January 13, 1987

COLLEGE REMEMBERS MARTIN LUTHER KING WITH PROGRAM

Martin Luther King Jr. was a symbol of freedom for many black Americans during the turbulent '60s. However, his death was mourned by many more than the people of his own race.

In remembrance of the Rev. Dr. Martin Luther King Jr. and his accomplishments, a dinner and commemoration program is scheduled for Thursday, January 15.

The program will feature readings in honor of King and a talk by Roosevelt Ruffin, principal of North Intermediate Junior High School and member of the Saginaw City Council.

The dinner begins at 7 p.m. in the lower level of the Doan Center. Cost is $2 for faculty and staff. Students will be admitted at no cost.

Make reservations by contacting the Campus Activities Office at ext. 4170.

The event is co-sponsored by the Black Student Association, Campus Activities, Evening Services Office and the History/Political Science Club.

The national observance of King's birthday is Monday, January 19. His actual birthdate is January 15.

CLEAN INDOOR AIR ACT TO CHANGE CAMPUS SMOKING POLICY

Michigan Public Act #198, also called the "Clean Indoor Air Act," took effect Jan. 1 to create non-smoking as the norm for public places. The act states, "An individual shall not smoke in a public place or at a meeting of a public body, except in a designated smoking area."

SVSC is implementing the act by posting no smoking signs at building entrances. In addition, smoking areas have been designated on a temporary basis and President Ryder has appointed a study committee charged with writing a revised smoking policy for the College. The committee, co-chaired by Coordinator of Health Services Gloria Hansen and Director of Campus Activities and Orientation Diane Brimmer, must develop a proposal that meets minimal standards of the new law. It must recommend: designated smoking areas on campus, a smoking policy for all offices occupied by more than one employee and for all residence halls and the Pine Grove apartments, and guidelines for enforcement of the Clean Indoor Air Act and any campus policy that may go beyond the minimal requirements of the legislation.

The committee's proposal is to be submitted to the President by the end of February for review by appropriate campus groups.

Brimmer urges patience with smokers who may be unaware of the new law. "Your assistance in educating others to the law is requested," she says. Copies of "Clearing the Air: Michigan's New Clean Indoor Air Act" will be distributed to faculty and staff members in the very near future, Brimmer says.

Until the proposed recommendations have been drafted and are approved, the following locations have been designated as smoking areas:

DOAN CENTER: Mall, North Side 3rd Floor WICKES: South End BROWN HALL: Lounge 204 BROWN HALL: 1st Floor Restrooms BROWN HALL: 3rd Floor Restrooms SCIENCE: 3rd Floor Restrooms SCIENCE: 1st Floor Restrooms PIONEER HALL: West End 2nd Floor Lounge PIONEER HALL: 1st Floor Restrooms 66-68 BUILDING: North Lobby 66-68 BUILDING: South Lobby ADMINISTRATIVE SERVICES BUILDING: Lobby THEATRE: Lobby PIONEER ANNEX: Room 1214 ATHLETIC BUILDING: Lobby

Individuals who observe others smoking outside these areas are asked to tactfully inform the smoker of the new act and the closest smoking area. If this does not secure cooperation and the smoking is deemed to be a problem, a grievance form may be signed in the Public Safety Office.
PERMANENT KEYING SYSTEM INSTALLED IN I.F. 2

Problems related to installation of a permanent keying system in I.F. 2 have been resolved and new locks have been placed on Science Building doors. Rekeying of Brown Hall is scheduled to begin today, according to Physical Plant Director Tom Summers.

Installation of the new system comes after several weeks' delay. "We anticipated receiving the permanent cores when we opened the buildings last September, except for areas where the contractors were still working," said Vice President for Administration and Business Affairs Jerry A. Woodcock, "but several factors prevented timely delivery."

Woodcock explained that temporary locks are used by contractors during construction with permanent locking systems to be delivered to the owner (College) when the building is completed. The permanent locks are included in the project specifications, but for security reasons are not installed while contractors are still on the job.

Reasons for delay in delivery of the permanent locks include manufacturing problems, loss of a partial shipment in transit and disputes between the general contractor and his vendors over financial obligations. Despite these difficulties, the permanent keying system was received early this month, Woodcock said.

Meantime, it was necessary to use temporary keys, which the College had. Some persons questioned why locks were not obtained locally. However, Woodcock said the complexity of the College locking system prevents purchasing cores from a local, "off-the-shelf" source. "The I.F. 2 locks must be tied to the general locking system on campus," he said. "Also, we must have a system with removable cores to give us needed flexibility, and for security reasons we must have a high quality lock." Bob Hanes, director of engineering services, explained that the College requires a system that supports at least two levels of master keys, and this cannot be provided by "stock" systems. "Our system includes departmental masters that will access all doors in a given area, such as biology, and grand masters that will open any door in a building," he said. He noted that I.F. 2 contains more than 1,000 locks.

Separate meetings for Brown Hall and the Science Building will be scheduled soon with Dr. Robert S. P. Yien, vice president for academic affairs, and the appropriate deans to discuss the locking system.

TAX REFORM ACT SEMINAR SET

In an effort to simplify some of the reforms of the 1986 tax act, the SVSC student business association is sponsoring a presentation beginning at 1:00 p.m., Wednesday, Jan. 14.

SVSC graduates William Mulders and Mike Robbins will attempt to solve some of the mystery surrounding the reforms in the new tax laws.

Robbins is a manager in Ernst & Whinney of Saginaw's tax department, while Mulders is a senior consultant in the tax department of the same firm. Both have been with Ernst & Whinney for four years. The pair also have given a number of presenta-

tions on the tax reform act for clients and other groups in the Saginaw area. Mulders' and Robbins' discussion will focus primarily on the effect the changes will have on individual returns. In addition, since some changes are expected to be reflected in the May certified public accounting examination, the duo will address the test topic.

The presentation will take place in the lower level of the Doan Center. There is no charge. A luncheon, $4.50, will precede the discussion at 11:30 a.m. For luncheon reservations, call ext. 4110, between 8:30 a.m. and 4:30 p.m., Monday through Friday.

CHANGE IN LIBRARY HOURS

A flyer listing library hours for Winter 1987 semester was included in the January 6 issue of The Interior. Please note the following change:

January 5 (Classes Begin) -
February 22...Regular Hours

In addition, please remember that the library will be closed beginning February 23 for the move to the new campus facility.

DETROIT INSTITUTE OF ARTS' LECTURER TO DISCUSS LATIN AMERICAN ART

Hope Palmer, lecturer for the statewide services program of the Detroit Institute of Arts, is scheduled to present slide lectures of modern Latin American art at Saginaw Valley State College in January and March.

Palmer will first discuss "Harbingers of the Modern Movement," at 6:30 p.m., Thursday, Jan. 29 in the SVSC Theatre. Her discussion is
sponsored by the Bilingual Bicultural Education Center.

Palmer will discuss the accomplishments of the first moderns, Dr. Atl, Rivera, Orozco, Siqueiros and other early muralists.

"The Images Realized: Recent Directions in Latin American Art," will be the topic of the March 26 lecture in the Doan Center.

There is no charge for either of the lectures.

Palmer received her master's degree in art history from the University of Michigan. She also was an assistant professor of humanities at Wayne State University and is a painting and drawing professor at Henry Ford Community College. In addition, Palmer is an art historian and lecturer with the Birmingham-Bloomfield Art Association. Her fabric arts have been displayed in the metropolitan Detroit area.

Funding for the DIA's statewide services lecture program is through the state of Michigan.

briefly speaking

-- Japanese Woodcut Prints will be displayed through January 21 at the SVSC Art Gallery. Admission is free. For further information call extension 4159.

-- Open recreation is offered at Cardinal Gym and Delta College's Pioneer Gym for SVSC faculty and staff. Activities include weight lifting, basketball and volleyball. In addition, Delta offers swimming and racquetball. For a schedule of hours, contact the SVSC Intramurals Office at extension 4067.

-- Free Aerobics Classes for all SVSC faculty and staff are being offered on Tuesday and Thursday at 8:00 a.m. Each session is held upstairs in Cardinal Gym. The weight room is available for use after each workout. For more information call ext. 4067.

-- Faculty and staff who spend long hours at a desk may need to try "Desker-cises." Health Services has a complete list of helpful hints to relieve neck and shoulder tension, improve profile, trim the beltline, and work the chest, back and legs.

-- The Wonderful World of Mr. Fingers will feature a journey into magical moments, including actual ESP tests and mind reading. The event will take place from 8:00 p.m. to midnight, Wednesday, January 14 in the theatre. Admission is $2. Call Campus Activities for further information at ext. 4170.

-- The Saginaw Valley Entrepreneurs Club will meet at 6:00 p.m., Wednesday, January 14 in the lower level of Doan Center. Guest speaker John Rohr of the Network of Winners Corporation will discuss "How to Motivate Employees Through Effective Performance Evaluation Programs." The evening begins with a social hour, followed by dinner and the speaker. For reservation information contact Amy Ferguson at extension 4048.

-- Performing at the next Salad Bar Concert will be SVSC's Valley Woodwind Quintet. The free concert will be held in lower level Doan Center on Tuesday, January 20 from 11:30 a.m. to 1:00 p.m. Taco salad will be available for $1.45, or guests may bring a lunch.

-- A Blood Drive will be held in Wickes Hall on the third floor north concourse from 11:00 a.m. to 5:00 p.m. on Tuesday, January 20. General requirements for donating blood include good health, weigh at least 100 pounds, at least 17 years of age, and eat a meal within 6 hours of donating. For details call Health Services at ext. 4272.

-- Auditions for the SVSC winter theatre production of "J.G., Specs and Angie" are scheduled from 3:00 to 10:00 p.m. on Tuesday and Wednesday, January 20 and 21. Auditions will take place in the theatre. For further information call Dr. Gourlay at extension 4306.

-- The Valley Film Society will screen "Day of Wrath (Dies Irae)" at 7:45 p.m. on Friday, January 23 in Wickes Lecture Hall. The film portrays witchcraft in a small Danish town that becomes the symbol for the evil that engulfed Denmark. For membership information call extension 4332.

-- Clayton Dickey and Dr. Ann Dickey, director of Institutional Research and Planning, will present "Russia's Four Grand Cities and Chernobyl" on Tuesday, January 27 from 4:00 to 5:00 p.m. in Wickes Hall faculty lounge. Admission is free. For further information on the program, call extension 4068.

-- "Why The Constitution," a lecture by Larry Glynn, associate professor of history at Delta College, is scheduled to kick off a series of events marking the Bicentennial of the U.S. Constitution. Glynn's lecture will begin at 7:00 p.m. on Wednesday, January 28 in the Delta College theatre.
BUDGET PRESENTATIONS, STATE OF COLLEGE ADDRESS SCHEDULED

College President Dr. Jack Ryder is scheduled to make two budget presentations in January and February.

The first presentation is set to take place from 8:30 to 10:00 a.m., Monday, January 26 in lower level Doan. The second is scheduled from 4:00 to 5:30 p.m., Thursday, February 5 in the Wickes Lecture Hall.

In addition, Dr. Ryder will make his State of the College address from 12:30 to 2:30 p.m., Friday, February 6 in the Wickes Lecture Hall.

Dr. Robert S.P. Yien's office will distribute reminders to faculty and staff.

PERSONNEL

The following position is open to all regular employees of the College:

ASSISTANT PROFESSOR, art; full-time (permanent) position for fall 1987. Master of fine arts or terminal degree required (may consider candidates near completion). Salary negotiable.

All internal applications must be received by Monday, January 19.

HIGH FIVE

-- In men's basketball action Saturday, Oakland University handed the Cardinals a 59-56 loss in Cardinal Gymnasium. SVSC's season record is 7-5, 1-2 in the GLIAC. The next home game will be Thursday, January 22 against Lake Superior State College.

-- The women's basketball team raised their season record to 12-0 (3-0 GLIAC) after defeating Oakland University, 62-52, Saturday. Sue Mayes-Scott and Sandy Theriault each scored 15 points. Trena Sanders had a season-high 20 rebounds. The win marked SVSC's 54th consecutive home win, 26th straight regular-season win, 16th straight GLIAC win and seventh straight win over Oakland. The Lady Cards travel to Wayne State University this Thursday for a 5:15 contest against the Tarters. Game time is set for 5:15 p.m.

EVENT WATCH

Jan. 13-21...Art Gallery: Japanese Prints
Jan. 14..."Mr. Fingers"
Jan. 14...Entrepreneurs Club Meeting
Jan. 15...M.L. King Birthday
Jan. 20...Salad Bar Concert
Jan. 20...Blood Drive
Jan. 20-21...Auditions

For times & details see monthly calendar or call Information Services

Marshall Fredericks, center, stands with assistants Tom Palazzola, left, and Scott Slocum in Fredericks' greenhouse. Palazzola and Slocum are assisting Fredericks in the preparation of various original plaster models that will be displayed in the Marshall M. Fredericks Sculpture Gallery of SVSC's new Fine Arts Center. Fredericks uses the greenhouse--part of the former Briggs's estate on the west side of Detroit--as a restoration studio for many of the pieces that are intended for SVSC.
