

# Zahnow Library

Zahnow Library, along with Brown Hall and Science West, was constructed in 1986 as part of the second State funded building project named instructional facility #2 (IF-2). The library was named in recognition of former board member and longtime university supporter Melvin J. Zahnow. The fourth floor, added in 2003, is home to the Roberta Allen Reading room. The most recent addition constructed in 2006 houses Einsteins food court.
