The U.S. Department of Education has identified that there is conflicting information between the 2015 income information you reported on your 2016-2017 FAFSA and your 2017-2018 FAFSA. **This conflict must be resolved** by either:

- 1) Reviewing the student and parent financial information on both the 2016-2017 FAFSA and 2017-2018 FAFSA. If the IRS Data Retrieval Tool (DRT) was not previously used on both of the FAFSA applications, submit a FAFSA correction, electing to use the IRS Data Retrieval Tool (DRT) for each tax filer. Please also review the reported income from work for student and parent.

-OR-

- 2) Submitting copies of the 2015 Federal Tax Transcript for all tax filers, including student and parent. Please also submit copies of all W2s.

*To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax **return** transcript". You will be offered the option to "Get Transcript ONLINE". **This option will allow you to view and print your transcript immediately.** If you request a transcript to be mailed, you should receive it within **10-14 business days.***

****If you have filed an amended tax return, you MUST submit tax transcript(s), AND a signed copy of the 2015 Amended Federal Tax Return, IRS Form 1040X.**

Please indicate below which action will be taken to resolve this conflict:

- We have successfully used the IRS Data Retrieval Tool (DRT), for each tax filer, on both the 2016-17 FAFSA and 2017-18 FAFSA.
- I have attached the 2015 Federal tax transcripts for all tax filers and all 2015 W2s.
- I have ordered the 2015 Federal tax transcripts for all tax filers and will submit them at a later date.
