TEACHER ENRICHMENT GRANT PROGRAM • MUSIC TEACHERS NATIONAL ASSOCIATION: MTNA FOUNDATION
Provides support to music teachers, including faculty, for private study or special projects in performance, pedagogy, music theory, composition, etc. Support is also available for individual classes, small projects, workshops, master classes, and seminars for the enhancement of teaching skills. Membership in MTNA is not required. Preference given to those whose primary income source is independent teaching. Most awards range from $250 to $1,000 each. See http://www.mtnafoundation.org/mtna-grants/teacher-enrichment-grants/teacher-enrichment-grant-guidelines/ for details.

Application Deadline: January 3, 2014

AMERICA’S HISTORICAL AND CULTURAL ORGANIZATIONS: PLANNING GRANTS
NATIONAL ENDOWMENT FOR THE HUMANITIES
Program allows institutions to provide the public with opportunities to explore the humanities through activities such as exhibitions, reading and film discussion series, catalogs, lectures, symposia, and websites. Planning grants support the early stages of project development, including consultation with scholars, refinement of humanities themes, preliminary design, and audience evaluation. Projects with broad outreach and digital components are strongly encouraged. Grants generally range from $40,000, to $75,000. See http://tinyurl.com/c9tu82c for details.

Application Deadline: January 8, 2014

LINGUISTICS • NATIONAL SCIENCE FOUNDATION
Supports basic science in the domain of human language, encompassing investigations of the grammatical properties of individual human languages and of natural language in general. Topics of interest include syntactic, semantic, morphological, phonetic, and phonological properties of individual languages and of language in general, and investigation of linguistic questions that are interdisciplinary in nature. Annual deadlines: target dates are 1/15, 7/15. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5408 for details.

Application Deadline: January 15, 2014

POLITICAL SCIENCE • NATIONAL SCIENCE FOUNDATION
Supports research that advances knowledge and understanding of citizenship, government, and politics, bargaining processes; campaigns and elections, electoral choice, and electoral systems; citizen support in emerging and established democracies; democratization, political change, and regime transitions; domestic and international conflict; international political economy; party activism; political psychology and political tolerance. Annual deadlines: 1/15, 8/15 (research proposals). Doctoral dissertation proposals due 1/15 and 9/16.

Application Deadline: January 15, 2014

SOCIOLOGY • NATIONAL SCIENCE FOUNDATION
Supports basic research on all forms of human social organization: societies, institutions, groups, demography and processes of individual and institutional change. Encourages investigations aimed at improving explanation of fundamental social processes, such as research on organizations and organizational behavior, population dynamics, social groups and movements, labor force participation, stratification and mobility, family, social networks, socialization, and gender roles. Annual deadlines: research target dates are 1/15 and 8/15; and target dates for dissertation proposals are 2/15 and 10/15.

Application Deadline: January 15, 2014

VISITING FELLOWSHIPS • HOUGHTON LIBRARY
Supports short and long-term fellowships at the Houghton Library, which contains Harvard College's rare books and manuscripts. Collection is particularly strong in European, English, American, and South American literature, including the country's pre-eminent collection of American literary manuscripts; philosophy; religion; history of science; music; printing and graphic arts; dance; and theatre. Fellows have access to other Harvard libraries as well as Widener Library. Stipends $3,000. Preference given to research closely based on materials in Houghton collections, especially when those materials are unique. See http://tinyurl.com/yg9jct for details.

Application Deadline: January 17, 2014

Check Out a Book From the Sponsored Programs Library
Example topics include: Grant evaluation, Grant Management, Content Area Information, Writing Grant Proposals, Higher Education Reference Books, and funded grant applications. Stop by and take a look.
**BUSINESS MANAGEMENT**

**RESEARCH FELLOWSHIPS AND GRANTS • AMERICAN STATISTICAL ASSOCIATION**
Supports faculty working with statisticians, social scientists, and economists in federal statistical agencies. Programs include: ASA/NSF/Census Research Program (Annual deadline: 12/10); ASA/NCHS Research Fellowship Program (11/30); ASA/NSF/BLS Fellowship Program (last deadline: 1/20/13); ASA/NASS Research Fellow and Associate Program (deadline TBD); and ASA/NSF/BEA Fellowship Program (last deadline: 1/18/13). See http://www.amstat.org/careers/fellowshipsgrants.cfm for details.

*Application Deadline: November 30, 2013*

**FELLOWSHIP AND INTERNSHIP PROGRAMS • AMERICAN INSTITUTE FOR ECONOMIC RESEARCH**
Visiting Research Fellowships support summer research in residence at the institute in areas such as money, banking, and credit; public and personal finance; economic and monetary history; and other topics. Summer Fellowships support students entering or enrolled for up to two years in a doctoral program in economics or affiliated discipline. See http://tinyurl.com/lym5zy for updates. Internships (4/1 deadline for summer, 8/1 for fall semester, 12/1 for spring) introduce accomplished undergraduate and graduate students to economic research.

*See http://tinyurl.com/khtmyb for details.*

*Application Deadline: December 1, 2013*

**METHODOLOGY, MEASUREMENT, AND STATISTICS (MMS) • NATIONAL SCIENCE FOUNDATION**
The Methodology, Measurement, and Statistics (MMS) Program is an interdisciplinary program in the Social, Behavioral, and Economic Sciences that supports the development of innovative analytical and statistical methods and models for those sciences. MMS seeks proposals that are methodologically innovative, grounded in theory, and have potential utility for multiple fields within the social and behavioral sciences. As part of its larger portfolio, the MMS Program partners with a consortium of federal statistical agencies to support research proposals that further the development of new and innovative approaches to surveys and to the analysis of survey data.

*Application Deadline: January 16, 2014*

**ECONOMICS • NATIONAL SCIENCE FOUNDATION**
Supports research designed to improve understanding of the processes and institutions of the U.S. economy and of the world system of which it is a part. Supports research in almost every area of economics, including econometrics, economic history, environmental economics, finance, industrial organization, international economics, labor economics, macromodelling, mathematical economics, and public finance. Annual deadlines: target dates are 1/18 and 8/18. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5437 for details.

*Application Deadline: January 18, 2014*

**AERA GRANTS PROGRAM • AMERICAN EDUCATIONAL RESEARCH ASSOCIATION**
Supports the development of U.S. education researchers using NCES and NSF data sets for basic, policy and applied research. Programs include: Research Grants (up to $20,000 for one-year projects, or up to $35,000 for two-year projects) and Dissertation Grants (up to $20,000 for one-year projects). Education Research Conference Program and Undergraduate Student Education Research Training Workshop also may be available.

*See http://tinyurl.com/7u2aelq for details.*

*Application Deadline: January 2014*

**ECONOMICS LITERACY GRANTS PROGRAM • CALVIN K. KAZANJIAN ECONOMICS FOUNDATION**
Supports a wide range of projects that aim to increase economic literacy, especially the best way to teach the subject (research, curriculum development); the impact of economic education (policy studies, measurement of economic understanding); and encouragement of youth/young adults to participate in the economic system after finishing school (research, conferences, outreach programs). Preference for projects that have a national scope.

*See http://www.kazanjian.org for details.*

*Application Deadline: February 15, 2014*
AWARDS AND GRANTS PROGRAM • INTERNATIONAL READING ASSOCIATION
The Association’s awards and grants program ($1,000-$8,000 usually) includes honors for teaching, service to the profession, research, media coverage of reading, and authorship of children’s books. IRA funds Children's Literature Awards, Professional Development Awards and Grants, Research Awards and Grants, Service Awards, Teachers Awards, and Grants and Travel Grants. Various deadlines occur for the different programs offered through IRA. See http://www.reading.org/Resources/AwardsandGrants.aspx for details.
Application Deadline: January 2014

GRANTS FOR EDUCATION, COMMUNITY, AND MEDICINE/HEALTH • RGK FOUNDATION
RGK Foundation awards grants in the broad areas of Education, Community, and Medicine/Health. The Foundation's primary interests within Education include programs that focus on formal K-12 education (particularly mathematics, science and reading), teacher development, literacy, and higher education. See http://www.rgkfoundation.org/ for details.
Application Deadline: January 2014

IMPROVING INSTITUTIONAL RESEARCH IN POSTSECONDARY EDUCATIONAL INSTITUTIONS
ASSOCIATION FOR INSTITUTIONAL RESEARCH
Supports postsecondary education professionals and doctoral students to conduct research using national databases at NCES and NSF. Program goals: to provide professional development opportunities to Ph.D. students, institutional researchers, educators and administrators, and to foster the use of the federal databases for institutional research in postsecondary education. The program has two major research support components: Dissertation Grants and Research Grants. Competition expected to open in November.
See http://www.airweb.org/GrantsAndScholarships/Pages/GrantProgramOverview.aspx for details.
Application Deadline: January 9, 2014

COMMUNITY ACTION GRANTS • AMERICAN ASSOCIATION OF UNIVERSITY WOMEN EDUCATIONAL FOUNDATION
Supports one-year grants ($2,000-$7,000), which provide seed money for new projects and two-year grants ($5,000-$10,000), which provide start-up funds for longer-term programs that address the particular needs of the community and develop girls' sense of efficacy. For both programs, topic areas are unrestricted, but should include a clearly defined activity that promotes education and equity for women and girls. Applicants must be women who are U.S. citizens or permanent residents. Annual deadline: 1/15.
Application Deadline: January 15, 2014

POLITICAL SCIENCE • NATIONAL SCIENCE FOUNDATION
Supports research that advances knowledge and understanding of citizenship, government, and politics, bargaining processes; campaigns and elections, electoral choice, and electoral systems; citizen support in emerging and established democracies; democratization, political change, and regime transitions; domestic and international conflict; international political economy; party activism; political psychology and political tolerance. Annual deadlines: 1/15, 8/15 (research proposals). Doctoral dissertation proposals due 1/15 and 9/16.
Application Deadline: January 15, 2014

NIAID SCIENCE EDUCATION AWARDS (R25) • NATIONAL INSTITUTES OF HEALTH
This funding opportunity announcement (FOA) encourages applications from organizations that focus on the development of science education for K-12 students. It is expected that these education programs will provide outreach to a large audience of students at a national level, directly or through their teachers, using approaches where successes can be measured.
Application Deadline: January 25, 2014
INCREASED KNOWLEDGE AND INNOVATION STRATEGIES TO REDUCE HIV INCIDENCE
NATIONAL INSTITUTES OF HEALTH
NIAID, NIDA and NIMH support research (R01) that addresses one or both of the following objectives: devise optimal strategies to improve the identification of persons unaware of their HIV-1 infection and successfully link them to HIV testing, treatment, and prevention interventions; and develop and examine the feasibility and acceptability of novel integrated interventions of biomedical and behavioral strategies that substantially reduce the likelihood of onward HIV transmission in these populations. Expires 1/8/16. See http://grants.nih.gov/grants/guide/pa-files/PAR-13-323.html for details.
Application Deadline: January 7, 2014

FELLOWSHIP AWARDS IN THE NEUROSCIENCES • KLINGENSTEIN (ESTHER A. & JOSEPH) FUND, INC.
Supports a better understanding of neurological and psychiatric disorders. Several areas within the neurosciences are of particular interest: Cellular and molecular neuroscience; Neural systems; and Clinical research. Awards fund young investigators, within 4 years of receiving his/her first tenure track appointment in a university or medical school, doing basic research in neuroscience. Candidate must hold a Ph.D. and/or M.D. and be tenure-track. Three letters of recommendation due 1/24/14. See http://www.klingfund.org/ for details.
Application Deadline: January 10, 2014

NATIONWIDE RESEARCH, DEVELOPMENT, AND TRAINING AWARDS • AMERICAN DIABETES ASSOCIATION
Supports research to fight against the deadly consequences of diabetes and fight for those affected by diabetes through several grants. Their core program is divided into three categories: general research (deadline 1/15/14); career development (1/15/14); and training (1/15/14). In addition, the Association offers Targeted RFAs (9/16/13) focused on a specific award mechanism or topic area. See http://professional.diabetes.org/Diabetes_Research.aspx?cid=91393&typ=18 for details.
Application Deadline: January 14, 2014

EXECUTIVE NURSE FELLOWS PROGRAM • ROBERT WOOD JOHNSON FOUNDATION
Program is an advanced leadership program for nurses in senior executive roles in health services, public health and nursing education who aspire to help lead and shape the U.S. health care system. Selects 20 fellows with awards up to $35,000 over 3 yrs. Funds support self-directed learning activities, independent study, and access to an electronic communications network. Optional applicant Web conference call on 11/1/13. Registration is required. See http://www.rwjf.org/en/grants/calls-for-proposals.html for details.
Application Deadline: January 14, 2014

RESEARCH AWARDS, GRANTS, AND FELLOWSHIPS
AMERICAN GASTROENTEROLOGICAL ASSOCIATION (AGA) RESEARCH FOUNDATION
Supports basic and clinical research and young investigator research career development in areas related to gastroenterology and hepatology. Annual available programs include: Research Scholar Awards (deadline 10/18/13); Funderburg Research Award in Gastric Cancer (8/30/13); Student Research Fellowship Awards (2/7/14); International Travel Award (2/21/14; Elsevier Pilot Research Award (1/17/14); and Gut Microbiome Pilot Research Award (1/17/14). Other programs available. See http://www.fdn.org/html/awards/elect_app.html for details.
Application Deadline: January 17, 2014

NIA MSTEM: ADVANCING DIVERSITY IN AGING RESEARCH THROUGH UNDERGRAD EDUCATION
NATIONAL INSTITUTES OF HEALTH
Supports research (R25) applications from institutions that propose innovative research education programs to diversify the workforce in aging by supporting undergraduate competency and completion in medicine, science, technology, engineering and mathematics (MSTEM), and application and transition to graduate study that advances a cadre of students from diverse backgrounds into NIA MSTEM fields. Partnership with R15-eligible institutions encouraged. Annual deadlines: 1/25, 5/25, 9/25. Expires 1/8/15. See http://grants.nih.gov/grants/guide/pa-files/PAR-12-016.html for details.
Application Deadline: January 25, 2014
SCIENCE, ENGINEERING & TECHNOLOGY

RESEARCH OPPORTUNITIES IN SPACE AND EARTH SCIENCES (ROSES) • NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
ROSES supports over 50 programs that are released monthly with varying deadlines and contacts. Supports all aspects of basic and applied research and technology in space and earth sciences. Upcoming deadlines include: NSBRI Center For Space Radiation Research (12/12/13); NASA ARMD Research Opportunities in Aeronautics (11/5/13); Research Opportunities for International Space Station Utilization including Higher Education Opportunities (12/19/13). Research Opportunities in Space and Earth Sciences (ROSES) - 2012 (12/3/13) Announcement of Sample Return Robot Challenge (1/7/2014) . See http://tinyurl.com/pg9ip for all solicitations.
Application Deadline: January 3, 2014

CULTURAL ANTHROPOLOGY • NATIONAL SCIENCE FOUNDATION
Supports basic scientific research about the causes, consequences, and complexities of human social and cultural variability. Annual target dates for Senior Research by Ph.D. investigators, Doctoral Dissertation Research Improvement, High-Risk Research in Anthropology, and training and workshops are 1/15 and 8/15. Annual deadlines: target dates for Cultural Anthropology Scholar awards for research-related, postdoctoral training are 1/16 and 8/16; Graduates (REG) proposals due 3/1. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5388&org=BCS&from=home for details.
Application Deadline: January 15, 2014

METHODOLOGY, MEASUREMENT AND STATISTICS (MMS) • NATIONAL SCIENCE FOUNDATION
Supports development of innovative analytical and statistical methods and models through regular research awards, mid-career research fellowships, doctoral dissertation research improvement grants, and Research Experiences for Undergraduates supplements. Proposals should be methodologically innovative, be grounded in theory, and have potential utility for multiple fields within the social and behavioral sciences. Annual deadlines: target dates are 1/16 and 8/16. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5421 for details.
Application Deadline: January 16, 2014

SEDIMENTARY GEOLOGY AND PALEOBIOLOGY (SGP) • NATIONAL SCIENCE FOUNDATION
Supports research in a wide variety of areas in sedimentary geology and paleobiology in order to comprehend the full range of physical, biological, and chemical processes of Earth's dynamic system. Encourages the study of deep-time records of these processes archived in the Earth's sedimentary carapace (crust) at all spatial and temporal scales. In 2013-2017 program will be sponsoring a two track opportunity that will consist of the normal SGP competition (Track 1) and bi-annually, a new track termed Earth-Life Transitions (ELT) (Track 2).
Application Deadline: January 16, 2014

SECURE AND TRUSTWORTHY CYBERSPACE (SaTC) • NATIONAL SCIENCE FOUNDATION
Supports cyber security research. Small projects (due 1/17/14 and 1/17, annually thereafter) provide up to $500,000 total for three years. Medium projects (10/15/13; 9/19 thereafter) provide $500,001 to $1.2 million in total budget for four years. Frontier projects (11/19/13; 11/19 annually thereafter) provide $1.2 million to $10 million in total budget for five years. Cybersecurity education projects (12/19/13; 12/19, annually thereafter) provide $300,000 for two years. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504709 for details.
Application Deadline: January 17, 2014

RESEARCH IN ENGINEERING EDUCATION • NATIONAL SCIENCE FOUNDATION
Supports research on diversifying pathways to and through engineering degree programs; understanding how to increase the diffusion and impact of engineering education research; understanding engineering education in broader, organizing frameworks such as innovation, globalization, complex engineered systems, to increase understanding of how engineering students learn and discover. Annual deadlines: proposals due the fourth Thursday in January and the third Thursday in September. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=503584 for details.
Application Deadline: January 23, 2014
Tai-Chi Lee, Professor of Computer Science and Information Systems, was awarded a $2,500 Undergraduate Fellowship from the Michigan Space Grant Consortium on behalf of student Amanda Pavlicek for her research: Securing the Mission: An Analysis on a Proposal of NASA Mission Software Implementation and Execution using Petri Nets. The purpose of this project was to improve the validation and performance of mission safety software. The manipulation of Petri net graphs were used to illustrate the key discrepancies in efficiency and productivity between two different software development archetypes (Waterfall model and Agile model) and how the development standards are applied by Mission Control System Engineers and NASA programming-central project teams. A paper on this research was accepted by the 2012 World Congress in Computer Science, Computer Engineering, and Applied Computing publication.

Statistical Analysis of Weather Data • FY 11
Morteza Marzjarani, former Professor of Computer Science and Information Systems, was awarded a $2,500 Undergraduate Fellowship from the Michigan Space Grant Consortium on behalf of student Gregory McNish for his research on the statistical analysis of weather data. McNish used data collected from two instruments on NASA satellites, the Multiangle Imaging SpectroRadiometer (MISR) and the Moderate Resolution Imaging Spectroradiometer (MODIS) for the location of the Kennedy Space Center. He then applied functional data methods such as Bayesian or hierarchical Bayesian modeling to analyze the data sets. The results of this study revealed the probability of precipitation occurring during different months of the year. This information can then be applied when choosing optimal launch dates at the Kennedy Space Center.
UPCOMING FUNDING

NEW ONLINE INTERNAL GRANT SYSTEM — COMPETITION SPACE
Sponsored Programs is pleased to announce Competition Space (supported by InfoReady), a new online system for submission of most internal grants, beginning with the submission of the SVSU Faculty Research and Professional Growth Grants due November 15th by 4:30. Grant guidelines can be accessed by visiting the Sponsored Programs home page, http://svsu.edu/sponsoredprograms/, clicking on Internal Grants on the left side, and clicking on application guidelines under the appropriate opportunity. Please follow the steps below to create an account and apply for an opportunity.
1) Access the online application by visiting http://svsu.infoready4.com/CompetitionSpace/.
2) Click on the grant you would like to apply for under competition.
3) Click on apply on the right side.
4) When login screen appears, click on register on the bottom.
5) Use your SVSU email address and password when click on create account.
6) You will receive an email; click the Confirm Account button to complete the account creation process.
7) Login at http://svsu.infoready4.com/CompetitionSpace/ to create your application.
8) You will receive an email once your application is submitted.

Please contact Sponsored Programs for assistance as you are completing your application.

SVSU FACULTY RESEARCH GRANT—http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: November 15, 2013
SVSU Faculty Research, leading to publication or presentation, has funded an estimated 25 projects yearly; average release time is 3–4 hr/year; average award is $5,000. These grants are considered to be SEED MONEY designed to support research and stimulate the submission of proposals to agencies for external funding. Any faculty member who has received research support in the last three out of five years will not receive an additional award unless a research grant proposal is submitted to at least one outside agency (i.e., the National Science Foundation, National Endowment for the Humanities, Ford Foundation, and others).

SVSU PROFESSIONAL DEVELOPMENT GRANT—http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: November 15, 2013
Professional Development encourages scholarly activities such as pursuit of advanced course work or a degree in the faculty member’s own or new disciplines; retraining to develop a new specialty, such as computer programming; to learn a new skill, such as oral history techniques; or to develop a new pedagogical skill, such as competency-based instruction.

SVSU COLLEGE OF BUSINESS AND MANAGEMENT FAMILY BUSINESS RESEARCH GRANT
http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: January 19, 2014
Given the significance of family business to the region, the College of Business and Management seeks to increase the breadth and depth of our collective knowledge on family business issues and strengthen the SVSU brand within the larger family business community and the broader academic community. Grants will be awarded to research teams. Team members must be either faculty, endowed chairs, or staff within the College of Business and Management and outside collaborations as determined by project need. The team must have at least one faculty member. Preference is given to teams that help faculty achieve and maintain academic qualification status. Anticipated awards will range from $8,000-$15,000/team for up to two years.

SAGINAW BAY ESI RESEARCH GRANTS —http://www.svsu.edu/sponsoredprograms/internal-grants.html
Application Deadline: Currently being accepted, no due date
Facilitates seed projects involving scientific research focused on the Saginaw Bay Watershed (e.g. water quality, pollution, land use, wildlife health/habitat, environmental/public health, geospatial characterization). Awards are limited to $4,000 each. SVSU faculty and staff may apply – preference will be given to those who are actively involved in the Saginaw Bay ESI. One application per year is allowed per project or evaluator. Please submit your proposal electronically in pdf format to Janet Rentsch (jrentsch@svsu.edu), Director of Sponsored Programs. Applicants are encouraged to discuss their projects with the institute director (David Karpovich) or any SVSU member of the steering committee (Tami Sivy, Martin Arford, and Arthur Martin). Review will begin as soon as possible after proposal receipt.
