Dear Faculty, Staff and Students

In conjunction with the commencement ceremony in May 1987, the selection committee for the Franc A. Landee Award For Excellence in Teaching is accepting nominations from the SVSC community (including alumni, faculty, staff, and students) for this prestigious award.

Since 1971, a faculty member has been selected to receive an award for excellence in teaching. Again we ask for your participation in assisting the committee in making a decision by providing information about the candidate you recommend for this honor and recognition. The Faculty member selected receives a monetary award, Presidential medallion, and a plaque.

This brochure includes a list of those faculty currently eligible for the award. You need only identify that faculty member and include a reason for your choice. To return the ballot, simply refold the brochure to display our address, secure with tape or staple, and drop it in the mail or return it personally to my office.

I wish to remind you that your response is very important to the whole process of selecting an award winner(s). The committee reviews each ballot returned for the quality of and expressed reasons for your choice. I emphasize that this activity is not a popularity contest based on the quantity of ballots received. Your opinions are most valuable to the selection committee.

The deadline date for receiving your ballot is March 1, 1987.

If possible we would appreciate early replies. On behalf of the committee, we welcome your contribution!!

Sincerely,

Thomas E. Kullgren
