Lady Scots went undefeated in their conference (12-0), and finished with an 18-6 over-all record. The appointment marks a return to SVSC for Charney, who lettered during the late 1970s for three seasons.
