**SVSU names new Dean of Nursing & Allied Health Sciences**

A highly regarded scholar and practitioner of nursing has been selected to head SVSU's College of Nursing and Allied Health Sciences. Cheryl E. Easley will begin her duties at SVSU in March.

Easley leaves a dual assignment as chairperson and associate professor of Rush University College of Nursing's Department of Community Health Nursing and as director of nursing, Rush Primary Care Institute, Rush-Presbyterian-St. Luke's Medical Center. Both the university and the medical center are located in Chicago.

Prior to joining Rush, Easley served as assistant professor of public health nursing at the University of Chicago. She also held a variety of teaching and administrative positions at the University of Michigan from 1978 to 1989. Her experience there included three years as interim assistant dean for undergraduate studies in the university's School of Nursing.

Other teaching experience includes appointments in the Andrews University (Berrien Springs) Department of Nursing, the City University of New York-H.H. Lehman College Department of Nursing, the M. Vernon School of Practical Nursing and the Rochambeau School of Practical Nursing. Easley also served as home care coordinator for the New York Infirmary and as public health nurse for the Yonkers (NY) Public Health Department.

Easley holds an Arts Master degree in public health nursing and a Ph.D. in nursing from New York University. She earned a B.S. in nursing from Columbia Union College (MD). She has concentrated in community health issues and is highly regarded as an expert in the field. She speaks frequently on faculty practice models, public health issues and women's and minority concerns in education. She has authored and collaborated in numerous professional publications.

An experienced administrator, Easley is credited with understanding and articulating the changes in health care: from illness to prevention, and from institutional to community-based care.

Easley's selection followed an intensive nation-wide search that included both internal and external applicants. "We were extremely pleased with the caliber of candidates, both from the University and outside," said Robert S.P. Yien, vice president for academic affairs. "The decision was very difficult.

"We look forward to welcoming Dr. Easley to our staff. I am confident that she will be able to build on the excellent programs already established in the College of Nursing and Allied Health Sciences."

As dean, Easley will oversee SVSU's graduate and undergraduate nursing programs, the medical technology program and the program in occupational therapy. She replaces Dr. Crystal M. Lange, who founded the nursing and related health programs at SVSU. Lange was promoted to associate vice president for academic affairs in June 1996.
Board of Control authorizes discussions with MDOT

SVSU’s Board of Control adopted a resolution authorizing administrators to work with the Michigan Department of Transportation (MDOT) on the development of plans for a planted boulevard stretching from Pierce to Freeland Road.

The proposed boulevard is part of MDOT’s planned widening of Bay Road (M-84) from Tittabawassee Road to Bay City. Long-range plans call for the highway linking Saginaw and Bay City to expand to four and five lanes, said Jerry A. Woodcock, vice president for administration and business affairs.

Woodcock said SVSU officials have had discussions with MDOT over the past several years regarding plans for the roadway expansion. They have sought agreement to have the portion of Bay Road that fronts the campus designed to include a planted boulevard.

Last month Woodcock received word from MDOT indicating willingness to install the boulevard and related improvements if SVSU would contribute approximately 16 acres of its property along M-84 for the proposed expansion. “The property is a long, narrow strip along the west edge of campus,” he said.

The arrangement will result in a stretch of roadway that will both benefit traffic flow at SVSU’s main entrance and be aesthetically pleasing, Woodcock said. Improvements include plantings, curb and gutter and suitable drainage.

The boulevard will provide left and right turn lanes and a signal at the University entrance, according to Regine Beauboeuf, Project Manager in MDOT’s Design Division. Other provisions of the arrangement cover replacement value for any University signs that may be removed due to road construction, and landscape treatments consistent with MDOT practices and SVSU objectives defined on the campus master plan. Work is not expected to begin for some time, Woodcock said.

University Art Gallery schedules exhibition

SVSU will begin 1997 with “Steve Jessmore: Photography,” an exhibition of work by the chief photographer at the Saginaw News.

“Steve Jessmore creates art on a continuing everyday basis,” said Barron Hirsch, director of the University Art Gallery. “His photos doc-
ument real events in the life of the Saginaw Valley. This exhibit displays a collection of his most acclaimed works.”

Jessmore’s images of people and places have collected numerous honors, including the Robert F. Kennedy Journalism Award and the National Press Photographers Association Regional Newspaper Photographer of the Year.

The exhibition will be on display from Wednesday, Jan. 8 through Thursday, Jan. 30 in the University Art Gallery, located in the Arbury Fine Arts Center.

An opening reception will be hosted by the Saginaw News from 4 to 6 p.m. Wednesday, Jan. 8 in the Gallery.

Gallery winter hours are Monday and Wednesday from 12 noon to 5 p.m., Tuesday and Thursday from 1 to 5 p.m. For further information, call Hirsch at ext. 4391, or the Fine Arts office at ext. 4159.

Flûtée presents “The Snow Queen”

Flûtée, SVSU’s professional Quartet in Residence, will present The Snow Queen, offering school performances at 9:30 a.m. and 10:45 a.m. Friday, Jan. 17 and a family performance at 3 p.m. Sunday, Jan. 19 in the SVSU Theatre.

With narration by Judith Kerman, SVSU’s dean of arts and behavioral sciences, Flûtée will perform J. Pachelbel’s Cannon and Gigue, F.J. Haydn’s Divertimento, G. Puccini’s Chrysanthemum, four songs from Gilbert & Sullivan Operas, G. McKay’s Suite Matinale, and David Alpher’s Land of the Farther Suns.

Tamara Grefe, pianist, will provide accompaniment. SVSU faculty and staff may request complimentary tickets to the performance by calling ext. 4159.

Chief Justice to keynote MLK luncheon

Michigan Supreme Court Chief Justice Conrad L. Mallett Jr. will be the keynote speaker at SVSU’s Martin Luther King luncheon on Wednesday, Jan. 22. The event begins at 12 noon in West Complex Banquet Room C.

Mallett recently was named to the top position on the state’s Supreme Court. He first was appointed a Supreme Court justice in 1990 and subsequently has been elected to the post twice.

Sponsored by the Office of Multicultural Programs, cost of the luncheon is $2 per person. For reservations call ext. 4397 or 4177.
SVSU hosting two theatre workshops

Professional performers Steve Miller and April Evans Miller will conduct two workshops at SVSU for aspiring actors. Admission is free, but reservations are required.

“The Business: What’s in it for me?” takes place from 1 to 4 p.m. Saturday, January 25 in SVSU’s Studio Theatre, located in West Complex Performing Arts Center. The workshop targets people considering acting as a career. The Millers discuss what to expect and what’s expected of actors, with emphasis on treating acting like a business. Topics include agents, casting directors, portfolios and the nuts and bolts of “show biz” as well as the variety of opportunities.

A second workshop, “Auditioning/Developing a Character,” is set for 1 to 4 p.m. Saturday, February 1 in the Studio Theatre. Participants will learn to hone audition techniques and to make good character choices in the process. The “Twelve Guideposts” presented in Michael Shurtleff’s book Audition form the basis for the hands-on workshop. Scenes will be provided for cold readings.

Steve Miller most recently was seen in an episode of Walker, Texas Ranger. He has appeared on stage at the Actors’ Theatre of Dallas, the New Horizon’s Theatre and the Rising Moon Theatre. His roles include Laertes in Hamlet and Bobby in Run for Your Wife. He also does commercial and voice-over work.

April Evans Miller appeared as Thelma in the Actors’ Theatre of Dallas production of The Trip to Bountiful. She has extensive stage credits in a number of theatre companies and has been active in film and commercial work. She holds a BFA in acting from Baylor University.

The workshops at SVSU are sponsored by the Department of Communication and Theatre. The Millers are available for bookings of their performance Scenes of Love from Shakespeare between January 14 and 30. For information on booking or for reservations in either workshop, call ext. 4147.

Professional Profile

- Sally Edgerton, professor of teacher education, and Bess Kypros, Madonna University, co-presented a paper titled “Creating Peaceful Classrooms” at the National Association for the Education of Young Children national confer-ence November 22, 1996 in Dallas, Texas. The model for a peaceful learning community, an inclusive second grade classroom, was the subject of Edgerton’s sabbatical for the 1995-96 academic year.

- Gary Thompson, professor of English, had his book, Rhetoric through Media, published January 1, 1997 by Allyn and Bacon. The book is intended for courses in freshman composition, mass media and cultural studies. The publisher’s brochure includes the following description:

“The title Rhetoric through Media expresses the central idea of this book: critical analysis of contemporary media can serve as the basis for understanding rhetoric. Rhetoric through Media develops students’ abilities to view the media critically and to write and think for academic purposes. Its accessible tone allows students to make critically sophisticated use of materials with which they are already familiar, texts from popular culture. Students write their way toward understanding how important rhetoric is, not only for college classes, but for the culture generally.”

The text is 660 pages, and includes essays, journal entries and other materials from 16 SVSU students.

Board of Control grants tenure and sabbaticals

Four faculty who were recommended for tenure received Board approval December 13. Board members also approved sabbaticals for 16 full-time faculty.

Those receiving tenure are: Diane Krider, Communication/Theatre; Zhidong (Patrick) Pan, Mathematical Sciences; Mary Solterman, Nursing; and Carol Wolfe, Teacher Education.

Faculty are granted sabbaticals to maintain and enhance their professional knowledge. Those who will begin sabbaticals in 1997-98 are: Judith Apgar, Nursing; William Barnett, Sociology; Robert Braddock, History; Emilio Castañeda, MFL; Frank Chen, Physics; Eric DeVos, Psychology; Gail Kantak, Biology. Also, Mahendra Kanthi, Economics; Robert Lane, Political Science; Ricardo Pastor, MFL; Ann Rae, Social Work; Carlos Ramet, English; Beth Roe, Nursing; Janet Rubin, Theatre; David Schneider, Communication; and Matt Zivich, Art.

Some have opted for full sabbatical during a specified semester, while others are taking partials over an extended period.
Cuban books on display in SVSU library

While shortages of paper and hard currency in the post-Soviet era have crippled conventional book publishing in Cuba, one small press that shuns high tech methods continues to flourish. Several books produced in this literary house will be on display in Zahnow Library throughout the month of January.

"Ediciones Vigía," founded in 1985, uses the most basic printing techniques. Its publications are typed on two antiquated Underwood manual typewriters and mimeographed, often on scrap paper. Illustrations, cut and colored by hand, may include pieces of foil, swatches of fabric, sheets of tissue—and even strips of bark.

These labors of love are produced by 10 modestly-paid staff with volunteer assistance. Runs are limited to 200 copies per edition. Ediciones Vigía takes its name from its location in the Plaza de la Vigía (Watchtower Square). It concentrates on poetry, short stories, literary criticism and works for children.

The SVSU display is courtesy of Judith Kerman, dean of Arts & Behavioral Sciences. Kerman visited Cuba December 9 through 15, her second trip to the island in the past year.

"I was very interested in seeing Ediciones Vigía because of my own interest in book publishing," Kerman said. "I exchanged books with them and gave them some paper."

Kerman has translated several works by Cuban poet Dulce María Loynaz. Several of her translations will be included in an upcoming edition of Vigía's periodical Revista.

The collection currently on display at SVSU will be part of a Saginaw Art Museum exhibit later this year.

"Protecting Your Business" topic of Entrepreneurs Club meeting

Richard Leininger, professor of marketing at SVSU, will present a program on "Protecting Your Business—Avoid Deceptive and Illegal Selling Methods" at the Wednesday, Jan. 8 meeting of the Saginaw Valley Entrepreneurs Club. A social/networking hour begins at 6 p.m. in Curtiss Hall, Seminar Room D.

Leininger's program is intended to inform participants, as both consumers and business people, about specific unfair and deceptive selling methods that are illegal under the Michigan Consumer Protection Act. His research and applied studies provide a vast array of examples and circumstances that explain the concept of the law and its effect on small businesses.

Cost for the evening is $14 in advance, $16 at the door. Anyone interested in the topic may attend the meeting. To make reservations, contact the Business & Industrial Development Institute at ext. 4388.

Public Safety to hold women's self defense class

The Department of Public Safety will be offering a Rape Aggression Defense (RAD) class from 3 to 7 p.m. February 4, 11 and 18.

RAD is a comprehensive self defense approach to women's safety that heightens a woman's awareness, improves her confidence and realization through education and self defense. The cost of the class is $20 per person. Any woman interested in the class should contact Officer Marc Strain at ext. 4157 or Officer Bethany Rusch at ext. 4133.
