## SECRETARIAL/CLERICAL CONTRACT SETTLED

Although it took assistance from a state mediator, the SVSC Secretarial and Clerical Association (MEA) and the College have agreed on a new three-year contract extending through June 30, 1988. Tentative settlement was announced last Wednesday noon after negotiating teams met with mediator Bill Borushko in a session that resolved differences standing in the way of agreement.

Following Wednesday's table agreement, secretarial/clerical employees returned to their jobs Thursday, ending a two-day walkout. The strike was the first in SVSC's history.

In announcing the table agreement, Vice President for Administration and Business Affairs Jerry A. Woodcock said, "We are pleased that contract issues have been resolved and that employees will be back on the job. The secretarial/clerical personnel are an important part of the SVSC family." Woodcock said the well-being of students was of prime concern to all parties. "We now can get on with the business of educating students. That is why we exist."

The agreement, which was ratified by Association membership on Friday, and approved at a special meeting of the Board

of Control yesterday, included increases of 6.1 percent the first year, 5.25 percent the second year, and 3 percent on July 1, 1987, with another 3 percent increase on December 1, 1987. In addition, all secretarial/clerical employees not on the maximum step of their classification level will receive step increases that average 2.5 percent annually.

The last pact covering the secretarial/clerical workers was a two-year contract that expired June 30. Negotiations between the College and the Association began May 15. Additional meetings were held May 23 and 30, June 23, 25 and 27, and July 23 and 25. An impasse was declared at the July 25 meeting, and both sides agreed to call in a mediator. The teams met with mediator Bill Borushko August 8. The next agreed-upon meeting was September 4, but an additional meeting was scheduled, at the Association's request, when the mediator became available Thursday, August 29.

Chief negotiator for the College was Larry Fitzpatrick, director of personnel and contract administrator. The Association was represented by Ed Shimabukuro of MEA. The secretarial/clerical bargaining unit was organized in 1980 and represents 68 positions. Gloria Wagener, administrative secretary in the Business and Industrial Development Institute, serves as its president.

Vice President for Administration and Business Affairs Jerry A. Woodcock explains the new secretarial/clerical agreement to media at a press conference held last week.

## HIGH FIVE

SVSC's football team broke a six-game  
regular season winning streak by dropping  
a 24-17 decision to Indiana Central Univer-  
sity. "We didn't make the plays we had to  
make," said Cardinal Coach George Ihler. A  
key play that may have put SVSC in a  
position to pull out the game was an onside  
kick with 1:46 left that was negated due to  
a penalty. Senior quarterback Mike  
Leibinger completed 10 of 25 passes for 121  
yards. Fullback Tony Jones gained 62 yards  
on 19 carries, and Brian Krukowski had 57  
yards on 15 rushes. The Cardinals host  
Franklin College at 1:30 p.m. Saturday,  
September 14. The game will be carried  
live on WBCM (Radio 1440 AM) at 1:15 p.m.

Robert Lemuel earned a twelfth place finish  
at the Eastern Michigan **Cross Country**  
Invitational, completing the course in  
27:41. The Cardinals will host the SVSC  
open Saturday, September 14, at 11:00 a.m.

The volleyball team competed at an Oakland  
University tournament over the weekend. The  
Lady Cards will try to improve their 1-4  
mark at a contest in Spring Arbor Saturday,  
September 14.
