Last September, Renee Witte had to coax her fiancé, Paul Schroll, into running for homecoming court with her. When he finally agreed and got into campaigning, Paul found out how much fun it could be. Paul recalls, "I enjoyed the excitement of the whole thing more than the election itself. Being involved at SVSC contributed to the excitement."

Running in the election really made him feel proud of SVSC by seeing how students supported one another. He maintains it was this support that made him more enthusiastic. By election time the once hesitant candidate was completely absorbed, and their wish came true when he and Renee were crowned the 1985 SVSC homecoming king and queen.

Paul and Renee plan to be on hand for the crowning of the 1986 homecoming king and queen. Ceremonies are set for halftime of the homecoming football game on Saturday, October 11. The 1986 homecoming court will include: Paula Binasio and Greg Gerard; Lynnette Booms and Jeff Adamo; Mary Jo Martino and Paul Gigliotti; Kim Scott and Wallace Hearns; and Ann Wood with Jim Miller. The event is the highlight of an entire week of special activities, starting with a salad bar concert featuring the SVSC

the Cardinals on at the big
game. A live magic show fea-
turing Virgil McDonagh will
begin at 10:00 a.m., again in
Doan Mall. Brunch will be
served at no charge.

Alumni can meet in the Alumni
Tent, near the football field,
from 11:30 a.m. until 1:15
p.m. Hot dogs, chips,
kielbasa, lemonade and cider
will be provided for the pre-
game warm up.

Anyone who would like to tour
the new apartments and
buildings should meet in Doan
Lobby at noon on Saturday.

Not only is it the Cardinal's
homecoming football game, but
since they are going against
the Northwood Northmen, it is
also the Axe Bowl. Every year
the Cardinals and Northmen
compete for the coveted axe.
Fans are invited to cheer the
Cards on to victory, so they
may regain the axe trophy.
The game begins at 1:30 p.m.
at the Cardinal Stadium.
Tickets for the entire family
will be available at the
Campus Activities Office.
At 4:00 p.m. alumni can get
together at the annual Alumni
Afterglow, in the alumni tent
to enjoy the entertainment,
friends, and food. Everyone
had a great time last year;
over 300 attended. This year
is expected to be even bigger
and better, sponsors say, and
it is free to all alumni.

Families can warm themselves
with a spaghetti dinner before
heading home. The dinner will
be at the cafeteria in Doan
Center, from 4:30 p.m.-6:00

SVSC PRESIDENTIAL ASSISTANT ACCEPTS NEW POST

Dr. Gary W. Davis, assistant to the presi-
dent and secretary to the board of control
at SVSC, has been appointed Executive
Director of the Illinois Community College
Trustees Association. He will represent the
50 public community colleges of Illinois,
which enroll more than 800,000 students.

The appointment, announced by David T.
Murphy, president of the Trustees Associa-
tion, will be effective November 1. The assignment will
return Dr. Davis to Illinois, where he served as assistant
provost at Illinois State University in Normal before joining
the SVSC staff in 1983.

"Although I am pleased to have an opportunity to serve
in a position of statewide
responsibility, I regret
leaving SVSC at a high point
in its development," Davis
said. "I've enjoyed the
friendliness of the people of
Michigan and their willing-
ness to support our colleges
and universities." Dr.
Davis' last day on campus
will be Friday, October 17.

Dr. Davis' responsibilities
at SVSC included working
closely with the governing
board of the college, as well
as serving as legislative
liaison for the institution.
During his tenure the college
received approval for state
funding of two building
projects, state approipa-
tions increased fifty-six
percent, and SVSC's enroll-
ment grew fifteen percent.

President Jack M. Ryder
expressed his appreciation
for the contributions Dr.
Davis has made over the past
three years. "He has made
contributions which have been
extremely valuable to our
college and his shoes will be
hard to fill. The legisla-
tive liaison role and his
support for the activities of
the Board of Control, among
others, have been especially
valuable to our institutional
development. I can only wish
the best for him as he
assumes this new level of
responsibility."

President Ryder indicated
that a replacement for Dr.
Davis will be sought as soon
as possible.

FAREWELL RECEPTION SET

Next week SVSC will bid
farewell to Dr. Gary Davis at
a reception scheduled from
4:00 to 5:30 p.m. on Thurs-
day, October 16 in Brown Hall
faculty lounge (2nd floor).
Refreshments will be served.
All members of the campus
community are encouraged to
pay their respects to Davis,
who has accepted a position
with the Illinois Community
College Trustees Association
(see above story).

INSURANCE PRESENTATIONS

In conjunction with the Open
Enrollment period during
October, the College has
invited insurance representa-
tives from BC/BS, Health Plus
of Michigan and Group Health
Services to discuss insurance
programs. The presentations
will be held Tuesday, October
14 in the large private
dining room in Doan Center.
Two sessions are offered: one
from 10:00-11:30 a.m.; and
again from 1:00-2:30 p.m.
SVSC ADDS CAREER COUNSELOR

Ask college students what kind of help they'd most like to have, and the response is likely to be, "Assistance in choosing and preparing for a career."

SVSC faculty and staff frequently had heard that request, so this fall a new position was established to aid students in making career decisions. Ms. Allyn Talg has been hired as Coordinator of Career Counseling at SVSC, and is in the process of organizing materials and services for persons who want to know more about a specific type of job - or perhaps more about their own interests and abilities - before deciding on a course of action. She also offers personalized counseling to students and others with career-related questions.

The decision to add a career counselor was a result of a long-range planning process used by SVSC's academic and administrative units to set goals and request resources. The position was accorded a high priority because College administrators felt the function needed more time devoted to it and greater visibility, noted Dr. Ann K. Dickey, director of institutional research and planning.

"In the past, faculty, academic advisors, academic support services' staff, the College's personal counselor and the placement director provided career counseling in addition to carrying out their primary responsibilities," she said. The career counselor will draw on these resources, but will provide a centralized service.

A screening committee interviewed applicants for the job, with Talg selected as the final candidate. She joined the SVSC staff in August and is setting up a career counseling center on the third floor of Wickes Hall.

"I'm organizing a complete set of reference materials for each academic major that SVSC offers," Talg said. The materials provide background on the job opportunities in various career fields, as well as the preparation needed to enter them. General salary level information is listed, plus leads on potential employers in the field. The materials are available for use on a drop-in basis.

For more intensive research, counseling or use of computer aids such as SIGI or MOIS, appointments are recommended. "We are open from 8:00 a.m. to 4:30 p.m. daily, and are in the process of establishing evening hours," she said.

She indicated that the center also will serve area residents who may have questions about their careers. Appointments are recommended.

Talg holds a B.S. and an M.S. from the University of Wisconsin-La Crosse. She previously served as Assistant Director of Career Services at the U. of W. - La Crosse. In this capacity she taught a "Clinic in Career Planning" course, helped develop career groups, administered the on-campus recruiting program, conducted job development and worked with the Cooperative Education program.

Persons with questions about career fields may contact her at ext. 5600.

MAGLINE, INC. ESTABLISHES SVSC SCHOLARSHIP

Magline, Inc., of Pinconning has established an endowment fund to provide scholarships for SVSC students majoring in business, engineering or related programs.

The purpose of the fund, announced by SVSC Foundation Executive Director Albert J. Beutler, is to recognize scholastic achievement, encourage continued progress and provide financial assistance to business and engineering students at SVSC.

Grants will be made to full- or part-time students enrolled in an academic program leading to a degree in the School of Business and Management or the School of Science, Engineering and Technology. Recipients will be selected on the basis of scholastic performance and/or desirable qualities of character and leadership. A minimum grade point average of 3.0 (B) is required to receive or renew the award.

Candidates for the grants will be nominated by the faculties of the two schools. Finalists will be selected by the deans in consultation with the Director of Scholarships and Financial Aid.

Employees of Magline, Inc., and their families may be considered, as well as students with no affiliation with the firm. Awards, dependent upon the availability of funds earned by the endowment, will be for up to 50 percent of required tuition and fee charges.

The endowment honoring Law was created with an initial grant of $30,000. Additional contributions may be made at a later date, and all funds
are invested in interest-bearing instruments. Interest income is used for the awards to students.

At the time of his death in 1985, Don Law was Chairman of the Board and President of Magline. The Don C. Law Memorial Scholarship fund was established by Magline's board of directors to "recognize and perpetuate Don Law's commitment to the full development of individual potential."

**TRANSITIONS**

As enrollment increases and the college grows, opportunities for advancement and career development also are expanding at SVSC. Today's "Transitions" column reflects some recent changes, along with related changes that have occurred or will occur in the near future.

**Promotions**

--**Ms. Kay A. Newsted**, who has been administrative secretary to the Dean of the School of Business and Management for the past four years, has been named administrative assistant to the Dean, effective immediately. Among the functions performed by the dean's office is admission of M.B.A. students, and in the future the office also will be admitting undergraduates for their junior and senior years in business programs, according to Dr. James L. Mitchell. Newsted joined the SVSC staff in 1981. She worked in the Registrar's Office for 18 months before transferring to the School of Business and Management. She holds a B.S. from M.S.U.

Secretarial/clerical duties in the office will be assumed by a half-time senior secretary, a new position yet to be filled.

A half-time senior secretary also is being added in the School of Arts and Behavioral Sciences to accommodate the increased workload in that area as the school expands.

--**Mrs. Maureen C. Kozumplik**, administrative secretary in the Controller's Office, has been promoted to administrative assistant to the Controller, effective immediately. She has been assigned office supervisory duties and will handle special projects, said Controller James G. Muladore. Kozumplik began employment at SVSC in September of 1984. She holds an A.A. degree from Cleary College in Kalamazoo.

Two existing half-time secretarial/clerical positions in the Controller's Office will be consolidated into one permanent full-time position. "This is the final step in an office reorganization that began in January," Muladore said.

Previous changes include the promotion of **Mrs. Elizabeth Hickey** to senior accountant. **Ms. Jane Anderson** was named budget assistant. Hickey holds a B.B.A. from Western Michigan University and has been an SVSC employee since May of 1983. Anderson has a B.S. from Northern Michigan University, and joined the SVSC staff on May 9, 1983.

**Brian Fisher and John Spreeman** have been appointed to accountant positions. Fisher, formerly coordinator of student financial accounting services, has a B.S. from Central Michigan University. Spreeman, whose previous title was staff accountant, holds a B.B.A. from the University of Michigan-Flint. Fisher and Spreeman joined SVSC on February 13, 1984 and May 2, 1983, respectively.

--**Ms. Julie H. Voelck** has been named head of information services in the Zahnow Library. This newly created position entails responsibility for the management and development of the library's reference, bibliographic instruction, interlibrary loan and database search programs. Voelck holds a B.A. degree and in the social sciences and English from the U.of M.-Flint and a graduate degree in librarianship from Western Michigan University. She came to SVSC in 1985 following two years at Tri-State University.

**Transfers**

--**Mr. Tim Inman**'s new title is copy editor/typography specialist. He formerly was media coordinator in the Office of Information Services. Inman holds an A.A. degree from Delta, and joined the SVSC ranks on September 17, 1984.

--**Dr. Christos Nikolopoulos** has been hired as associate professor of computer science. Formerly he was associate professor of mathematics. Nikolopoulos joined the SVSC faculty in 1983. His degrees include a B.S. from the University of Athens and a Ph.D. from Colorado State University.

**New A/P Staff**

--**Mr. Daniel M. Strasz** has received a one-year temporary appointment as admissions representative. Strasz earned his bachelor's degree from SVSC in 1986, and served as Student Body President in 1985-86 have full or part time jobs.

The expanded class schedule includes added sections of Introduction to Teaching,
DEAN OF STUDENT AFFAIRS SETS UP OFFICE IN WICKES HALL.

Richard P. Thompson, dean of student affairs, has relocated his office to the third floor Wickes Concourse, in what was formerly the dean of students office. Nancy Neal, executive secretary, also has moved to the new location. In addition to daytime hours, evening hours are available by appointment. The office phone extension is 4294.

NOMINATIONS SOUGHT FOR HONORARY DEGREES

Each year at commencement SVSC awards honorary degrees to persons of distinction. The President's Office currently is accepting nominations for the awards.

Names of prospective recipients will be submitted to the Board of Control in December, 1986, and honorees will be named during April, 1987. Honorary degrees are awarded to persons who exhibit one or more of the following characteristics: a record of outstanding achievement in one's vocation or avocation; strong support for the cause of higher education; distinction in activities designed to improve the quality of life; and, philanthropic support for education and, in particular, for SVSC.

POLISH LECTURER HERE THURSDAY

Vladyslaw Zawistowski, Polish author and poet, will be speaking at SVSC this Thursday, October 9, at 12:30 p.m. He will present a lecture on "Recent Events and Polish Drama" in the Wickes Hall faculty lounge.

Zawistowski has published two plays, two books of poetry and a novel. A poem and an excerpt from one of his plays appeared in the Polish issue of the Green River Review. Zawistowski, a resident of Gdansk, Poland, currently is on a six-week tour of the U.S. under the auspices of a USIA grant. The lecture is open to the campus community free of charge.
