RESEARCH FELLOWSHIPS • NATIONAL GALLERY OF ART
Fellows have access to the National Gallery, its library and the Library of Congress to support research on the visual arts from a variety of approaches. Programs include: Senior Fellowship offers up to $50,000 (not yet updated, usually 10/15); Visiting Senior Fellowship offers up to $8,000 (3/21/14; 9/21/14 - application available 7/14/14 according to PO); Predoctoral Fellowship award amounts vary (nominations only); Predoctoral Fellowship for Travel Abroad for Historians of American Art offers up to $4,500 (11/15) and A.W. Mellon Postdoctoral Fellowship offers up to $50,000 (10/15). See http://www.nga.gov/casva/fellowships.shtm for details.
Application Deadline: September 21, 2014

ASIAN STUDIES GRANTS AND FELLOWSHIPS • ASSOCIATION FOR ASIAN STUDIES
The Association for Asian Studies (AAS) is a scholarly, non-political, non-profit professional association open to all persons interested in Asia and the study of Asia. AAS offers several grants to support the research of North American scholars to improve the quality of teaching about Asian cultures at the college and pre-college levels. Grant amounts, details and deadlines vary according to program. See http://www.asian-studies.org/grants/main.htm for details.
Application Deadline: October 1, 2014

FRANKLIN RESEARCH GRANTS • AMERICAN PHILOSOPHICAL SOCIETY
Supports travel to libraries and archives for research purposes, the purchase of microfilm, the cost of photocopies or equivalent research materials, and the costs associated with fieldwork and laboratory research expenses in a wide range of fields. Applicants must hold a doctorate or have published work of doctoral character and quality. Awards are up to $6,000 each. Annual deadlines: 10/1 and 12/1 depending on proposed start date. Grants are payable to the individual applicant. See http://www.amphil soc.org/grants/franklin for details.
Application Deadline: October 1, 2014

SCIENTIFIC RESEARCH AND ARCHIVING AND PRESERVATION PROJECTS • GRAMMY FOUNDATION
Scientific Research Projects support research on the impact of music on the human condition. Examples might include the study of the effects of music on mood, cognition and healing, as well as the medical and occupational well-being of music professionals and the creative process underlying music. Archiving and Preservation Projects support efforts that advance the archiving and preservation of the music and recorded sound heritage of the Americas. Deadline refers to required letter of inquiry. See http://www.grammy.org/grammy-foundation/grants for details.
Application Deadline: October 1, 2014

KRESS GRANTS • SAMUEL H. KRESS FOUNDATION
Supports scholarly projects that promote the appreciation, interpretation, preservation, study and teaching of European art from antiquity to the early 19th century. Funding is offered in three areas: History of Art and Conservation (annual deadlines: 1/15, 4/1, 10/1) and Digital Resources (annual deadlines: 4/1, 10/1). Applicants strongly encouraged to include a CD containing application materials in addition to printed materials. If deadline falls on a weekend, applications must be received by the previous Friday. See http://www.kressfoundation.org/grants/main/ for details.
Application Deadline: October 1, 2014

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Outreach Lecturing Fund which will fund short visits to other IHEs while in the U.S. Annual deadline: 10/15. See http://www.cies.org/sir/ for details.
Application Deadline: October 15, 2014

SUMMER STIPENDS • NATIONAL ENDOWMENT FOR THE HUMANITIES
Supports work of younger public policy analysts, humanists, and social scientists who show promise of becoming leaders in their field, especially those who work on multidisciplinary topics. Studies that examine complex and intellectual issues using a multidisciplinary or comparative perspective are encouraged. Visiting scholars are expected to be in residence throughout the academic year (Sept-May). Stipend is $45,000 for postdocs and up to $65,000 for faculty. See https://www.amacad.org/content/about/about.aspx?d=363&t=4&s=0 for details.
Application Deadline: October 22, 2014
BUSINESS MANAGEMENT

AERA GRANTS PROGRAM • AMERICAN EDUCATIONAL RESEARCH ASSOCIATION
Supports the development of U.S. education researchers using NCES and NSF data sets for basic, policy and applied research. Programs include: Research Grants (up to $20,000 for one-year projects, or up to $35,000 for two-year projects) and Dissertation Grants (up to $20,000 for one-year projects). Education Research Conference Program (9/10/14) and Undergraduate Student Education Research Training Workshop (12/6/13) also may be available. See http://tinyurl.com/7u2aelq for updates.

Application Deadline: September 4, 2014

FELLOWSHIP AND INTERNSHIP PROGRAMS • AMERICAN INSTITUTE FOR ECONOMIC RESEARCH
Visiting Research Fellowships (annual deadlines: summer-2/1, fall- 5/1, and spring- 10/1) support summer research in residence at the institute in areas such as money, banking, and credit; public and personal finance; economic and monetary history; and other topics. Student Summer Fellowships support college students, post graduates and graduate students. Internships (annual deadlines: summer-4/1, fall-8/1, spring-12/1) introduce accomplished undergraduate and graduate students to economic research. See https://www.aier.org/node/3847 for details.

Application Deadline: October 1, 2014

RESEARCH STIPENDS • IBM CENTER FOR THE BUSINESS OF GOVERNMENT
Provides research stipends of $20,000 to individuals who are responsible for producing a 30-40 page research report in one of the areas presented within the solicitation. Manuscript must be submitted no later than six months after start of the project. Recipients will select the start and end dates of their research project. Reports should be written for government leaders and provide practical knowledge and insights. Annual deadlines: 4/1, 10/1. See http://www.businessofgovernment.org/content/research-stipends for details.

Application Deadline: October 1, 2014

MACROECONOMICS ASPECTS OF POPULATION AGING • NATIONAL INSTITUTES OF HEALTH
Supports research (R01) on the macroeconomics of aging-the impact of population aging on the macroeconomy and in turn how macroeconomic factors impact health and well-being. Population aging could have profound effects on economic well-being through impacts on multiple sectors of the economy, including factor markets, trade, capital flows, technological change and economic growth. Examination of these issues will require complex modeling of sectors and flows and international transactions. See http://grants.nih.gov/grants/guide/pa-files/PAR-12-186.html for details.

Application Deadline: October 3, 2014

ECONOMIC COST OF ALZHEIMER’S DISEASE AND RELATED DEMENTIAS • NATIONAL INSTITUTES OF HEALTH
Supports research on the economic costs of Alzheimer’s disease (AD) and related dementias, including direct and indirect costs to public and private health care payers, families and other informal caregivers, as well as labor market costs from reduced productivity or labor force participation. Topics could include future costs of AD/dementia to public insurance programs; out-of-pocket care costs; and costs associated with informal care delivery. Annual deadlines: 2/5, 6/5, 10/5. Expires 9/8/15. Optional companion funding is available. See http://grants.nih.gov/grants/guide/pa-files/PA-12-255.html for details.

Application Deadline: October 5, 2014

IMPLICATIONS OF THE ECONOMIC DOWNTURN FOR HEALTH, WEALTH AND WORK AT OLDER AGES
NATIONAL INSTITUTES OF HEALTH
Supports research (R01) on short and long-term effects on decision-making throughout the life-course, particularly with respect to retirement and health outcomes in later life, caused by a variety of shocks that are individual-specific (e.g., health, layoff, divorce, death) or more broadly-based (e.g., economic downturns, high unemployment rates, natural disasters, war). In particular, National Institute on Aging is interested in research that addresses the possible long-term effects of the recent economic downturn on health, family, savings and employment choices. Annual deadlines: 2/5, 6/5, 10/5. Expires 1/8/15. See http://tinyurl.com/m8ksvzp for details.

Application Deadline: October 5, 2014

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Outreach Lecturing Fund which will fund short visits to other IHEs while in the U.S. Annual deadline: 10/15. See http://www.cies.org/sir/ for details.

Application Deadline: October 15, 2014
EDUCATION

JANE N. RYLAND FELLOWSHIP PROGRAM • EDUCAUSE
Supports the expansion of opportunities for information technology professionals to attend EDUCAUSE events, thus helping to build future leaders. Fellowships recognize a combination of past achievement, personal and institutional commitment, potential benefit, and financial need. The number and amount of fellowship awards vary by year. Award amounts cover registration fees and may also cover travel and hotel expenses. See http://www.educause.edu/careers/fellowship-programs for updates.
Application Deadline: September 1, 2014

NIDRR: FIELD-INITIATED PROJECTS • U.S. DEPARTMENT OF EDUCATION
Supports projects that improve the effectiveness of services and develop methods, procedures, and technology to maximize the full inclusion, integration, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities. Program awards two types of grants: research (84.133G-1) and development (84.133G-2). Current deadline is for Minority-Serving Institution Field-Initiated Projects (84.133G-4/5). See http://www.ed.gov/programs/fip/index.html for details.
Application Deadline: September 2, 2014

GRANT APPLICATION • MEEMIC FOUNDATION
Supports programs on the following criteria: show demonstrated need, project potential for having a lasting impact on students, how the program relates to classroom instruction or a school or school district improvement goal, ability to replicate the project for future use and cost effectiveness. Grants are available for a variety of programs, including: Arts, Behavior Modification, Cross-Curricular, Health/Physical Education, History, Literature, Math, Science, Social Studies, Special Needs, STEM (Science, Technology, Engineering, Math), Technology. Funding is also available for a variety of projects, including: Classroom projects, Field trips, School assemblies, Professional development for educators. The maximum amount for this deadline is $500. Recipients notified by November 15th. See https://www.meemic.com/the-meemic-foundation.aspx for details.
Application Deadline: September 30, 2014

ADVANCED TECHNOLOGICAL EDUCATION (ATE) • NATIONAL SCIENCE FOUNDATION
With emphasis on two-year colleges, supports partnerships to promote improvement in education of technicians for high-tech fields. Supports curriculum and professional development; career pathways from secondary schools to two-year colleges and from two-year colleges to four-year institutions; and proposals focusing on research to advance the knowledge base related to technician education. Encourages recruitment and retention of veterans in STEM advanced technological programs. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5464 for details.
Application Deadline: October 9, 2014

NEA FOUNDATION GRANTS • NATIONAL EDUCATION ASSOCIATION FOUNDATION
Provides grants to improve academic achievement of students in U.S. public schools and public higher education institutions in any subject areas. Student Achievement Grants (up to $5,000) support initiatives to improve academic achievement. Learning and Leadership Grants support high-quality professional development--$2,000 for individuals and $5,000 for groups. Higher education faculty and staff may apply. Annual deadlines: 2/1, 6/1, 10/15. See http://www.neafoundation.org/pages/grants-to-educators/ for details.
Application Deadline: October 15, 2014

FULBRIGHT SCHOLAR-IN-RESIDENCE PROGRAM • COUNCIL FOR INTERNATIONAL EXCHANGE OF SCHOLARS
Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Outreach Lecturing Fund which will fund short visits to other IHEs while in the U.S. Annual deadline: 10/15. See http://www.cies.org/sir/ for details.
Application Deadline: October 15, 2014

SMALL RESEARCH GRANT PROGRAM • SPENCER FOUNDATION
Foundation focuses on four areas: Education and Social Opportunity; Organizational Learning in Schools, School Systems, and Higher Education Institutions; Teaching, Learning, and Instructional Resources; and Purposes and Values of Education. Small Research Grants offer up to $50,000 for pilot research and the initial phases of larger investigations. Major Research Grants support projects up to $500,000 and the Lyle Spencer Research Awards Program, annually, through a highly competitive award process, will provide research grants of up to $1,000,000 each to a small number of outstanding proposals. See http://tinyurl.com/maffj4d for further information on grant programs and deadlines.
Application Deadline: November 18, 2014
NATIONWIDE RESEARCH, DEVELOPMENT, AND TRAINING AWARDS • AMERICAN DIABETES ASSOCIATION
Supports research to fight against the deadly consequences of diabetes and fight for those affected by diabetes through several grants. Their core program is divided into three categories: general research (10/1/14); Pathways (7/1/14); and Targeted RFAs (9/15/14) focused on a specific award mechanism or topic area. See [http://professional.diabetes.org/Diabetes_Research.aspx?cid=91393&typ=18](http://professional.diabetes.org/Diabetes_Research.aspx?cid=91393&typ=18) for details.
Application Deadline: October 1, 2014

BEHAVIORAL AND SOCIAL RESEARCH (BSR) ON AGING • NATIONAL INSTITUTES OF HEALTH
BSR's research program supports investigator-initiated research on social, behavioral, and economic research and research training on the processes of aging at both the individual and societal level. BSR fosters cross-disciplinary research, at multiple levels from genetics to cross-national comparative research, and at stages from basic through translational. Unsolicited applications accepted on any relevant topic. Annual deadlines: 2/5, 6/5, 10/5 for R01 awards. See [http://www.nia.nih.gov/research/dbsr](http://www.nia.nih.gov/research/dbsr) for details.
Application Deadline: October 5, 2014

EYE RESEARCH • NATIONAL INSTITUTES OF HEALTH
Supports investigator-initiated research related to prevention, etiology and pathogenesis, diagnosis and treatment of eye diseases and disorders. Major program areas are retinal diseases; corneal diseases; lens and cataract (including cataract and lens formation); glaucoma and blindness rehabilitation and refractive error. Annual deadlines: 2/5, 6/5, 10/5 for R01 awards. Applications accepted on any relevant topic. See [http://www.nei.nih.gov/funding/nrp.asp](http://www.nei.nih.gov/funding/nrp.asp) for details.
Application Deadline: October 5, 2014

EFFECTS OF IN UTERO ALCOHOL EXPOSURE ON ADULT HEALTH AND DISEASE • NATIONAL INSTITUTES OF HEALTH
Supports research on how prenatal alcohol exposure may contribute to the etiology of chronic diseases and health conditions later in life. Goal is to stimulate research to leverage existing prospective birth cohorts to define consequences of maternal alcohol consumption in the development of health and disease processes; investigate biological, cellular and molecular mechanisms by which exposure may impact later diseases; and identify biomarkers. Annual deadlines: 2/5, 6/5, 10/5. Expires 5/8/16. Optional companion funding is available. See [http://grants.nih.gov/grants/guide/pa-12-291.html](http://grants.nih.gov/grants/guide/pa-12-291.html) for details.
Application Deadline: October 5, 2014

UNDERSTANDING AND PROMOTING HEALTH LITERACY • NATIONAL INSTITUTES OF HEALTH
NIH institutes support methodological, intervention and dissemination research for understanding and promoting health literacy, defined as the degree to which individuals have the capacity to obtain, process and understand basic health information and services needed to make appropriate health decisions. Applications should be relevant to specific research interests of at least one of the participating organizations. Annual deadlines: 2/5, 6/5, 10/5. Expires 5/8/16. Optional companion funding available. See [http://grants.nih.gov/grants/guide/pa-13-130.html](http://grants.nih.gov/grants/guide/pa-13-130.html) for details.
Application Deadline: October 5, 2014

RESEARCH, TRAINING AND PROFESSORSHIP GRANTS • AMERICAN CANCER SOCIETY
Supports over 20 programs to provide funds to all levels of investigators in cancer research and an enhanced commitment to issues in cancer health disparities, psychosocial and behavioral, health services, health policy, epidemiological, clinical and cancer control research. Also sponsors training grants for health professionals as well as other special initiatives and international programs. Most grants have annual deadlines of 4/1 and/or 10/15. See [http://www.cancer.org/research/researchprogramsfunding/fundingopportunities/index](http://www.cancer.org/research/researchprogramsfunding/fundingopportunities/index) for details.
Application Deadline: October 15, 2014

SMALL RESEARCH GRANT PROGRAM • AGENCY FOR HEALTHCARE RESEARCH AND QUALITY (AHRQ)
Supports small grants (R03) for different types of health services research projects including pilot and feasibility studies; secondary analysis of existing data; small, self-contained research projects; development of research methodology; and, development of new research technology. AHRQ is interested in research involving collaborative efforts between researchers and medical and public health or healthcare providers, purchasers or payer organizations. Awards offer up to $100,000 for 24 months. See [http://grants.nih.gov/grants/guide/pa-10-168.html](http://grants.nih.gov/grants/guide/pa-10-168.html) for details.
Application Deadline: October 16, 2014

ACADEMIC RESEARCH ENHANCEMENT AWARD (AERA) PROGRAM • NATIONAL INSTITUTES OF HEALTH
Supports renewable awards (R15) up to $300,000 total for up to three years for projects in biomedical and behavioral sciences conducted by faculty and students from institutions that have not been major recipients of NIH funds. Goal is to strengthen institutional research environment and support active involvement of undergraduate (preferred) and graduate students in research. Applicants should pay attention to special R15 review considerations. NIMHD and NCATS do not participate. Annual deadlines: 2/25, 6/25, 10/25 through 9/8/16. See [http://grants.nih.gov/grants/guide/pa-13-313.html](http://grants.nih.gov/grants/guide/pa-13-313.html) for details.
Application Deadline: October 25, 2014
SCIENCE, ENGINEERING, AND TECHNOLOGY

CLIMATE PROGRAMS • U.S. DEPARTMENT OF COMMERCE
Supports climate research, observations, and modeling. Current FY 14 program: Understanding Climate Impacts on Fish Stocks and Fisheries to Inform Sustainable Management. LOIs are highly recommended, but not required (7/14). See http://cpo.noaa.gov/GrantsandProjects/COCAFFO.aspx for details.
Application Deadline: September 12, 2014

OPERATIONS RESEARCH • NATIONAL SCIENCE FOUNDATION
Supports fundamental research leading to the creation of innovative mathematical models, analysis, and algorithms for optimal or near optimal decision-making, applicable to the design and operation of manufacturing, service, and other complex systems. Includes discrete and continuous optimization, stochastic modeling and analysis, simulation optimization, and self-optimizing systems that can observe, learn, and adapt to changing environments. Annual deadlines: 2/1-2/15 and 9/1-9/15. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13341 for details.
Application Deadline: September 15, 2014

CIVIL, MECHANICAL, AND MANUFACTURING INNOVATION (CMMI) • NATIONAL SCIENCE FOUNDATION
Supports cross-disciplinary research partnerships at the intersections of traditional disciplines to promote transformative advances in civil, mechanical and industrial systems and manufacturing technologies. Also encourages discoveries such as adaptive systems, nanotechnology, and simulation. CMMI is organized into four clusters: Advanced Manufacturing; Mechanics and Engineering Materials; Resilient and Sustainable Infrastructures; and Systems Engineering and Design. Annual deadlines: proposal windows 2/1-2/15 and 9/1-9/15.
Application Deadline: September 15, 2014

MECHANICS OF MATERIALS (MOM) • NATIONAL SCIENCE FOUNDATION
Supports fundamental research on interdisciplinary solid mechanics, including theoretical, experimental, and computational approaches; model-based simulation; and development of constitutive models. Emphasis on fundamental understanding of existing and emerging material and structural systems behavior across time and length scales, including experimental and analytical research on deformation, fatigue, and fracture. Annual deadlines: proposal windows are 2/1-2/15 and 9/1-9/15. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=13355 for details.
Application Deadline: September 15, 2014

ALGEBRA AND NUMBER THEORY • NATIONAL SCIENCE FOUNDATION
Application Deadline: October 10, 2014

MATHEMATICAL SCIENCES PROGRAM • U.S. DEPARTMENT OF DEFENSE
Supports self-directed, unclassified research in the areas of Algebra, Number Theory, Discrete Mathematics, Probability, and Statistics. The program does not support research in cryptology. Offers four types of grants: Young Investigators Grant, Standard Grant, Conferences, Workshops and Special Situations, and Senior Investigators Grant. Also supports conferences and workshops in the five subject areas named above. Annual deadline: 10/15. See http://www.nsa.gov/research/math_research/index.shtml for details.
Application Deadline: October 15, 2014

METALLIC MATERIALS AND NANOSTRUCTURES (MMN) • NATIONAL SCIENCE FOUNDATION
Supports fundamental research and education on the relationship between processing, structure and properties of metals and their alloys. Focus is on experimental research while strongly encouraging the synergistic use of theory and computational materials science. Support includes; equilibrium, non-equilibrium and far-from equilibrium structures; thermodynamics; kinetics; diffusion; interfaces; oxidation; performance in extreme environments; recyclability; magnetic behavior; thermal transport; plastic flow; and similar phenomena. Annual deadline: proposal window is 9/1-10/31. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5351 for details.
Application Deadline: October 31, 2014

BIOTECHNOLOGY, BIOCHEMICAL, AND BIOMASS ENGINEERING (BBBE) • NATIONAL SCIENCE FOUNDATION
Supports research on problems involved in the processing and manufacturing of products of economic importance through use of renewable resources of biological origin and genomic and proteomic bioinformatics. Emphasis is on basic engineering and biological research contributing to understanding of cellular and biomolecular processes (in vivo, in vitro, and/or ex vivo) and to the development of generic enabling technology and practical application. Proposal window: 10/1-11/5. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=501024 for details.
Application Deadline: November 5, 2014
UPCOMING FUNDING

SABBATICAL — [http://www.svsu.edu/sponsoredprograms/internalgrants/]
Application Deadline: September 10, 2014

All sabbatical proposals are due in Competition Space, online grant submission system, by 4:30 p.m., September 10, 2014. Application will be available week of August 4th. The applicant's P.P.C. files must be updated and in his/her academic dean's office by the same deadline. It is the faculty applicant's responsibility to see that the signatures of their department chairperson and the dean are secured and also to see that the application is delivered by the deadline. Applications NOT RECEIVED by this deadline will be rejected. Individual Evaluation Reports (IERs) are not required for sabbatical leave applications.

RUTH AND TED BRAUN FELLOWSHIP PROGRAM— [http://www.svsu.edu/sponsoredprograms/internalgrants/]
Application Deadline: September 15, 2014

The Saginaw Community Foundation will award annual fellowships to two faculty/staff for three-year appointments starting January 1st following the award announcement. Each fellow will receive supporting grants totaling $37,500 ($12,500 per year) during the three year term to recognize and further their scholarly or professional activities. Braun Fellows will be expected to produce a body of professional or academic work for publication or presentation during or at the conclusion of the Fellowship term.

Funding: Funds may be used for research expenses, equipment, travel, staff support, release from regular duties, undergraduate and graduate student support, collaboration with faculty from other institutions, and other related support. Expenditures will be consistent with the applicant’s Fellowship application and proposal and subject to approval by the University.

NEWS

Institutional Review Board (IRB) Chair
We would like to thank David Callejo for serving as the IRB Chair since August 2011. We greatly appreciate his leadership and knowledge and the changes he brought to the IRB, in terms of policies and forms. David will remain on the board through the end of the year during transition.

We would like to welcome Marie Cassar, Associate Professor of Psychology as the new IRB Chair. She has been a member of the committee since 2012 and are thankful to have her leadership.

Foundation Directory Online

Foundation Directory Online is a service of the Foundation Center. It is updated weekly and provides access to 120,000+ foundations and corporate donors, 3 million recent grants and more than half a million key decision makers. You can search for funding and sign up for a free weekly newsletter announcing foundation requests for proposals (RFP). Subscription began July 1, 2014 and can be accessed by visiting the library webpage. Visit [http://www.svsu.edu/library/], click on the Faculty & Staff link on bottom of home page, click on Foundation Directory Online link, you will then need to click on the link again. You can contact the Library or our office for training on this service. You will have the same access if using database off site. Please remember that a grant can not be submitted without contacting and working directly with Sponsored Programs.

Notice: Change in Michigan Humanities Council Major Grant Cycle

Due to a new opportunity (announcement coming soon!), the deadline cycle for Major Grants has changed. Nonprofits interested in applying should note that drafts will now be accepted in July-August of 2015, with a final deadline in September 2015. Major Grants fund public humanities programming projects up to $15,000. For more information on this grant program and its timeline, [click here].
